The Plan is updated each month and regularly amended and at least 28 clear days before a key decision is to be taken and is available from Council Offices, libraries and on the Council's Internet site (www.shropshire.gov.uk). Annual Scrutiny Work Programme

The use of a template has helped to focus the activity of Task and Finish groups, and is probably one reason why they have been so successful in probing specific issues over the life of the last council.

We would like to introduce something similar for Scrutiny so that Members have a better opportunity not only to suggest topics, but also understand why other members may be bringing forward their suggestions. The standardisation will also help to assess the relative merits of the topics brought forward and make prioritising and choosing between possibly competing topics easier and more transparent – because it will be a more objective process.

This template sets out the key features of topics for the Scrutiny Work Programme. Members proposing topics should be able to set out why the topic should be included in the work programme – and be able to indicate what the ‘Expected benefits/Outcomes’ will be.

If they have some ideas on the approach they believe should be used, who they would like to hear from in the work, and the types of evidence they want to receive they can also include this information. However this is not as essential because these elements of the work programme can be worked up with support from relevant officers once the topic has been agreed for inclusion by the Scrutiny Committee and the Scrutiny Chairs.

Timescales for completion and inclusion in the schedule of Scrutiny Committee meetings will also be confirmed when the approach that will be used to undertake the work and any more detailed Terms of Reference [and Project Plan e.g. for Task and Finish group Work] have been agreed.

Evaluating the proposed topics

The following criteria should be used by the Scrutiny Committee and will be used the Scrutiny Chairs to support their evaluating and prioritising each proposed topic for the Scrutiny Committee work programmes. With support from Officers the Scrutiny Chairs will co-ordinate topics that would fall within more than one Committee, identifying where joint working will take place or which Committee will take the lead.
