Llimeys	Llanymynech & Pant	1,970.00	970.00	Application for funding for a toposcope to illustrate the history, wildlife, geology and geography of the area, produced following consultation with the local community. In addition funding is sought for a reprinting of a valued leaflet for the heritage area. <b>The total project costs are estimated at £97,350 of which £8,806 has yet to be secured. An allocation of £970 would cover the cost of reprinting leaflets. The remaining £1,000 applied for would be ring-fenced to the project for the remainder of the financial year and will be made available to the organisation, subject to securing the outstanding match funding.</b>
Trefonen Jubilee Club	Oswestry Rural	2,000.00	1,000.00	Application for funding for outings for this social club for elderly people in Trefonen area. There is a shortfall in funding this year due to the purchase of equipment for the club choir and proceeds of their annual funding event being given for improvements to the village hall in which they meet. <b>It is recommended that grant of £1,000 is agreed towards the items listed in the application.</b>

Trefonen Parish Mag	Oswestry Rural	1,000.00	1,000.00	Application for funding towards the production of a village newsletter. Currently the newsletter is mainly funded through advertisements but the administration of these payments is putting a strain on the small team that produce the newsletter. The aim is to reduce the number of adverts included in the magazine and use the space for community news. <b>Whilst the group is sympathetic towards the application, further information is required as to the need for funding and the specific purposes towards which it would be put.</b>
