1. Summary

To consider an application for a new Premises Licence.

Premises: The Bakery, 2 Barber Street, Broseley, TF12 5NR

Shropshire Council being the authorised licensing authority for the above premises has received an application for a new premises licence.

The application has been accepted as a valid application and during the statutory consultation period relevant representations were made. The application is therefore required to be determined by way of a hearing of the Licensing Sub-Committee.

In determining the application the licensing authority must give appropriate weight to:

- The steps that are necessary to promote the licensing objectives;
- The representations (including supporting information) presented by all parties;
- Guidance issued under Section 182 of the Licensing Act 2003;
- Shropshire Council's Licensing Policy.

After considering all the relevant issues the licensing authority may grant the application in full or in part, subject to such conditions that are deemed necessary and appropriate. Any conditions imposed must be appropriate for the promotion of the licensing objectives.

Alternatively the application can be refused if it is considered appropriate for the promotion of the licensing objectives.

Following a hearing, the licensing authority should give its decision and provide reasons to support it. This will be important if there is an appeal by any of the parties.

All parties are required to be notified of a decision and that decision should be accompanied by information on the right of the party to appeal.

2. Recommendations

That the Sub-Committee determines the application in accordance with the Statutory Guidance issued under s182 of the Licensing Act 2003, the Council's Statement of Licensing Policy, the information contained within this report, supporting documentation and having had due regard to the applicant and the parties/authorised bodies making relevant representations.

That the Sub-Committee determines the application in accordance with the options in paragraph 9.

That the Sub-Committee provides the reasons for its decision.

Opening Hours

Those concerns primarily relate to the nuisance that might be caused to local residents if a licence was to be granted in terms of increased noise, the potential for increased levels of crime and anti-social behaviour in the vicinity as a result of another licensed premises and the potential increase of parked cars and traffic on local streets.

8.3 The applicants wish to proceed with the application as originally submitted, the representations have not been withdrawn.

 - To grant the licence but restrict the licensable activities
 - To grant the licence with restricted times
- 9.2 If the application is to be granted in line with the submitted operating schedule then conditions detailed in paragraph 6.2 of this report would need to be included in the licence, if deemed necessary and appropriate, with an appropriate decision.
