

APPENDIX D: Annual Place Plan Review 2013-2014 – Summary of Development Related Infrastructure Needs

Albrighton

Infrastructure Requirement	Level of Priority	Delivery Partner(s)	Timing of Delivery	Potential Cost / Funds Secured	Potential Funding		Notes
					Wider Sources	Developer Contributions	
ALBRIGHTON TOWN AND PARISH							
HOUSING AND COHESIVE, SUSTAINABLE COMMUNITIES							
Affordable housing provision	PRIORITY	Shropshire Council, Homes and Communities Agency, Registered Providers	Ongoing	N/A	N/A	Section 106	Within Shropshire, it is the Council's aspiration that all developments contribute to a sustainable mix of dwelling types, sizes and tenures. This will be either through on-site provision or payment of a sum to be used for provision of affordable housing.
ECONOMIC INVESTMENT AND OPPORTUNITY							
Facilitation of ICT/broadband technologies	KEY	Shropshire Council, Private sector delivery partner, Town and Parish Councils		Initially £16.4 million. £8.2million secured from BDUK. £8.2 million secured from Shropshire Council.		CIL (Local)	The Connecting Shropshire aims to provide a minimum of 2 Mbps to all of Shropshire and as much superfast broadband as possible. The project will deliver to those communities that are not going to get either basic broadband or superfast broadband under the private sector rollout. This is a community priority for many towns, villages and rural areas of Shropshire.
SOCIAL AND COMMUNITY INFRASTRUCTURE							
Review of primary school places to ensure sufficient provision	PRIORITY	Shropshire Council	N/A	N/A	N/A	N/A	An updated assessment of the effect on primary school places locally has been made, based on estimated annual levels of housing with delivery spread evenly over the remaining plan period. This currently indicates that capacity will exist in the town overall to meet the demand. It should be noted that, should decisions on the future of Cosford result in a significant number of additional school age children, school place requirement will need to be revisited
Review of secondary school places to	PRIORITY	Shropshire Council	N/A	N/A	N/A	N/A	An updated assessment of the effect on school places locally has been made based

Infrastructure Requirement	Level of Priority	Delivery Partner(s)	Timing of Delivery	Potential Cost / Funds Secured	Potential Funding		Notes
					Wider Sources	Developer Contributions	
ensure sufficient provision							on proposed levels of development with delivery spread evenly over the Plan period. This currently suggests that capacity will exist to meet the demand in the town, with the displacement of out-of-area pupils over time. However, some accommodation may be required on a short-term basis whilst this trend evens out.
Provision of replacement GP Surgery	PRIORITY	NHS England, Through the Door to Healthy Living	2012-2015		NHS funding	CIL (Local)	GP surgery is a priority for replacement due to capacity/quality. Draft proposal has been submitted to the NHS for additional funding. Potential to integrate a healthy living centre type provision in any new health premises. The Council's Extended Schools Team has identified the potential for joint working between children's centres, healthy schools work at schools (HENRY- Health Exercise Nutrition for the Really Young) and other local and national health improvement needs and objectives to make best use of resources. Young parents in Cosford area have already expressed an interest in a Young Parents Group which could be accommodated at the surgery.
On-site open space provision and maintenance to meet site design requirements and standards.	PRIORITY	Developers, Shropshire Council	Dependent on development	N/A		On-site design, Section 106	On-site design standards are identified within the Open Space Interim Planning Guidance (IPG) (Jan 2012) and the Natural Environment Supplementary Planning Document (SPD) (to be completed).
Provision and maintenance of facilities and equipment for sport, recreation and leisure. This includes but is not limited to: <ul style="list-style-type: none"> Outdoor sports facilities. Recreational 	PRIORITY	Shropshire Council, Town and Parish Councils	Dependent on development	N/A	Sport England, Fields in Trust	Neighbourhood Fund, CIL (Local)	Provision to meet assessed need. The Playing Pitch Strategy (PPS) has identified that Albrighton should have at least one playing pitch. Albrighton has a playing pitch with community use however the PPS has identified that improvements are needed to the quality of this pitch. The Parish Council has identified the need to: <ul style="list-style-type: none"> Investigate the potential for shared use of community and sports amenities of

Replacement police sections station (only required if allocated development is delivered in this location)	KEY	West Mercia Police, Developers, Shropshire Council	5-10 years (dependent on level of development in SAMDev)	£3 million	From disposal of existing West Mercia Police station. Market value to be determined.		New sections station to be developed in conjunction with new housing development in Bridgnorth, which will be determined through the Site Allocations and Management of Development Document. West Mercia Police would dispose of existing site for residential use and put capital receipt generated towards cost of new station.
Review of primary school places to ensure sufficient provision	PRIORITY	Shropshire Council	N/A	N/A	N/A	N/A	An updated assessment of the effect on primary school places locally has been made based on proposed levels of development with delivery spread evenly over the remaining Plan period. This currently indicates that capacity will exist in the town overall to meet the demand. However, some funding may be required to bring existing pupil accommodation up to its full teaching capacity.
Review of secondary school places to ensure sufficient provision	PRIORITY	Shropshire Council	N/A	N/A	N/A	N/A	An updated assessment of the effect on secondary school places locally has been made based on proposed levels of development with delivery spread evenly over the remaining Plan period. This currently indicates that capacity will exist in the town overall to meet the demand.
Replacement leisure centre	KEY	Shropshire Council	Ongoing			Neighbourhood Fund, CIL (Local)	Provision of a swimming pool and sports hall. In general the current site needs to be assessed and updated. Opportunity to provide a larger sports hall facility i.e. 6/8 courts which could meet both curriculum and community needs and sports hall.
Indoor Sports facilities	KEY	Shropshire	Ongoing		Sport	Neighbourhood	The Indoor Facilities Strategy has

Infrastructure Requirement	Level of Priority	Delivery Partner(s)	Timing of Delivery	Potential Cost / Funds Secured	Potential Funding		Notes
					Wider Sources	Developer Contributions	
		Council, Sport England			England	Fund, CIL (Local)	recommended provision of indoor cricket facilities. The Indoor Facilities Strategy has recommended that there is potential to develop Bridgnorth Squash Club as a Performance Centre Sports facilities are to be designed to a minimum playing standard of 'fit for purpose' depending on the terminology of the various national governing sporting bodies and Sport England Guidance. The Bridgnorth Town Plan has highlighted that the community should have a greater role in the management of leisure facilities.
ENVIRONMENT AND CLIMATE CHANGE							
Sewerage network capacity	CRITICAL	Developers, Severn Trent Water	Dependent on development		Developers	N/A	Hydraulic modelling of the wastewater network is required in order to assess whether there is capacity within the network to meet development needs.
Assessment of local flood risk	PRIORITY	Shropshire Council, Environment Agency, Severn Trent Water	Ongoing	c£50,000	Flood Defence Grant in Aid	CIL (Local)	The Local Flood Risk Management Strategy has identified that a number of properties in Bridgnorth may be at risk of flooding.
Production of Operational Flood Response Plan	PRIORITY	Shropshire Council, Environment Agency, Severn Trent Water	Ongoing	£10,000		Section 106	In accordance with the Local Flood Risk Management Strategy the operational flood response plans, produced from condition surveys of the land drainage systems, will flag who is responsible for the maintenance of the systems which serve communities. The aim is to promote community awareness of these drainage systems such that communities can be more resilient.
Flood warning provision – installation of additional flood gauges	KEY	Environment Agency, Developers	Ongoing	£1,000 per dwelling Funding			Developer contribution / Environment Agency funding assumed.

LUDLOW TOWN AND PARISH							
HOUSING AND COHESIVE, SUSTAINABLE COMMUNITIES							
Affordable housing provision	PRIORITY	Shropshire Council, Homes and Communities Agency, Registered Providers	Ongoing	N/A	N/A	Section 106	Within Shropshire, it is the Council's aspiration that all developments contribute to a sustainable mix of dwelling types, sizes and tenures. This will be either through on-site provision or payment of a sum to be used for provision of affordable housing.
ECONOMIC INVESTMENT AND OPPORTUNITY							
Facilitation of ICT/broadband technologies	KEY	Shropshire Council, Private sector delivery partner, Town and Parish Councils		Initially £16.4 million. £8.2million secured from BDUK. £8.2 million secured from Shropshire Council.		CIL (Local)	The Connecting Shropshire aims to provide a minimum of 2 Mbps to all of Shropshire and as much superfast broadband as possible. The project will deliver to those communities that are not going to get either basic broadband or superfast broadband under the private sector rollout. This is a community priority for many towns, villages and rural areas of Shropshire.
Ludlow Eco Park Phase II employment land	KEY	NHS, Shropshire Council	Ongoing		£1million		Expansion of employment land and provision of new community hospital. The Town Council has identified that there is a need for public toilets at the Eco Park or an arrangement for the public to use toilets within the offices.
SOCIAL AND COMMUNITY INFRASTRUCTURE							
On-site open space provision and maintenance to meet site design requirements and standards.	PRIORITY	Developers, Shropshire Council	Dependent on development	N/A		On-site design, Section 106	See Place Plans for details of identified deficiencies and opportunities. On-site design standards are identified within the Open Space Interim Planning Guidance (IPG) (Jan 2012) and the Natural Environment Supplementary Planning Document (SPD) (to be completed).
Provision and maintenance of facilities and equipment for sport,	PRIORITY	Shropshire Council,	Dependent on development	N/A	Sport England,	Neighbourhood Fund,	Provision to meet assessed needs. The Town Council want to increase provision at Linney Park and Dinham. The Pre School

recreation and leisure. This includes but is not limited to: <ul style="list-style-type: none"> Outdoor sports facilities. Recreational facilities for children. Allotments. 		Town and Parish Councils			Fields in Trust	CIL (Local)	<p>Learning Alliance has identified the potential to include allotments for pre-school/family use as part of the Rockspring nursery 'Grow Cook and Share' project. Between 31 and 39 plots are suggested.</p> <p>The Town Council has identified the need for additional play provision in Ludlow, including the potential for 'trim parks' for the over 50s.</p> <p>South Shropshire Housing has identified a deficit in the play provision at Rocks Green housing development.</p> <p>The Playing Pitch Strategy has identified that Ludlow should have a minimum of 1 multi-pitch site providing for competition and training, with good quality on-site changing and toilet provision, appropriate for, and accessible to, all user types.</p>
Improvements of Ludlow Rugby Club	PRIORITY	Ludlow Rugby Club, Shropshire Council, Shrewsbury Town Council, Energize (Shropshire, Telford and Wrekin County Sports Partnership), Sport England			Sport England	Neighbourhood Fund, CIL (Local)	The Playing Pitch Strategy has identified that facilities need some improvements, but no specific improvements are identified.
ENVIRONMENT AND CLIMATE CHANGE							
Upgrade Ludlow wastewater treatment works	CRITICAL	Severn Trent Water			Severn Trent Water (AMP)	N/A	There is currently no hydraulic capacity at the works. However, given sufficient notice no problems are envisaged with providing the necessary capacity to support new development.
Sewerage network capacity	CRITICAL	Developers, Severn Trent Water	Dependent on development		Developers	N/A	Hydraulic modelling of the wastewater network is required to assess whether there is capacity within the network to meet development needs.

Assessment of local flood risk	PRIORITY	Shropshire Council, Environment Agency, Severn Trent Water	Ongoing	£80,000	Flood Defence Grant in Aid	On-site design Section 106 CIL (Local)	The Local Flood Risk Management Strategy has identified that a number of properties in Ludlow may be at risk of flooding.
Production of Operational Flood Response Plan	PRIORITY	Shropshire Council, Environment Agency, Severn Trent Water	Ongoing	£20,000		Section 106	In accordance with the Local Flood Risk Management Strategy the operational flood response plans, produced from condition surveys of the land drainage systems, will flag who is responsible for the maintenance of the systems which serve communities. The aim is to promote community awareness of these drainage systems such that communities can be more resilient.
Review of primary school places to ensure sufficient provision	PRIORITY	Shropshire Council	2019-2026	£600,000		CIL (Local)	An updated assessment of the effect on primary school places locally has been made based on proposed levels of development with delivery spread evenly over the remaining Plan period. This indicates that consideration will need to be given to the provision of extra primary school places during this time span. Total requirement to 2026 based on current anticipated year-on-year housing yield, but dependent upon developers' actual timescales. School place provision will need to be made during the latter part of the plan period from 2019 to 2026.
Review of secondary school places to ensure sufficient provision.	PRIORITY	Shropshire Council	N/A	N/A	N/A	N/A	An updated assessment of the effect on secondary school places locally has been made based on proposed levels of development with delivery spread evenly over the remaining Plan period. This currently indicates that capacity will exist in the town overall to meet the demand.
TRANSPORT AND ACCESSIBILITY							
Junction capacity, sustainability and safety improvements, where necessary, to facilitate specific development sites	CRITICAL	Shropshire Council				Section 106	To be determined as part of particular development proposals, as part of the planning application process

Review of primary school places to ensure sufficient provision	PRIORITY	Shropshire Council	2016-2026	£1.8 million (£600,000 academic year 2016/17; (£600,000 2017/18. The remaining cost of further school place provision will be incurred during the balance of the plan period from 2019 to 2026).	LA Capital Programme	CIL (Local)	An updated assessment of the effect on primary school places locally has been made based on proposed levels of development with delivery spread evenly over the remaining Plan period. This currently indicates that consideration will need to be given to the provision of extra primary school places during this time span. Total requirement to 2026 based on current anticipated year-on-year housing yield, but dependent upon developers' actual timescales: 2no. classbases academic year 2016/17; 2no. 2017/18. Further school place provision will need to be made during the balance of the plan period from 2019 to 2026.
Review of secondary school places to ensure sufficient provision.	PRIORITY	Shropshire Council	N/A	N/A	N/A	N/A	An updated assessment of the effect on secondary school places locally has been made based on proposed levels of development with delivery spread evenly over the remaining Plan period. Whilst this indicates that additional pressure will be placed on the school's current capacity, it is anticipated that the additional in-area children will displace a historic out-of-area trend on the school roll. Thus, it is considered that, longer-term, additional places will not be required, however, shorter-term provision may need to be made whilst out-of-area children make their way through the school.
Additional GP surgery	CRITICAL	GPs, CCG, LAT, Third party developers			Developers, GPs, NHS England	Neighbourhood Fund, CIL (Local)	Identified community priority. Identified as highest community priority due to urgent issues with the existing facility.

							and where necessary, quantity. The Indoor Facilities Strategy has recommended new changing pavilions at Shifnal Cricket Club. The Indoor Facilities Strategy has identified the need for Shifnal School to have a refurbished sports hall with indoor nets for cricket.
ENVIRONMENT AND CLIMATE CHANGE							
Sewerage network capacity	CRITICAL	Developers, Severn Trent Water	Dependent on development		Developers	N/A	There is a lot of planned development to the East of Shifnal. Although on a site by site basis there should not be any major capacity problems, the cumulative impact flows from all the sites could severely affect the capacity of the system. Hydraulic modelling is therefore required for all planned sites in combination (rather than site by site) so the true extent of any impact can be ascertained. Flows gravitate south through Shifnal to a 225mm diameter pumped rising main, which pumps to the treatment works. This will have to be assessed for the extra flows to ascertain any detrimental impact.
Investigate and enhance outfall arrangements at Silvermere Pool	PRIORITY	Shropshire Council, Shifnal Flood Action Group	Ongoing	£100,000		Section 106 CIL (Local)	The outlet that drains this natural pond of Silvermere is believed to have collapsed somewhere below the 1970s housing estate. The blocked outlet on Silvermere Pool, whilst not increasing flood risk to residential property due to the overflow culvert, has resulted in raised water levels. Investigation and, if necessary, construction of a solution is required. This is also an identified community priority, as it is considered that resolution will support new development coming forward.
Production of Operational Flood Response Plan	PRIORITY	Shropshire Council, Environment Agency, Severn Trent	Ongoing	£10,000		Section 106	In accordance with the Local Flood Risk Management Strategy the operational flood response plans, produced from condition surveys of the land drainage systems, will flag who is responsible for the maintenance of the

							provision will be incurred during the balance of the plan period from 2019 to 2026).
Provision of an additional primary school in the western part of Shrewsbury	PRIORITY	Shropshire Council	2017-2026	£3.5 million	LA Capital Programme	CIL (Local)	An updated assessment of the effect on primary school places locally has been made based on proposed levels of development, including the Shrewsbury West SUE and Bowbrook developments. This indicates that a new school will be required in the west of the town, in the light of the lack of any capacity to cater for the forecast increase in pupil numbers in the area. Requirement to 2026 based on current anticipated year-on-year housing yield, but dependent upon developers' actual timescales: School place provision will need to be made during the later part of the plan period from 2019 to 2026 A site held specifically for this purpose already exists within Council ownership at Shorncliffe Drive. This option must be available for consideration of the provision of a new primary school if the LA is to meet its obligations in terms of sufficient school places in the area.
Review of existing primary school provision in the west of the town to ensure sufficient provision.	PRIORITY	Shropshire Council	2019-2026	£600,000	LA Capital Programme	CIL (Local)	An updated assessment of the effect on primary school places locally has been made. This has been based on proposed levels of development in the area excluding the Shrewsbury West SUE and Bowbrook, with delivery spread evenly over the Plan period. It indicates that consideration will need to be given to the provision of additional primary school places within the plan period. Requirement to 2026 based on current anticipated year-on-year housing yield, but dependent upon developers' actual timescales: School place provision will need to be made during the later part of the plan period from 2019 to 2026.
Provision of additional primary school places in the central and	PRIORITY	Shropshire Council	2019-2026	£600,000	LA Capital Programme	CIL (Local)	An updated assessment of the effect on primary school places locally has been made based on the proposed level of development

CHURCH PULVERBATCH							
HOUSING AND COHESIVE, SUSTAINABLE COMMUNITIES							
Affordable housing provision	PRIORITY	Shropshire Council, Homes and Communities Agency, Registered Providers	Ongoing	N/A	N/A	Section 106	Within Shropshire, it is the Council's aspiration that all developments contribute to a sustainable mix of dwelling types, sizes and tenures. This will be either through on-site provision or payment of a sum to be used for provision of affordable housing. Condover Parish Council has identified a need for affordable private sector housing within the parish which can provide starter homes and retirement homes for local people. Identified within the Pulverbatch Parish Action Plan.
ECONOMIC INVESTMENT AND OPPORTUNITY							
Facilitation of ICT/broadband technologies	KEY	Shropshire Council, Private sector delivery partner, Town and Parish Councils	Ongoing	Initially £16.4 million. £8.2million secured from BDUK. £8.2 million secured from Shropshire Council.		CIL (Local)	The Connecting Shropshire aims to provide a minimum of 2 Mbps to all of Shropshire and as much superfast broadband as possible. The project will deliver to those communities that are not going to get either basic broadband or superfast broadband under the private sector rollout. This is a community priority for many towns, villages and rural areas of Shropshire. Identified within the Pulverbatch Parish Action Plan – particularly to encourage businesses, and tourism.
SOCIAL AND COMMUNITY INFRASTRUCTURE

Provision of a joint community medical centre.	KEY	NHS England, Shropshire Council, Whitchurch Town Council			NHS England	Neighbourhood Fund, CIL (Local)	Whitchurch Town Council supports the provision of a joint community centre for all GP's to work within.
ENVIRONMENT AND CLIMATE CHANGE							
Electricity upgrades to reinforce supply at Whitchurch	CRITICAL	Scottish Power Manweb	2010-2015	c£4.4 million Funding Secured: £0	Scottish Power's capital programme, Regional Growth Fund		There is limited capacity within Whitchurch electricity supply and upgrades will be required to accommodate additional growth. Scottish Power whilst recognising the issue, do not currently have any upgrade schemes planned within their current Investment Plan. The upgrades are also required to support the expansion of Whitchurch Business Park in Economic Investment and Opportunity section above. As well as this, The Town Council would like to encourage the investigation of alternative renewable energy including photovoltaic cells and anaerobic digestion.
Upgrade Whitchurch wastewater treatment works	CRITICAL	Severn Trent Water	2020-2025		Severn Trent Water (AMP7)	N/A	Whilst there is hydraulic capacity at present, there may be a need for investment to increase capacity in the 2020-2025 AMP period.
Sewerage network capacity	CRITICAL	Developers, Welsh Water	Dependent on development		Developers	N/A	Due to large scale of development, it is unlikely that sufficient capacity exists within the sewerage network. Hydraulic modelling of the wastewater network is required to assess whether there is capacity within the network to meet development needs.
Assessment of local flood risk	PRIORITY	Shropshire Council, Environment Agency, Severn Trent Water	Ongoing	£50,000	Flood Defence Grant in Aid	CIL (Local)	The Local Flood Risk Management Strategy has identified that a number of properties in Whitchurch may be at risk of flooding.
