Summary

- i) To consider granting a dispensation to Councillors Keith Barrow and Mike Owen who have disclosable pecuniary interests in matters concerning IP&E Trading as the Councils appointed Directors of IP&E Trading Ltd.
- ii) To consider granting a dispensation to Councillor Mrs Joyce Barrow, who has a disclosable pecuniary interest in matters concerning IP&E Trading as her husband is one of the Councils appointed Directors of IP&E Trading Ltd.

Recommendations

- A. That, in accordance with section 33(1) of the Localism Act ("the Act"), the Committee grants a dispensation from Section 31(4) of the Act 2011 to Councillors Keith Barrow and Mike Owen to participate in the discussion and to vote on matters which relate to IP&E Trading Ltd at meetings of Shropshire Council (including cabinet and any other formal decision making committees) on the grounds that it is in the interests of persons living in the Councils area.
- B. That, in accordance with section 33(1) of the Localism Act ("the Act"), the Committee grants a dispensation from Section 31(4) of the Act 2011 to Councillor Mrs Joyce Barrow to participate in the discussion and to vote on matters which relate to IP&E Trading Ltd at meetings of Shropshire Council (including cabinet and any other formal decision making committees) on the grounds that it is otherwise appropriate to grant the dispensation.
- C. That the dispensation granted in A and B above last for a period until 04 May 2017 or such time as the disclosable pecuniary interest no longer applies, whichever is sooner.

Report

- 1 The Localism Act 2011 (S31(4)) requires that a member with a disclosable pecuniary interest in any matter discussed at a meeting may not participate in the discussion or voting on the matter. The Shropshire Council code of conduct requires also that a member with a disclosable pecuniary interest must withdraw from the room or chamber where the matter is being considered.
2. S33 of the Act sets out the circumstances in which dispensations may be granted to members with disclosable pecuniary interests as follows:

“A relevant authority may grant a dispensation under this section only if, after having had regard to all relevant circumstances, the authority—

 - (a) considers that without the dispensation the number of persons prohibited by section 31(4) from participating in any particular business would be so great a proportion of the body transacting the business as to impede the transaction of the business,
 - (b) considers that without the dispensation the representation of different political groups on the body transacting any particular business would be so upset as to alter the likely outcome of any vote relating to the business,
 - (c) considers that granting the dispensation is in the interests of persons living in the authority's area,
 - (d) if it is an authority to which Part 1A of the Local Government Act 2000 applies and is operating executive arrangements, considers that without the dispensation each member of the authority's executive would be prohibited by section 31(4) from participating in any particular business to be transacted by the authority's executive, or
 - (e) considers that it is otherwise appropriate to grant a dispensation.”
3. The Act also states that a member must submit a written request for a dispensation explaining why the dispensation is desirable. The Standards Committee has authority to decide if it is appropriate to grant the dispensation.
4. Written requests have been received from Councillors Barrow, Mrs Barrow, and Owen.
5. It may be considered to be in the interests of the people who live in the authorities area to grant the dispensation to the Councillors who are the Directors of this wholly Council owned company as without it, they will be prevented from reporting to the Council with regard to the performance of the company and from being involved in making decisions about the company which are in the interests of the Council.

6. It may be considered appropriate to grant a dispensation to Councillor Mrs Barrow as it is her husband's position with IP&E Trading which gives rise to her Disclosable Pecuniary Interest and it would not be appropriate that she be prevented from taking part and voting on matters which relate to IP&E Trading Ltd in the event that a dispensation is granted to her husband
7. In accordance with Paragraph 33(1) of the Localism Act 2011 a dispensation can be granted to participate and vote in all matters considered at meetings of the Council, (including cabinet and any other formal decision making committees) which affect IP&E Trading Ltd
8. Any dispensation granted cannot cover participation in respect of the relevant business after four years from the date of dispensation.
9. The Committee needs to consider whether Councillors Barrow, Mrs Barrow, and Owen should be granted a dispensation.
10. In reaching decisions on each applicant, the Committee needs to have in mind the circumstances and nature of the item of business to be considered and the public interest in having their views represented.
