ANNUAL REVIEW OF THE EFFECTIVENESS OF INTERNAL AUDIT

Responsible Officer James Walton

e-mail: james.walton@shropshire.gov.uk Tel: 01743 255011

1. Summary

- 1.1 The purpose of this report is to demonstrate the effectiveness of internal audit in the Council. This is in compliance with Regulation 6(3) of the Accounts and Audit Regulations 2011. This requires the Council to conduct an annual review of the effectiveness of its internal audit and for the Audit Committee to review its findings, Regulation 6(4). This review must be considered as part of the system of internal control and informs the Annual Governance Statement.

2. Recommendations

- 2.1 The Committee is asked to consider and endorse the conclusion that the Council has an effective system of internal audit in place, with or without comment.

REPORT

3. Risk Assessment and Opportunities Appraisal

- 3.1 An effective Internal Audit Service objectively examines, evaluates and reports on the adequacy of the control environment as a contribution to the proper, economic, efficient and effective use of resources. Therefore, providing assurances on the Council's internal control systems by identifying areas for improvement or potential weaknesses and engaging with management to address these in respect of current systems and during system design. Internal Audit will also continue to align its work with the Strategic Risk Register.

- 3.2 The recommendations contained in this report are compatible with the provisions of the Human Rights Act 1998 and the Accounts and Audit Regulations 2011.
- 3.3 There are no direct environmental, equalities or climate change consequences of this proposal. Consultation has been used to inform the evidence gathered in support of the self assessment against CIPFA's Code of Practice for Internal Auditors in Local Government.

4. Financial Implications

- 4.1 The Internal Audit service is provided within approved budgets.

5. Background

- 5.1 The Accounts and Audit Regulations 2011 6(3), requires the Council to undertake an annual review of the effectiveness of its internal audit and to report the findings of this review to the Audit Committee.
- 5.2 There is no prescriptive guidance; organisations are offered an opportunity to find their own solutions in order to meet the requirements of the Regulations. In an attempt to take the issue forward, the Chartered Institute of Public Finance and Accountancy (CIPFA) produced a Code of Audit Practice.
- 5.3 Previously on a triennial basis the External Auditors have used this Code to assess the quality of Internal Audit. It was last applied by them in 2009/10 and confirmed that Internal Audit effectively contributes to the Council's Internal Control process. The Audit Service Manager has updated the detailed document demonstrating compliance with the Code's checklist which is supported with evidence for 2010/11; **Appendix A** provides a summary of the compliance with the Code.

6. Summary

- 6.1 A review and update of the self assessment has confirmed that the Council continues to operate an effective Internal Audit function. Internal Audit continues to be an effective part of the internal control process. There are no areas where the Internal Audit function is not complying with the Code and any areas where partial compliance is considered are being addressed.

List of Background Papers (This MUST be completed for all reports, but does not include items containing exempt or confidential information)

- Code of Practice for Internal Auditors in Local Government 2006 –published December 2006.
- Accounts and Audit Regulations 2011.
- Various internal documents supporting the review of the CIPFA Code of Practice checklist.

Cabinet Member (Portfolio Holder) Keith Barrow, Leader of the Council and Brian Williams, Chairman of Audit Committee
