214 Financial Strategy 2021/22 - 2025/26 Final

Before inviting the Portfolio Holder for Finance and Corporate Support to introduce the report, the Leader made a statement about the assumption made in the report of the Executive Director of Resources (Section 151 Officer) for a 4.99% council tax increase, made up of a general 1.99% increase and a social care precept of 3%.

He said the government had provided a provision that some of the social care precept increase could be deferred until the following year and in view of the difficult year faced by Shropshire residents, Cabinet proposed to recommend use of 2% of the social care precept in 2021 – 22 and to review using the further 1% precept in a year's time.

He explained the impact this would have on the budget and how this would be addressed. Cabinet was asking officers to review the plans and bring back to council for approval on 25 February 2021 a revised financial strategy based on 3.99% council tax increase. The Portfolio Holder for Finance and Corporate Support then presented the report, answered questions and moved the recommendations with an additional paragraph G to this effect.
