Quotation

Date 16-Dec-2009

Further to your recent enquiry, we are pleased to offer you the following quotation:

Specification: To manufacture and install a Roché Sun Awning:

Weinor K2000 Robust full cassette awning.

The aluminum casing ensures maximum protection for the fabric and the mechanical parts when the awning is closed.

Folding arms with steel chain link joint to ensure maximum strength and durability.

Front rail gutter ensures that any rainwater does not collect on the awning and is dispersed from either end. (when closed)

A water drain hole is incorporated into the centre of the bottom of the cassette so any water that gets in the awning when open can drain away.

A brush strip located in the top cover protects the inside of the cassette from residual water and dirt particles.

A wind lock safety device prevents the awning from being uplifted by surging winds.

Model	Quantity	Width mm	Projection mm	Price Each	Total
K2000	1	4000	3500	2850.00	£2,850.00
Total exclusive of VAT					£2,850.00

Please note that the above is subject to a full site visit
