Fax (01743) 252184

Summary

The report outlines the main issues highlighted at the Lets Talk 2008 meetings for the area now covered by the Meole, Column and Sutton Local Joint Committee.

Decisions Required

Members are asked to note the report.

REPORT

1. For a number of years Shropshire County Council held Lets Talk meetings across Shropshire on an annual basis. The aim of these meetings was to engage with local people on services within their locality, to identify issues and solutions.
2. Local Joint Committees are to be used for engaging with local people following the creation of Shropshire Council on 1 April 2009. These Committees will meet four times a year.
3. The issues raised at the Column and Sutton Lets Talks are shown in Appendix A and the issues raised in Meole Brace are highlighted in Appendix B. These appendices may be used as a basis for the workshop exercise to establish the current issues for the locality.

List of Background Papers (This MUST be completed for all reports, but does not include items containing exempt or confidential information)
