#### 1. Summary

1.1 Please find in Appendix A the final Children, Young People and Families Plan 2014.

1.2 This plan is a refresh of the previous Children and Young People's Plan and continues to highlight our four key outcome areas in Shropshire:

1. Ensuring all children and young people are safe and well looked after in a supportive environment
2. Narrowing the achievement gaps in education and work
3. Ensuring the emotional wellbeing of children and young people by focusing on prevention and early identification
4. Keeping more children healthy and reducing inequalities

1.3 In order to deliver on these outcomes consultation and engagement exercises with practitioners, children and young people and the voluntary and community sector has provided us with our key priorities:

- Family including hidden harm
- Transition planning and arrangements
- Emotional/ mental health and wellbeing
- Building communities

1.4 Currently the delivery plan is under development and the Children's Trust will track progress against our priorities.

1.5 As a partner of the Health and Wellbeing Board the Children's Trust will regularly report on progress against our delivery plan, particularly around children's emotional/ mental health and wellbeing to ensure planning and services are appropriately connected.

#### 2. Recommendation:

2.1 That the Board accept the Children, Young People and Families Plan for information and make any appropriate comment or discussion.
