10. PROJECT DESCRIPTION

Include the overall purpose and aims of the project and the main activities.

The Parish urgently requires two new notice boards. Yackleton's was on the Post Office wall and when the Post Office was sold the buyer would not ^{allow it.} to stay. Westbury's is far too small and falling apart. The new board in Yackleton will require planning permission, plans etc which is costly. Our precept has not allowed for these boards.

11. NEED AND DEMAND

What is the evidence that justifies the project activities? To what extent is the project needed? Detail any consultation you have undertaken. What is the scale of demand for the project activities? Does demand vary across the area of benefit or by different groups of people?

Notice boards, sufficiently large so that notices are not pinned on top of one another, are an essential means of giving notices of events of all kinds in the parish.

12. ADDED VALUE

In what ways will the project be additional to what is already being done?

Yodleston will have a Notice Board. Westbury will have one which will meet the needs of the parish.
