PENSION FUND

COMMUNICATIONS POLICY STATEMENT

June 2011 | Appendix A

This Statement has been prepared by Shropshire Council (the Administering Authority) to set out the communications strategy for the Shropshire County Pension Fund (the Scheme), in accordance with Regulation 67 of the Local Government Pension Scheme (Administration) Regulations 2008.

Shropshire Council, in its capacity as Administering Authority deals with over 70 employers and approximately 15,000 scheme members, 9,300 deferred members and 7,500 pensioners in relation to the Local Government Pension Scheme (LGPS). The delivery of benefits involves communication with the membership and a whole range of other interested parties. This statement provides an overview of how we communicate and how we intend to measure whether our communications are successful.

This statement is effective as of 20 June 2011 and the membership details were correct as of that date.

Any enquiries in relation to this Communication Policy Statement should be made to:

1. Introduction

- 1.1** The principal aim of the Shropshire County Pension Fund is to provide secure pensions, effectively and efficiently administered at the lowest cost to the contributing employers.

- 1.2** The Fund is committed to providing comprehensive information to all stakeholders, through the most appropriate communication methods. Effective communication cannot be left to chance and this document outlines the ways in which the Fund aims to meet this objective.

- 1.3** The Shropshire County Pension Fund has experience of using innovative communication techniques and intends to continue using a wide variety of communication tools in the future.

- 1.4** The Fund is now part of a ‘Shared Services Group’ with neighbouring Local Government Pension Fund Authorities. Thus the funding and resourcing of elements of our communication service is shared, such as the development and production of newsletters. This has already and will continue to provide Fund efficiency savings.

- 1.5** The Fund Officers will endeavour to ensure that value for money and quality of service is obtained from sourcing both imaginative designers and reliable printing departments.

2. Principles of Communication

2.1 The Fund has adopted five key principles that support all of its communication.

The Fund is committed to ensuring that :

- Communication is factual and presented in plain language
- Communication is designed in a manner appropriate to its audience
- Communication is looked upon as involving a dialogue with others
- Communication exploits the developments and improvements in new technology
- Communication is planned, co-ordinated and evaluated.

2.2 The Fund makes every effort to make communication materials available in large print, Braille, audio tape and different languages on request.

2.3 The Local Government Pension Scheme is a useful tool in attracting employees to work in local government. For Employers it is a key part of their recruitment and retention package. Pension Services are also the last, and often the only, link between former staff members and their employers. The Fund therefore has an important role in ensuring that it communicates effectively with all its stakeholders.

2.4 Pension Services work to maintain a thorough knowledge of the regulations in order to retain the confidence of its members. Pension Services should always be the first place staff members turn for pension information during their working life and in retirement.

2.5 Pension Services are committed to responding promptly to members' requests for information, whether it's by face to face communication, e-mail or by letter. Information is provided within set timescales.

3. How does the Fund Communicate with Stakeholders?

3.1 Printed/ Electronic Literature

The Fund produces all paper and electronic based communications in a corporate style, be that brochures, guides or individual letters. All key communications are produced in a printed format and made available to members as appropriate, they are also available on our website in electronic format with a page turning facility.

3.2 Enquiry Counter

For those members who prefer ‘face to face’ communication the Fund’s office is centrally situated in Shrewsbury and are easily accessible by public transport from all areas of Shropshire.

The Council has an enquiry counter on the ground floor from which Pension Staff can be contacted during working hours. A private interview room is available if required if members wish to discuss confidential matters.

Appointments can be made to discuss specific pension options or problems, but generally this is not necessary as a member of the team is generally available.

3.3 Telephone

All Fund communications have a published telephone number. The number may be our general helpdesk number (01743) 252130 or the direct telephone number of the staff member responsible for carrying out your request.

3.4 Internet

The Fund has a website (www.shropshirecountypensionfund.co.uk) that is extremely popular amongst members and other stakeholders as a source of information. Electronic copies of Fund Literature, policies and reports are available for download: such as this Communications Policy Statement.

The Fund provides a number of online forms and secure areas on the site which allow Scheme members to access their own records, calculate benefit estimates, projections and to update home address information.

3.5 Fax, Mail and E-Mail

For general Communications, the Fund has a central FAX number, e-mail account and postal address. These details can be found on the back cover of this statement.

3.6 Presentations and Courses

The Fund delivers standard or tailored presentations on a wide range of subjects for both Employers and their staff. These presentations are provided at the request of Employers at geographically convenient locations by Fund staff and other specialists.

Presentations are held around the county to keep members informed of any changes that may alter their benefits. Presentations are in PowerPoint and use other media technology, including DVDs and CD Roms.

3.7 Roadshows / Consultations

The Fund organise 'Roadshow' events. They are run on a consultation/ surgery basis with half-hour time slots for members and prospective members. This is particularly useful for employers with small numbers of staff, although all our employers are catered for.

Our membership is dispersed over a large rural area and therefore these consultations are an ideal way to reach them.

3.8 Newsletters

Pension Update is the Fund's in-house newsletter, currently produced in conjunction with our Shared Services Group. This in-house newsletter is issued periodically. With an audience of Scheme and eligible non-members the newsletter aims to provide topical news, articles and the latest information about the Scheme and pensions in general.

In TOUCH is the Fund's in-house newsletter for retired members. Published twice a year, the newsletter proves to be a useful way of providing up dates on relevant changes in legislation, topical news, competitions and members articles.

Deferred members also receive a newsletter, when information needs to be communicated to them, again providing updates on relevant changes in legislation, topical news and reminding the member to keep the Fund notified of any future changes in address.

A newsletter is also issued out to Scheme Employers at least once year. It provides legislation, operational items and technical updates and support.

3.9 Annual Report, Accounts & Meeting

The aim of the report is to highlight the important issues affecting the Fund over the previous twelve months, along with detail on both investment and administration performance.

The Report and Accounts are distributed at the Annual Meeting that we hold in November, made available on our website and an abridged version sent to all active, deferred and retired members.

All retired, active and deferred members are invited to attend the Annual Meeting. The meeting gives members the opportunity to meet the Pension Committee and the members of staff who administer the Scheme on a one to one basis. The Fund is committed to making the meeting, widely accessible to the membership and ensuring its content is of both interest and relevance. The Annual Meeting aims to cover scheme benefits, valuation position and investments in an interesting and informative manner.
