REPORT

3. Risk Assessment and Opportunities Appraisal

- 3.1 The Audit Committee's Annual Assurance Report is part of the overall internal control arrangements and risk management process. The Committee objectively examines and evaluates the adequacy of the control environment through the reports it receives and in turn can provide assurances to Council on its internal control systems that inform the Annual Governance Statement.
- 3.2 The recommendations contained in this report are compatible with the provisions of the Human Rights Act 1998. There are no direct environmental, equalities, consultation or climate change requirements or consequences of this proposal.

4. Financial Implications

- 4.1 There are no direct financial implications from this report

5. Background

- 5.1 A key part of the Audit Committee's role is to provide independent assurance of the adequacy of the risk management framework and the associated internal control environment. The Committee oversees the financial reporting process and it also provides independent scrutiny of the authority's financial performance to the extent that it affects the authority's exposure to risk and weakens the control environment.
- 5.2 The Audit Committee has a well established role within the Council and it is important that an Annual Assurance report based on the work of the Committee is produced and recommended to Council. In compiling this assurance report, information provided at the Audit Committee meeting on 16 June 2011 has also been taken into account.
- 5.3 Attached to this report is the Audit Committee Annual Assurance report to Council for 2010/11 for members to consider and comment on **(Appendix A)**.
