88 Financial Monitoring 2022/23 Quarter 2

The Portfolio Holder for Finance and Corporate Resources presented the report which provided an estimate of the Council's year end position based on information over the period 1st April 2022 to 30th September 2022. Members noted that the projected financial position at Quarter 2 is still demonstrating a challenging position with ongoing cost pressures in Adult Social Care and Children's Social Care alongside the impact of inflation.

Concerns were raised regarding the level of reserves and that savings previously identified were not being achieved in the Place Directorate. A request was made for further information to be provided on overspends and unachieved savings in the Place Directorate and it was confirmed the request would be passed to the Executive Director of Place.

Further concerns were raised that overspend may not be entirely linked to inflation as it was felt a large amount of the overspend related to adult and children's care where savings had been reported due to a reduction in staffing.

Queries on reserves, where they were held and how they were used to balance service areas were received. The Executive Director of Resources gave an update on the level of reserves and how they can be used. He advised members that the team were seeking longer term solutions to address pressures being faced.

Members were also concerned regarding the number of vacancies including apprentices. Members were advised that, on speaking with businesses, this was a national issue; however WM Employers were looking at ways to make apprenticeships more appealing.

RESOLVED:

That Members:

- A. Noted that at the end of Quarter 2 (30th September 2022), the full year revenue forecast is a potential overspend of between £4.138m and £17.506m, with best estimates indicating an overall overspend of £10.998m;
- B. Considered the detrimental impact of this on the Council's General Fund balance and mitigating actions urgently required to avoid this.

89 Draft Empty Homes Strategy

The Portfolio Holder for Growth, Regeneration and Housing presented the report which provided an overview of the numbers of empty homes in Shropshire, why homes can become empty and how, especially long-term, empty homes are a wasted resource, the importance of them being brought back into use and how this can be achieved. Members noted that the draft Strategy has been subject to public consultation. Feedback has been considered, resulting in amendments set out in paragraph 7.5 of the report and included in the final draft brought to Cabinet.

Members welcomed the report, however requested further financial information to understand the economic benefit to the council. They noted that a pilot project had been carried out in Wem to bring a cluster of properties back into use. This had been successful, but it was noted that it was resource intensive.

It was suggested that Communities Overview Committee look into the matter of homes which are no longer on the council tax register due to their condition. This would then be brought back to a future Cabinet meeting as an update report.

RESOLVED:

To approve and adopt the draft Empty Homes Strategy, set out in Appendix I.

90 Review of the Hackney Carriage and Private Hire Licensing Policy 2023 - 2027

The Portfolio Holder for Highways and Regulatory Services introduced the report which set out the proposed Hackney Carriage and Private Hire Licensing Policy 2023 to 2027, which has been updated taking into account the Council's priorities, representations made by the hackney carriage and private hire trade and changes in legislation and national guidance.

Members noted that there had been issues with private hire vehicles picking up passengers when they are not licenced to do so; however this could be acted upon once the policy had been adopted.

RESOLVED:

That Cabinet approved, with any necessary modifications, the proposed Hackney Carriage and Private Hire Licensing Policy 2023 to 2027, as set out in Appendix 1, and agreed that it is adopted by the Council and implemented with effect from the 1 April 2023.
