If in the opinion of the Council such substantial payments appear excessive in relation to the requirements of the Contract the Council reserves, without prejudice to any other right to reject any Tender it may have, the right to require the Tenderer to spread such proportion of the costs as are considered excessive over the duration of the Contract.

Quality Questions/ Scoring Scheme

Questions within the quality sections shown above will be scored using the following scoring scheme. Each answer from the questions identified below will be given a mark between 0 and 10 with the following meanings:

Assessment	Mark	Interpretation
Excellent	10	<i>Exceeds the requirement. Exceptional demonstration by the Tenderer of how they will meet this requirement by their allocation of skills and understanding, resources and quality measures. Response identifies factors that demonstrate added value, with evidence to support the response.</i>

	9	
Good	8	<i>Satisfies the requirement with minor additional benefits Above average demonstration by the Tenderer of how they will meet this requirement by their allocation of skills and understanding, resources and quality measures. Response identifies factors that demonstrate added value, with evidence to support the response.</i>
	7	
Acceptable	6	<i>Satisfies the requirement. Demonstration by the Tenderer of how they will meet this requirement by their allocation of skills and understanding, resources and quality measures, with evidence to support the response.</i>
	5	
Minor Reservations	4	<i>Satisfies the requirement with minor reservations Some minor reservations regarding how the Tenderer will meet this requirement by their allocation of skills and understanding, resources and quality measures, with limited evidence to support the response.</i>
	3	
Serious Reservations	2	<i>Satisfies the requirement with major reservations. Considerable reservations regarding how the Tenderer will meet this requirement by their allocation of skills and understanding, resources and quality measures, with little or no evidence to support the response.</i>
	1	
Unacceptable	0	<i>Does not meet the requirement Does not comply and/or insufficient information provided to demonstrate how the Tenderer will meet this requirement by their allocation of skills and understanding, resources and quality measures, with little or no evidence to support the response.</i>

The use of odd numbers indicates an answer's allocated mark lies between definitions.

The tender receiving the highest mark for quality overall will receive the full % available for quality. Other tenders will receive a % that reflects the difference in the marks between those tenders and the tender receiving the highest mark for quality.

Price Evaluation and scoring

The most competitively priced tender will receive the maximum mark for price being 600. Less competitive tenders will receive a % of the maximum mark that represents the difference in cost between that tender and the most competitively priced tender.

Price will be evaluated by using the cost per pack tendered in Section H, question 1.1 'Pricing Schedule' multiplied by the approximate annual usage (based on the usage information contained in the pricing schedule) and totalled to give an overall basket cost:

(Please note that the figures are based on current usage and the Council cannot guarantee numbers for future work).
