Dear Rights of Way Office,

Re :- claim, Oaks Wood, Pontesbury.

As a group of 50 riders we consider this an important "way", taking us off narrow lanes, linking across to other Bridleways and taking us off fields with Bridleways in winter. It has been ridden for many years but during the summer of '98 the gate was padlocked. It is a hard based track, which does not suffer damage, unlike Bridleways linking to it. As the countryside becomes busier we wish to minimize damage and keep landowners happy. We work with the "Parish Paths Partnership" which has proved to be a good "Partnership" with all concerned.

Yours sincerely

Mrs Linda Russell
