

Draft Shropshire Affordable Housing Allocation Policy and Scheme: Outline Public Consultation Plan

The public consultation is scheduled to be undertaken between 1st August 2012 and 1st November 2012.

During the consultation period, an Equalities Impact Assessment will be undertaken.

A Feedback Document will be prepared to measure the extent to which respondents agree or disagree with the proposals, with room for comments.

The Feedback will be collated into a Consultation Report. This Report will present the statistical Feedback (agree/disagree) and responses to comments, with actions taken, if any.

Feedback will be incorporated, as appropriate, into a revised final draft of the document, to be presented to Members for adoption in January 2012.
