823	Much Wenlock	Buildwas Parish Council	Ironbridge Power Station strategic site	Ironbridge Power station former site is outlined in the Shropshire Development plan as a strategic project site. It is a 14 hectare site of the former power station. The full infrastructure requirements will be identified through a master plan exercise but are likely to include land for around 1000 dwellings, 6 hectares of employment land, a village centre and shops and contributions to education provision and a medical centre, as well as improvements to the strategic and local highways network, walking and cycling infrastructure and maintenance of existing playing field and recreational buildings.	Economic opportunities	Priority A	Estimated costs		£1,000,001 +	Developer	1 - 5 years
1397	Much Wenlock	Much Wenlock Place Plan Area Wide Project	Health related infrastructure	Health related infrastructure to enhance capacity at existing facilities and delivering new facilities, where necessary, to support the needs of new development.	Health	Priority A	No			Health organisation	1 - 5 years
1937	Much Wenlock	Much Wenlock Place Plan Area Wide Project	Project Gigabit Broadband infrastructure project Much Wenlock	Project Gigabit is a follow up programme to the Superfast Broadband programme. Previous broadband infrastructure procurement was undertaken by Shropshire Council but Building Digital UK (BDUK) is now responsible for procurement, contracts and supplier management. ESN has been committed to Project Gigabit by Government which aims to provide at least 85% of UK premises with access to a gigabit capable broadband (1,000 megabits per sec) network by 2025 (and nationwide coverage by 2030) Project Gigabit is currently active in the Shropshire Council area.	Economic opportunities	Priority A	Estimated costs		£1,000,001 +	Infrastructure Provider	1 - 5 years
1955	Much Wenlock	Much Wenlock Place Plan Area Wide Project	Shared Rural Network mobile network coverage Much Wenlock Place plan area	The Shared Rural Network (SRN) is a world-leading £1 billion Government deal with the UK's four Mobile Network Operators (MNOs) EE, O2, Three and Vodafone, that will see both public and private investment in a network of new and existing phone masts closing not-spots and levelling up connectivity across every corner of the UK. Shared Rural network (srn.org.uk)	Economic opportunities	Priority A	Estimated costs		£1,000,001 +	Infrastructure Provider	1 - 5 years
202	Much Wenlock	Much Wenlock Town Council	New swimming pool cover at Much Wenlock Leisure Centre	Installing a new pool cover to improve the energy efficiency at Much Wenlock swimming pool.	Community infrastructure	Priority B	Yes, detailed costings	17000		Educational Body	Within the next 6 months
203	Much Wenlock	Buildwas Parish Council	Ironbridge Power Station replacement sports pitches	To provide new football and cricket provision on the site alongside ancillary facilities following the closure of the power station.	Community infrastructure	Priority B	No			Shropshire Council	6 - 10 years
208	Much Wenlock	Much Wenlock Town Council	Decarbonisation project at Much Wenlock Sports Centre	Feasibility study to review energy usage with a view of reducing carbon footprint with the leisure centre. Phase two to implement recommendations	Community infrastructure	Priority B	No			Shropshire Council	Within the next 6 months
226	Much Wenlock	Much Wenlock Town Council	Traffic calming measures and enhanced access from development off Callaughton Lane, Much Wenlock	Traffic calming measures including moving 30mph speed limit signs on Callaughton Lane	Transport and Accessibility	Priority B	Estimated costs		£5001 - £30,000	Shropshire Council	1 - 5 years
