

## Paths for Communities (P4C): Expression of Interest Form

The Paths for Communities competitive grant scheme is administered by Natural England, on behalf of the Department of Environment, Food and Rural Affairs (Defra).

In order to register your 'Expression of Interest' in the scheme please complete the details below and email this form to [p4c@naturalengland.org.uk](mailto:p4c@naturalengland.org.uk)

We will acknowledge receipt of your completed form and pass your enquiry to one of our Local Grants Officers, who will seek to make contact with you within 10 working days.

### Section 1: Who are you and how do we contact you?

#### Contact details for your group

Give the name of your community group as it appears on your governing document (such as your constitution or set of rules):

Nesscliffe Hill & District Bridleway Association Parish Paths

#### Address for your group, including postcode

**Address**

**Town**  **County**

**Postcode**  **Website address**

**Phone area code**  **Phone number**  **Fax number**

**Email address**

*For Office use:*

*Date received;  
P4C ref number;*

## Section 2: Project Description

Zia Robins, Chairman, Nesscliffe Hill & District Bridleway Association Parish Paths Partnership Group, and Member of Shropshire LAF, plans to create a long distance bridleway extension to the existing Jack Mytton Way bridleway see:

<http://www.shropshireriding.co.uk/featured-route.htm>

for details of the Jack Mytton Way

Other local Parish Paths Partnership Groups, the Shropshire Riding & Carriage Driving Groups and the Local Access Forum support this proposal, and it is in accordance with the needs identified in the Countryside Access Strategy for Shropshire 2008-2018.

The route which will form part of the 'Ride Shropshire' network will use existing bridleways to create the main route and circular rides off, one of which includes a public bridleway recently dedicated by three local landowners. The route has parking, pubs, village shops and equestrian and other businesses etc. on and near the routes, and it links rural communities and Shropshire Council Parks and Countryside sites.

'Wild' Humphrey Kynaston, was the 'Robin Hood' of Shropshire and the route connects places relevant to his history and other places of interest.

The work required will be:

- Some grounds works and improvements to furniture
- Bespoke signposting and waymarking
- Producing and printing guide leaflets
- Adding downloadable routes and maps to the existing riding website

[www.shropshireriding.co.uk](http://www.shropshireriding.co.uk) .

There is also scope for the routes to be improved/added to in the future.

The work will be carried out by local contractors with the guidance of the Access Development Officer from Shropshire Council.

The project has been developed in partnership with Shropshire Council.

## Section 3 : How did you hear about P4C?

From the Shropshire Local Access Forum
