### 1.0 Summary

1.1 This paper presents the People Overview Committee's draft work programme for the 2022-2023 municipal year.

### 2.0 Recommendations

2.1 Committee members to:

- agree the proposed committee work programme attached as **appendix 1**
- suggest changes to the committee work programme and
- recommend other topics to consider.

### 3.0 Background

3.1 The work programme provides the opportunity for the committee to plan its work for the next twelve months. In planning its work, it should aim to produce a programme that features a combination of:

- scrutiny of council priorities, through its corporate plan (The Shropshire Plan)
- forthcoming policy proposals, as listed in the Forward Plan and from discussions with officers and administration members.
- community priorities that the public bring to the attention of elected members.
- priorities for action resulting from the council's financial and capital strategies.
- the work of our partners, for example the Marches Local Enterprise partnership or
- following up on previous recommendations from the committee.

3.2 In addition to the above, the council's financial strategy task and finish group last year considered the council's financial strategy for children's services. The group has forwarded the following topics to the People Overview Committee to consider as priorities for its work programme:

- Investment in early help programmes
- Social worker training and recruitment
- The Stepping Stones project

- Council-owned and managed residential care provision

3.3 Shropshire Council’s overarching corporate plan, The Shropshire Plan, is currently in draft stage and has yet to be approved by Council. The Plan, when approved, will contain:

- Corporate priorities which the People directorate will be responsible for delivering;
- Plans and policies which together will deliver the priorities of the corporate plan; and
- A suite of performance management information that will allow elected members to scrutinise both the delivery of plans and policies, but also to determine whether those plans and policies had resulted in the expected change in performance.

3.4 To assist in identifying potential topics for future work, particularly with regard to pre-decision scrutiny (overview), Shropshire Council’s Forward Plan of Key Decisions is attached as **Appendix 2**.

#### 4.0 Next steps

4.1 Officers will present a refreshed work programme at each committee meeting. In addition, the committee will meet informally between committee meetings to discuss which topics they wish to scrutinise at future meetings.
