

Sensory Support Services

Sensory Support Services provides support to adults living with Sight Loss, Hearing Loss and Dual Sensory Loss.

Specialist Equipment for Hearing Loss:

We can demonstrate and offer advice about specialist equipment designed to overcome some of the difficulties experienced by someone with hearing loss, such as:

- Television and radio
- Doorbells
- Smoke Alarms
- Telephones
- Conversation

Specialist Equipment for Sight Loss:

We can demonstrate and offer advice about specialist equipment to assist with daily living, including:

- Portable and desktop magnifiers
- Making computers, tablets and mobile phones accessible, including Apps
- Lighting
- Kitchen equipment, including talking jugs, scales and clocks, liquid level indicators

Rehabilitation:

Our Rehabilitation Officer can offer advice, support and skills training relating to your sight loss to enable you to live as independent a life as possible, including:

- Tips, techniques, and training in all aspects of daily living
- Mobility in and outside of the home
- Training and therapy to help with reading

Registration:

If you have been issued with a Certificate of Visual Impairment (CVI), you can register with us to receive access to certain services and benefits.

If you have been diagnosed with a hearing loss or as deaf by a consultant audiologist, you can register with us, and you will be offered support, advice and information. Registration is optional and you will still be entitled to support whether you have registered with us or not.

For information regarding the benefits of registration please visit our website.
