<b>3.</b>	<b>Welcome and Introductions</b>	
3.1	The Chairman, Alan Mosley, welcomed everyone to the meeting, which he explained this time would focus specifically on the areas of Sundorne and Battlefield.	
3.2	Malcolm Price, local member, commented that he was disappointed to see so few members of the public present, despite local press releases, an advert on Radio Shropshire and adverts in newsagents locally. However, he went on to give a brief explanation and background about the purpose and powers of the meeting. He commented that in future he hoped that public participation would increase and any ideas in making that happen were welcome. Local Joint Committees (LJC's) were the new Shropshire Council's way of working with local communities.	
<b>4.</b>	<b>Note of Meeting</b>	
4.1	The note of the previous meeting held on 7 January 2010, which spotlighted the Castlefields and Ditherington area, were approved as a correct record and duly signed by the Chairman.

4.3	<p>Arising;</p> <p>Local resident Mr Page commented that he was pleased to see the installation of litter bins on Sundorne Road. Officers confirmed that in relation to another issue raised by Mr Page at a previous meeting they had ascertained that the lighting at the Sports Village was on at the correct times. Mr Page disputed this as it was on over the Christmas period and on Bank Holidays and asked officers to look into this again.</p>	
<b>5.</b>	<b>Local Police Team PACT Meeting (Partners and Community Together)</b>	
5.1	PC Andrew Garner, West Mercia Police, introduced himself and his CSO colleague Julie Shephard from the Sundorne and Battlefield local policing team. 5.4	<p>An update was given on issues of concern raised by local residents previously:</p> <ul style="list-style-type: none"> <li>• Parking issues/problems at The Lantern; improvements had been made.</li> <li>• Response times of the local police to 'minor incidents' reported by residents – it was explained that all calls have to be graded and then prioritised accordingly. It was acknowledged that sometimes this wasn't always correct, but that any incorrect calls were learnt from.</li> </ul>	
5.5	<p>New issues of concern raised by local residents were;</p> <ul style="list-style-type: none"> <li>• Albert Road – cars parking half on the pavement and half off, meant that it was often difficult to walk along the pavement. Officers undertook to liaise with the Social Club on this.</li> <li>• Problems of cars parking outside the Sundorne Infant School, East Crescent on double yellow lines and sometimes on the zig-zag lines was hazardous.</li> </ul> <p>Following discussions, it was <b>agreed</b> that the above areas of concern should be the areas of priority to be addressed by local policing officers. An update will be given at the next meeting.</p>	<p><b>PC Garner</b></p> <p><b>PC Garner</b></p> <p><b>PC Garner</b></p>
5.5	<p>PC Garner was pleased to report that total crime in the area had fallen by 19.4% for the period Nov/Dec/Jan and anti social behaviour was down by 32%. He very much hoped this trend would continue and assured that he and his team would be working towards more improvements in future.</p>	
<b>6.</b>	<b>The Sundorne School and it's links with the Community</b>	
6.1	Mr Geoff Pettengell, Head of the Sundorne School and Sports College, gave a comprehensive presentation to the LJC about the school, its reputation, headline results, activities and community links.	
6.2	Sundorne was a warm, friendly and dynamic school that believes education is about exploring ideas, meeting challenges, achieving highly, learning self-discipline and preparing students for life after school. All students are given the opportunity to fulfil their potential and achieve their goals. Staff are highly professional, friendly, supportive and totally committed to giving students the best opportunities in life.	
6.3	Sundorne is very much an improving school and a popular community Sports College, committed to providing a caring and stimulating environment for young people between 11 and 16 years of age. It achieved its best ever GCSE results in 2009 and would be working on improving this result.	
6.4	<p>Community links were highlighted as follows;</p> <p>Provision of Adult Learning from the school  Police CSO's @ the Sports Village (early pm) using football to engage the more challenging youngsters  Primary school links  Senior Citizens Christmas Party  Macmillan Coffee Morning  Police surgery at the school 3x a week  Allotment Group  School's Radio Station</p>

<b>7.</b>	<b>Speed Limits and Major Roadwork's at Sundorne</b>	
7.1	Hugh Dannatt introduced an item on speed limits in the local area and the major roadwork's at Sundorne that were due to start from 12 April 2010.	<b>Hugh Dannatt/ PC Garner</b>
7.2	With the aid of a large plan he highlighted various roads in Shrewsbury where they were looking at reducing the speed limits. Details of accidents were plotted on the maps and this showed where accidents had occurred and the degree of their severity.	
7.3	Parking problems at the Lantern were raised again by residents and it was agreed that Hugh Dannatt would look at the Traffic Regulation orders and parking restrictions jointly with the local police to see if this area could be improved.	
7.4	As part of the major roadwork scheme at Sundorne Road, it was noted that this would include resurfacing along Featherbed Lane, which was in a poor state. This was a major programme of works designed to take the road back to a single carriageway at the traffic lights.	
7.5	<p>A question arose about the reinstatement of paths after utilities works had been carried out and the standards to which they should be.</p> <p>For any such queries or complaints, the public were urged to contact their local divisional manager or the Highway Maintenance Team via the Call Centre on <b>Tel: 0345 6789000</b></p>	
<b>8.</b>	<b>Matrix Medical Development</b>	
8.1	<p>Mary Herbert, Mount Pleasant Medical Centre, Practice Manager, gave a presentation to the meeting on the coming together of two separate medical practices onto the same site; namely the Mount Pleasant Medical Centre and the Albert Road Medical Centre to service over 15,000 patients. She stressed that this was NOT an amalgamation – the two practices would remain separate, but share the same building and facilities.</p> <p>In giving the background to this, Ms Herbert explained that since 2003 each practice had been seeking alternative premises due to outgrowing their current locations. It seemed sensible to share from an economic point of view and logistically. The project is being managed by 'Matrix Medical'. A new site just off Sundorne Road has been identified. This is central, has good transport links, and will be big enough to accommodate both practices.</p> <p>It was noted that the planning application has been submitted and that currently there were 2 objections. The anticipated completion date is end 2012, but may go into 2013, allowing for some slippage. All being well it was hoped to be on-site in July 2011 to commence works.</p>	

	<p>The new building will accommodate</p> <ul style="list-style-type: none"> <li>➤ The 2 separate medical practices</li> <li>➤ A Pharmacy</li> <li>➤ Adequate parking (160 parking spaces, 34 cycle spaces and 10 disability spaces)</li> <li>➤ Adequate disabled access</li> <li>➤ Phlebotomy services</li> <li>➤ Dental services</li> </ul> <p>It will be a one stop shop and provide closer links with community services</p> <p>There will also be common areas; a waiting area, a shared minor surgery suite and office accommodation.</p> <p>It was noted that Plans are available to view at both surgeries.</p>	
<b>9.</b>	<b>Councillor's Roundup</b>	
9.1	Dean Carroll was pleased to report that the completion date for phase I of the Moston Roads and Green development was 17 May 2010. Phase II and III would then begin and pleasingly everything was ahead of schedule.	
9.2	Sevenside Housing - It was reported that Steve Gittens, Housing Officer was shortly leaving Sevenside to begin a new job in Telford working for the Bourneville Village Trust, Telford. He would be succeeded by Richard Potter.
