This information was correct as of 31st December 2012. The CIL administration system is continuously updated.

The CIL Levy is either 'Collected' 'Committed' or 'Potential'.

- CIL income '**collected**' is money that has been received from liable schemes that have commenced.
- CIL income '**committed**' is money that will be received within the next year from liable schemes that have commenced.
- CIL income '**potential**' is money that may be received from liable schemes if development commences. **Please Note: If the scheme does not commence the fee will never be paid.**

The amount of CIL displayed is the 'total' committed, collected or potential. The CIL will be allocated as follows:

- 5% Administration Cost
- 15 or 25% Neighbourhood Fund (15% where there is no formal Neighbourhood Plan (capped at £100.00 per Council Tax paying dwelling) and 25% where there is a formal Neighbourhood Plan). *Please Note: The Neighbourhood Fund only applies to development where the CIL Liability Notice (usually issued shortly after approval of the Planning Application) has been issued on or after the 25th April 2013.*

Of the remainder:

- 10% Strategic Infrastructure Fund.
- 90% Local Infrastructure Fund.

Disclaimers:

- CIL income allocated to the 'Strategic Infrastructure Fund' will be pooled to deliver those strategic infrastructure priorities identified through the Place Plan and the Local Plan process.
- The delivery of Strategic Infrastructure is a priority within Shropshire (as supported within the Shropshire Core Strategy). In locations where the 'Strategic Infrastructure Fund' is not sufficient to deliver necessary strategic infrastructure, the use of the 'Local Infrastructure Fund' to deliver Strategic Infrastructure may be agreed with the relevant Town and Parish Councils.
- The 'Local Infrastructure Fund' generated within an area may be spent outside of the local area where agreed locally and where the identified infrastructure priorities support this approach.
- The CIL liability associated with certain Planning Applications may be subject to change where the calculation of the CIL levy is based on Council calculations (where no CIL Form O: Determination of CIL Liability has been submitted) and the liable person(s) subsequently submit a completed CIL Form O. This is because the Council cannot assume that existing buildings are 'in use' and therefore deductible floorspace.

A calculator will shortly be available on our website that will allow you to calculate how much CIL will be available locally from each development and based on the total collected/committed within an area.

Overview of how CIL monies will be distributed in Shropshire:
