

**Request for a targeted early help intervention to support the family
for practitioners who do not have access to the Early Help Module (EHM) of Liquid
Logic**

1. Complete the consent form and Whole Family Webstar and Assessment with the family
 - i. The Whole Family Webstar Assessment needs to clearly identify a need for the targeted Early Help intervention, which is agreed with the family
 - ii. The family assessment needs to be completed as fully as possible

2. Complete a Request for targeted early help service intervention form (available from early help website)
<http://new.shropshire.gov.uk/early-help/practitioners/early-help-forms/>

3. Send the Request for a targeted early help service intervention form and completed consent form by encrypted email to ShropshireStrengtheningFamilies@Shropshire.gov.uk
