What happens to my rubbish

- Over 95% of domestic rubbish (non recyclable) is sent for energy recovery at the Battlefield Energy Recovery Facility in Shrewsbury.
- The plant is operational 24hrs a day.
- Produces enough energy to power 10,000 homes.
- Emissions data is available here: [Battlefield Emissions To Air Data | Veolia Shropshire](#)

Reduce and Reuse

Recycle week 2021

20th -26th September 2021

Themes are about making the link between recycling and our impact on the world.

We save 18 million tonnes of CO2 a year by recycling, the same environmental impact as taking 12 million cars off the road.
