We hope this will help families with their work commitments, and will provide, (as last year) a stimulating and enjoyable programme of arts and crafts, sport and visits to museums parks etc. We aim to

have three morning sessions per week. Iryna Ivanic, who will lead these sessions is consulting with parents on what would be the best days for your children to attend. Also if parents would like their children to attend but would struggle with transport please contact Peter Higgins who may be able to provide a volunteer to help (Peters contact details are above in section 1)

Please contact me if you are interested in finding out more.

3) Moving to Independent Living? Help is available

We have lots of help available to support Ukrainians who are in the process of moving from a host family to their own home. This includes:

- Liaison with host families and guests on next steps, and liaising with support from Shropshire Council teams
- Providing a written reference that can be forwarded to the letting agent/home owner
- Liaising with letting agents on behalf of the Ukrainian family
- Having a large stock of household items including furniture and kitchen/bathroom/bedding etc . Some of this can be seen in storage just outside of Ludlow.
- Help on the moving date, with transport etc
- Sourcing items of furniture/white goods

Please let me know if you would like your email address removing from the mailing list.
