

ALBRIGHTON AREA LJC – 2011/12 - SUMMARY OF GRANT APPLICATIONS

Applications for consideration at 18th May 2011 from the Large Grant budget of £14,640					
No.	Project Title / Organisation	Summary	Amount Requested	Recommendation	Committee Decision
01	Albrighton & District Historical Society	<p><i>A project to produce a book of photographs showing Albrighton locations past and present.</i></p> <p>The purpose will be to use some of the approximately 1500 photographs that the Society holds to produce a booklet giving brief historic information and showing past and present locations for comparison.</p> <p>A previous book based on “100 years in Albrighton” was very popular and sold 800 copies and gave considerable history but with line drawings. This is still being used by local schools for background history.</p> <p>The final aim of the Society is to sell the book to cover some of the financial costs.</p> <p>The total cost is</p>	£300	That a grant of £250 be awarded.	
02	Albrighton Musical Theatre Company	<p><i>The production of “No No Nanette” musical.</i></p> <p>This project is to help towards the cost of producing the annual musical for the area. The company has members of all age groups including a youth company. There will be 4 performances this year with approx 100 people attending per night. This is the only opportunity of live theatre for this village and will include all members of the company taking part, young and old.</p> <p>The total cost is £8,500 and they are requesting funding of £2,000. They have confirmed grant from the PC of £2,500.</p>	£2000	That a grant of £750 be awarded.	
03	Albrighton & District Crime Prevention Panel	<p><i>To upgrade the two existing static cameras at 64 High Street and Meadow Road.</i></p> <p>The Panel wish to upgrade the two existing static</p>	£1000	That a grant of £1000 be awarded.	

		<p>cameras which currently have limited coverage with a dome camera to match the existing dome camera on the Spar Shop.</p> <p>All cameras would then have the automated patrol facility and would give much improved coverage to the whole area. It would link the coverage of this section of the High Street with the existing dome camera on the Spar Shop and would give improved coverage, clearer picture quality and provide more usable material.</p> <p>The total cost of the scheme is £13,000 and they are requesting funding of £1000. The balance is being met by grants from WM Police Authority, the local parish Councils and other granting bodies.</p>			
04	Albrighton Bowling Club	<p><i>This project is to provide help towards the cost of installation of an automatic irrigation system at the Bowls Club.</i></p> <p>At present the club relies upon using water directly connected to the mains to irrigate the green during dry spells throughout the summer. By installing an automatic irrigation system they will be able to minimise the use of water and use rain water collected in a storage tank.</p> <p>This is environmentally friendly and will ensure that the green is maintained at a lower cost. They currently have a 90 members ranging in age from 14 to 92 yrs of age.</p> <p>The total projects costs are £8,244 and they are requesting funding of £4,000 with the remaining costs being funded by their own contributions.</p>	£4000	That a grant of £3000 be awarded.	
05	Albrighton Skatepark Committee	<p>This project is make improvements to the existing skateboard park at Newhouse Lane, Albrighton.</p> <p>Currently there is an area of grass on each side of the skateboard pad. The project is to alter this to remove the grassed area and replace with concrete. These</p>	£2700	That a grant of £2700 be awarded.	

		<p>improvements will greatly increase the safety for the users and will also help to improve the appearance of the area which is important for the residents.</p> <p>The skateboard park is used by up to 20 children at a time and has been an excellent tool in keeping anti social behaviour at bay whilst giving the young people an area in which they can undertake this activity and meet up with the friends.</p> <p>A management group has been formed and has is now working hard with the young people to alleviate noise nuisance, litter etc. They are also looking at ways of ensuring that younger users are able to use the facility safely by identifying 11-12am on Saturdays as being for under 10's only.</p> <p>The total project costs are £3,200 and some funding has already been allocated from the Parish Council which leaves a balance of £2,700 that is being sought from this Committee.</p>
