1.0 Summary

1.1 This paper presents the Place Overview Committee's proposed work programme for the 2022-2023 municipal year.

2.0 Recommendations

2.1 Committee members to:

- agree the proposed committee work programme attached as **appendix 1**
- suggest changes to the committee work programme and
- recommend other topics to consider.

3.0 Background

3.1 The work programme provides the opportunity for the committee to plan its work for the next twelve months. In planning its work, it should aim to produce a programme that features a combination of:

- scrutiny of council priorities, through its corporate plan (The Shropshire Plan)
- forthcoming policy proposals, as listed in the Forward Plan and from discussions with officers and administration members.
- community priorities that the public bring to the attention of elected members.
- priorities for action resulting from the council's financial and capital strategies.
- the work of our partners, for example the Marches Local Enterprise partnership or
- following up on previous recommendations from the committee.

3.2 Marches LEP

The Marches Local Enterprise Partnership is required by legislation to attend scrutiny annually. This committee has considered the work of the partnership previously, though to do so again would require reconfiguring the work programme. Members could hold an additional meeting or could choose to prioritise this work over other topics for consideration.

3.3 Update from Cabinet

The chair of this committee recently attended Cabinet to remind portfolio holders of their commitment to respond to recommendations from its 2019 review of policy around signs, banners, and pavement permits. Cabinet will instruct the relevant officers to respond to Cabinet shortly.

3.4 Shropshire Council's Forward Plan of Key Decisions is attached as **appendix 2**.

4.0 Next steps

4.1 Officers will present a refreshed work programme at each committee meeting. In addition the committee will meet informally between committee meetings to discuss which topics they wish to scrutinise at future meetings.
