On these two grounds they are happy to remove their original objections.</p> <p>The Committee maintained their objection regarding sustainable travel which they still feel there is a lack of. Members also asked if the traffic concerns and potential 24-hour opening could be raised at Northern Planning and would like to request that the opening hours are limited to more suitable times.</p> |                         |
