PLANNING COMMITTEE		
SCHEDULE OF ADDITIONAL LETTERS		
Date: 26/10/2026		
NOTE: This schedule reports only additional letters received before 5pm on the day before committee. Any items received on the day of Committee will be reported verbally to the meeting		
Item No.	Application No.	Originator:
5	25/01501/EIA	LE
Late Representations / Officer Update Since publication of the Committee report, the Local Planning Authority has received five additional representations in respect of the application. These are detailed representations which raise a number of matters concerning the environmental assessment of the proposed development. Given the extent and technical nature of the matters raised, officers consider that both the applicant and the Local Planning Authority should be afforded an appropriate opportunity to consider and respond to the representations before the application is determined. It would not be appropriate for Members to determine the application until that exercise has been completed and any necessary additional or updated assessment has been placed before the Committee. Revised Officer Recommendation DEFER consideration of application 25/01501/EIA from the Planning Committee meeting on 27 October 2026 to provide the applicant and officers with an appropriate opportunity to consider and respond to the matters raised within the five additional representations received following publication of the Committee report.
