23.3.10	<ul style="list-style-type: none"> Speed limits on Sandy Lane/ One Way System 	Feedback to January's questions	<ul style="list-style-type: none"> Council Policy is not to implement 20 mph limits except in Town Centre environments to deal with accident problem areas or in combination with a safer routes to school scheme. It was noted that Officers would be proposing reducing the limit to 40 mph to be consistent with Church Street speed limits. Mr Dannatt advised that the introduction of a one way system would not be supported by residents and it would not alleviate the problem of coaches using the route on occasion. Residents indicated that there were issues with Satellite Navigation Systems directing lorries down this road. They requested that signage be installed to advise drivers of the road restrictions.
23.3.10	<ul style="list-style-type: none"> Mere pay and display 	Feedback to January's questions	<ul style="list-style-type: none"> It was confirmed that the Countryside Team were investigating the replacement of this machine.

Questions from tables and residents	<ul style="list-style-type: none"> Hospital Parking – The meeting was informed that this was an issue being reviewed at Government level, but there was no information on future provision
23.3.10	<ul style="list-style-type: none"> Social housing for elderly people very important- are there any plans locally? 	Questions from tables and residents	Social Housing for Older People – The Council was in the process of developing an 'Extra Care' service, which would look at developing 400 adapted homes over the next 3 – 4 years, which would enable older and disabled people to live at home for longer. It was noted that the Council was focusing on 8 sites throughout the county and had identified 6 specific sites at this stage, which included a site in Ellesmere
23.3.10	<ul style="list-style-type: none"> Questions raised about social care surgery. Information points for health information. 	Questions from tables and residents	<ul style="list-style-type: none"> Local Social Care Surgery – Mr Chandler advised that he would take this suggestion back with him to consider and feedback a response to a future meeting.

23.3.10	<ul style="list-style-type: none"> Learning opportunities for older and elderly people in the area. 	Questions from tables and residents	<ul style="list-style-type: none"> Learning opportunities – Mr Chandler advised that he would contact the Assistant Director (Culture and Leisure) to discuss the options available for older people as well as specific to the Ellesmere area.
23.3.10	<ul style="list-style-type: none"> Really important to have just one contact number for help rather than lots of different ones particularly for those patients just leaving hospital. Also more follow up from the point of leaving hospital. 	Questions from tables and residents	<ul style="list-style-type: none"> Single contact number for help – It was noted that residents could contact the Council for help on 0345 678 9005 and the customer care team would put in them in touch with the most appropriate officer. Mr Cavalot advised that residents could contact the local office on 01691 677201 as a supplementary number to the main Council contact.
23.3.10	<ul style="list-style-type: none"> Concern raised about Alzheimer's and care/respite in the day. 	Questions from tables and residents	<ul style="list-style-type: none"> Assistance for carers – The Council recognised the part carers play in providing at home support and they understand that carers need support. 'Crossroads' provided short term respite, but there were provisions

23.3.10	<ul style="list-style-type: none"> Areas for potential funding- what about private sector capital. 	Questions from tables and residents	<ul style="list-style-type: none"> Capital deposit to enable housing development – Mr Chandler advised that this sort of scheme was dependent on national guidance, but may be something to look at in the future
23.3.10	<ul style="list-style-type: none"> Areas for potential funding- what about private sector capital. 	Questions from tables and residents	<ul style="list-style-type: none"> This are not directly in his field but would take back to link into transport team.
23.3.10	<ul style="list-style-type: none"> Rural bus links to Wrexham- lots of elderly people in the area would love to go shopping in Wrexham but too many connections to make. 	Questions from tables and residents	<ul style="list-style-type: none"> To be linked into transport team.
23.3.10	<p>PACT:-</p> <ul style="list-style-type: none"> Speeding on Dudleston Heath road a real problem. It was noted that even though the road had a speed limit of 30 mph leading into a 40 mph people were still speeding and overtaking through the village. Residents stated that the road was dangerous for pedestrians and horse riders as it was used frequently by large lorries and speeding vehicles. 20 mph limits are currently unenforceable due to current policies. Residents requested that this issue be taken back to senior police officers to see what could be done to address this issue. An issue was raised in respect of highways issues. A resident raised the issue of the Parking Survey carried out in Ellesmere stating that there was concern over the flawed findings. 	<ul style="list-style-type: none"> Resident of Dudleston Heath Resident of Ellesmere 	<ul style="list-style-type: none"> PC Crump stated that the issues raised would be looked into and progress reported back to the Committee CD to raise with Hugh Dannatt to follow up/ link in with review details.
