Summary

This report details the most recent applications to the StrettonDale Local Joint Committee Community Chest and Larger Grants Scheme and provides an update on the projects already awarded funds.

Recommendations

- A. It is recommended that the applications from those organisations and their projects as detailed in Appendix A to this report are eligible to be awarded funding.
- B. It is recommended that the applications be considered following brief presentations by the applicants and their responses to questions from LJC members and members of the public, such questions being subject to the Chair's approval.
- C. It is recommended that the progress report on organisations and projects that were awarded funds at the May 10th 2010 meeting, be noted as detailed in Appendix B to this report.

Report

1. At the Implementation Executive on 19 March 2009 it was determined that there would be 28 Local Joint Committees for Shropshire Council. A devolved budget of £22,000 was allocated to the StrettonDale Local Joint Committee based on its electorate (4679). This allocation has been repeated for the year 2010-11 with the addition of £3015 brought forward from 2009-10

2. The Constitution governing Local Joint Committees states:
 - a. Each Local Joint Committee (LJC) has a delegated budget which will be confirmed on an annual basis.
 - b. The LJC must use standard guidelines and application forms when granting funding to third parties
 - c. The LJC budgets will be subject to Shropshire Council's audit procedures.
3. All of the projects in the most recent applications to the Community Chest and Larger Schemes Fund have been assessed against criteria in the LJC Financial Procedure Notes and the guidelines approved by the Committee. On that basis the four applications listed in Appendix A are recommended as eligible for approval.
