<b>PUBLIC TRANSPORT</b> Operator fee per departure from Bus Station		0.455	0.455
Passenger Bus Fares - The Council is able to set bus fares on routes that are subsidised through minimum cost contracts (i.e the Council keeps the revenue collected through fares and pays a fixed sum to the operator) Over a number of years the Council's bus fares have fallen behind those of the commercial and non minimum cost subsidised network. A review is on-going of this situation with a view to bring the Council set fares into alignment with commercial routes.			To be governed by the level of increase on the commercial/non minimum cost network
