Dear Clive

## Planned audit fee for 2015/16

Before it closed on 31 March 2015, the Audit Commission was asked to set the scale fees for audits for 2015/16. The Commission published its work programme and scales of fees for 2015/16 at the end of March 2015. In this letter we set out details of the audit fee for the Council along with the scope and timing of our work and details of our team.

### Scale fee

The Audit Commission defines the scale audit fee as “the fee required by auditors to carry out the work necessary to meet their statutory responsibilities in accordance with the Code of Audit Practice. It represents the best estimate of the fee required to complete an audit where the audited body has no significant audit risks and it has in place a sound control environment that ensures the auditor is provided with complete and materially accurate financial statements with supporting working papers within agreed timeframes.”

The Council's scale fee for 2015/16 has been set by the Audit Commission at £133,845, which compares to the audit fee of £177,390 for 2014/15. The reduction in fees has been enabled by the procurement exercises run by the Commission across both the Local Government and Health sectors.

After the Commission's closure, the 2015/16 work programme and fees will be accessible from the archived Audit Commission website from the National Archives [http://webarchive.nationalarchives.gov.uk/\\*/http://www.audit-commission.gov.uk/](http://webarchive.nationalarchives.gov.uk/*/http://www.audit-commission.gov.uk/) and on the Public Sector Audit Appointments PSAA website [psaa.co.uk](http://psaa.co.uk)

The audit planning process for 2015/16, including the risk assessment, will continue as the year progresses and fees will be reviewed and updated as necessary as our work progresses.

### Scope of the audit fee

The scale fee covers:

- our audit of your financial statements
- our work to reach a conclusion on the economy, efficiency and effectiveness in your use of resources (the value for money conclusion)
- our work on your whole of government accounts return.

### **Value for Money conclusion**

Under the Audit Commission Act, we must be satisfied that the Council has adequate arrangements in place to secure economy, efficiency and effectiveness in its use of resources, focusing on the arrangements for:

- securing financial resilience; and
- prioritising resources within tighter budgets.

We undertake a risk assessment to identify any significant risks which we will need to address before reaching our value for money conclusion. We will assess the Council's financial resilience as part of our work on the VfM conclusion and provide feedback in our Audit Findings Report.

### **Certification of grant claims and returns**

The Council's indicative grant certification fee has been set by the Audit Commission at £13,945.

### **Pension Fund audit**
