| 01743761211 | PCO PCO1 COUND SHREWSBURY | SY5 6AF | KX100 | N | | 0 Cound PC | Object to removal- Cound Parish Council 22-11-16 | Parish Council comments remain unchanged since we were last consulted in 2016. We object to the removal of the payphone on the grounds that: mobile telephone coverage is extremely poor in Cound; we have a high number of tourist, especially for the snowdrop walk; and the distance of the next nearest payphone. Investigations are also under way to see if it is feasible to adopt the kiosk and use it to house an additional defibrillator in it. There are several considerations that need to be addressed primarily getting a suitable power supply to the 'phone kiosk. Therefore we do not want BT to decommission the 'phone box until our feasibility study has been completed | | SC final view is to object to the removal of the telephony and kiosk and endorse local views for its retention due to poor mobile signal; high number of tourists; distance to nearest payphone and requirement for emergency use. Investigations underway as to possibility of adopting the kiosk at a later date, subject to feasibility checks including suitable power supply for a defibrillator. |
