## **FUTURE DELIVERY ARRANGEMENTS FOR WEST MERCIA YOUTH OFFENDING SERVICE (WMYOS)**

### **Responsible Officer**

e-mail: karen.bradshaw@shropshire.gov.uk      Tel: (01743) 254201

### **1. Summary**

1.1 Following a comprehensive options appraisal undertaken by the WMYOS Management Board during 2014/15, it is proposed that the Office of the Police and Crime Commissioner acts as the host organisation for WMYOS on a formal basis from April 2016.

### **2. Recommendations**

2.1 That the Business Case for the Office of the Police and Crime Commissioner to act as the host organisation for WMYOS be recommended for approval by Council.

2.2 That the Director of Children's Services is authorised to take all necessary steps to implement the above arrangement.

## **REPORT**

### **3. Risk Assessment and Opportunities Appraisal**

3.1 The attached Business Case includes a risk register and follows a comprehensive options appraisal commissioned by the WMYOS Management Board.

3.2 The Council will maintain responsibilities for oversight of performance, impact and risk through the Overview and Scrutiny Performance Board and as part of the local Community Safety Partnership. There is a continuing role for the Cabinet Member with responsibility and Director of Children's Services to ensure statutory responsibilities are being met.

3.3 Whilst it is the statutory responsibility of the Council to secure the delivery of a Youth Offending Service, the risks are shared with the three other local

authorities within West Mercia, the police, the National Probation Service, the Office of the Police and Crime Commissioner and NHS England.

#### **4. Financial Implications**

- 4.1 The 2015/16 contribution to WMYOS by Shropshire Council is £277,002. There is potential for efficiencies to be realised on a phased basis from 2016/17. This is in addition to savings already achieved since the creation of a single West Mercia YOS in 2012. Transition costs for moving into the new arrangements will be met from limited YOS reserves with no additional costs to Shropshire Council.

#### **5. Background**

- 5.1 West Mercia Youth Offending Service (WMYOS) is a partnership between four Local Authorities (Worcestershire, Herefordshire, Shropshire and Telford & Wrekin), West Mercia Police, National Probation Service, Health partners (represented by NHS England), and the West Mercia Police & Crime Commissioner. The service delivers the full range of Youth Justice provision for children, young people, their families and the victims of youth crime.
- 5.2 WMYOS has undergone a phased programme of transition commencing in 2012 with the establishment of a single West Mercia-wide service. This was the first step in a move towards a more integrated single organisation for WMYOS delivery. Hosting was initially provided by the Probation Trust. Following subsequent national changes to Probation services, Worcestershire County Council took on the role of host agency for WMYOS on an interim basis pending a formal decision on the most suitable longer-term delivery arrangements.
- 5.3 The proposed arrangement for the Office of the Police and Crime Commissioner to act as the host organisation on a formal basis from April 2016 is the outcome of a comprehensive options appraisal undertaken by the WMYOS Management Board during 2014/15. This included detailed consideration of a broad range of alternative delivery models. These included:
- a) Outsourcing delivery to a third sector organisation. This was discounted following a comprehensive market engagement exercise which identified a limited range of suitably experienced potential providers
  - b) Establishing a Local Authority Trading Company (LATC) for WMYOS delivery. A full business case was undertaken for a LATC. Concerns around financial viability and the lack of engagement of all WMYOS partners led to this option being discounted
  - c) Hosting by a Local Authority. After careful consideration this option was not considered viable for a variety of reasons specific to each of the four individual Local Authorities. It was also felt that this was the option least likely to achieve the desired outcomes for longer-term WMYOS delivery.

- 5.4 Each of these alternative options was assessed using clear and transparent criteria agreed by the WMYOS Management Board. This included consideration of financial viability, performance impact, quality and sustainability. The options appraisal forms a strong evidence base for the proposed hosting arrangement by the Office of the Police and Crime Commissioner which is supported in principle by all WMYOS partners.
- 5.5 The main reasons for considering a change to WMYOS delivery arrangements include:
- a) Recognition of the need for a more sustainable service model that is best positioned to respond with flexibility and innovation to the rapidly changing policy context for both criminal justice and children's services
  - b) The opportunity to create a more business-oriented delivery model which drives up performance and quality. Whilst WMYOS performance is mostly good, the WMYOS Management Board is focused on how this can be progressively improved across all areas
  - c) Maximising the impact of the combined resources of the WMYOS partner organisations to improve economies of scale and resilience, reflecting the increasing pressures on national and local resources
  - d) Increasing flexibility for deployment of staff and resources across the West Mercia area
  - e) Strengthening alignment and integration with the full range of children and young people's and adult services at a local level
  - f) Strengthening links with the Police and other regional and national criminal justice partners.
- 5.6 Throughout the options appraisal process, the overriding consideration of WMYOS partners has been to find a model that will offer the best impact on reducing offending and re-offending, whilst securing the best possible outcomes for children, young people, the victims of crime and the wider community.

## **6. Key Features of a Hosting Arrangement by the Office of the Police and Crime Commissioner (PCC)**

- 6.1 The potential benefits of the proposed hosting arrangement with the Office of the Police and Crime Commissioner include:
- a) The arrangement will enable the WMYOS partnership to be maintained on a coterminous basis with related criminal justice and public services. This maximises the impact of combined resources and presents opportunities for shared systems and processes
  - b) There is a strong strategic fit, with the Office of the Police and Crime Commissioner sharing responsibility with the WMYOS for reducing re-offending, preventing crime and disorder and supporting victims. This is reflected in the Police and Crime Plan and Local Youth Justice Plan

- c) The Office of the Police and Crime Commissioner shares wider linkage with local safeguarding and community safety arrangements
- d) The Office of the Police and Crime Commissioner and West Mercia Police can offer business support capacity with the economies of scale presented by a large organisation. This will include HR and finance input and will build on recent implementation of a single ICT systems framework for WMYOS, hosted by the Police.

6.2 The following main elements of the proposed hosting arrangement would form the basis of a formal joint agreement between the WMYOS Management Board and the Office of the Police and Crime Commissioner:

- a) The four Local Authority partners will retain full statutory responsibility for the provision of Youth Justice services, with the associated duty to co-operate placed on all partners as set out in the Crime & Disorder Act 1998 and related legislation. Within this context there will be no delegation or diluting of statutory responsibilities
- b) The WMYOS Management Board, incorporating the Local Authority partners, and with representation from the Youth Justice Board, will maintain robust governance and oversight of WMYOS delivery
- c) The WMYOS Management Board will retain responsibility for producing the Local Annual Youth Justice Plan and for securing the resources required for delivery
- d) The main body of WMYOS staff who are currently employed by the Local Authority partners will transfer under TUPE into the employment of the Office of the Police and Crime Commissioner. This includes the 36 (full-time equivalent) WMYOS staff currently employed by Worcestershire County Council
- e) Police, Probation and other specialist staff will continue to be deployed in WMYOS on a secondment basis, ensuring strong operational links are maintained with these critical partner organisations
- f) An integrated WMYOS ICT and email framework hosted by West Mercia Police is already in place and will minimise disruption to service delivery at the point of transition. Other business support functions will transfer to the Office of the Police and Crime Commissioner and West Mercia Police.

6.3 It is proposed that on 1 April 2016 the service will transfer to the Office of the Police and Crime Commissioner on the basis of the existing WMYOS organisational structure and operating model. This will include the transfer of employment under TUPE arrangements for Worcestershire County Council employed WMYOS staff. If the approach is approved by Cabinet, a detailed analysis of demand and workflow with a focus on improving efficiency, quality and impact would be undertaken during the implementation phase (October 2015 to March 2016). This will form the basis of proposals for consultation with staff following implementation of the hosting arrangement in April 2016. It is anticipated that proposals for reshaping WMYOS will ensure that the

service is able to deliver the best possible performance and quality within a climate of reducing resources for all partners.

## 7. Legal Implications

- 7.1 A PCC hosting arrangement for WMYOS will be an innovative development and the first time that an Office of the Police and Crime Commissioner has taken this lead role within a YOT environment. Local arrangements will be required to clearly demonstrate compliance with the key legal and statutory requirements relating to the Office of the Police and Crime Commissioner and to the provision of Youth Justice services.
- 7.2 Legal representatives of the Local Authorities, Police and Office of the Police and Crime Commissioner, in discussion with the Youth Justice Board for England and Wales have reviewed compliance of the proposed hosting arrangement with the relevant legislative framework and are of the view that all statutory requirements can be fully met. Furthermore, it is believed that the synergies created by this approach will strengthen the capacity of the WMYOS partnership and the Office of the Police and Crime Commissioner to achieve their respective strategic priorities and to secure better value and improved outcomes for local communities.

## 8. Additional Information

- 8.1 The Youth Offending Service is subject to a clear statutory framework. This is reflected in the Service Specification for the proposed hosting arrangement. The hosting arrangement will be subject to a formal joint agreement between WMYOS Management Board and the Office of the PCC.

## **BUSINESS CASE FOR WMYOS HOSTING BY THE OFFICE OF THE POLICE AND CRIME COMMISSIONER EXECUTIVE SUMMARY (Edit)**

**July 2015**

## **1. Purpose of report**

1.1 The purpose of this document is to provide the WMYOS Board with a business case and implementation plan for the Office of the Police and Crime Commissioner acting as the 'host' partner for WMYOS from April 2016.

1.2 If the Board are minded to proceed towards this arrangement, formal agreement will be subject to Local Authority Cabinet approvals in the autumn of 2015, and the equivalent formal decision-making process of Police, PCC, Probation and Health partners.

1.3 A formal decision to proceed will be followed by preparation of a detailed Joint agreement between the WMYOS Management Board and the Office of the Police and Crime Commissioner. This will address important details relating to governance, oversight, HR, finance and legal requirements.

1.4 The Board have specified that the business case should address:

- (i) How the legislative and statutory requirements placed on all partners for the provision of youth justice services will be fully addressed.
- (ii) How the hosting arrangement will secure the organisational culture change and business transformation required by partners.
- (iii) Implications for employment arrangements for WMYOS staff.

1.5 Sources of information for this report include:

- Liaison with the Chief Executive and Head of Business Area (Midlands) of the Youth Justice Board for England and Wales
- Liaison with senior technical leads representing the Police and Office of the PCC (Legal; Finance; ICT; HR; Commissioning; Pensions)
- Liaison with HR and Legal representatives from the Local Authorities
- Liaison with WMYOS Management Board
- Engagement sessions with WMYOS staff
- Where relevant, work previously undertaken on the WMYOS options appraisal. This includes liaison with the pension fund actuary Mercers

## **2. Rationale**

2.1 The proposed hosting arrangement with the Office of the Police and Crime Commissioner has strong potential to create optimum conditions for achieving the drivers for change set out in the initial options appraisal. Potential benefits include:

- The model will enable the West Mercia YOS partnership to be maintained on a co-terminus basis with related criminal justice and public services. This maximises the impact of combined resources and presents opportunities for shared systems and processes.
- There is a strong strategic fit, with the Office of the Police and Crime Commissioner sharing responsibility with the WMYOS for reducing re-offending, preventing crime and disorder and supporting victims. This is reflected in the Police and Crime Plan and Local Youth Justice Plan.
- The Office of the Police and Crime Commissioner shares wider linkage with local safeguarding and community safety arrangements

- The Office of the Police and Crime Commissioner and West Mercia Police can offer business support capacity with the economies of scale presented by a large organisation. This will include HR and finance input and will build on recent implementation of a single ICT systems framework for WMYOS, hosted by the Police.

## 2.2 Key areas addressed within the full report include:

- How the full statutory requirements placed on all partners will be fully addressed within this arrangement.
- How a formal joint agreement coupled with a clear service specification, will enable strong governance and oversight of WMYOS delivery.
- How this model will secure the required cultural and organisational transformation required by the Board.
- What the proposed employment arrangements would be in the event of a transfer of staff under TUPE arrangements.
- How potentially reducing local and national resources will be maximised through this arrangement.
- How the culture and ethos of WMYOS, including a clear focus on wider outcomes for children and young people will be supported within a hosting arrangement

## 3. Key Features of A Hosting Arrangement

3.1 The main elements of the proposed hosting arrangement are summarised below. These points will form the basis of a joint agreement between the WMYOS Management Board and the Office of the Police and Crime Commissioner:

- The four Local Authority partners will retain **full statutory responsibility** for the provision of Youth Justice services, with the associated duty to cooperate placed on all partners as set out in the Crime & Disorder Act 1998 and related legislation. Within this context there will be no delegation or diluting of statutory responsibilities.
- The WMYOS Management Board will enter into a **formal joint agreement** with the Office of the Police and Crime Commissioner. Delivery and service transformation, with a clear emphasis on securing the best possible outcomes for children, young people and the victims of crime will be performance managed against an outcomes-based service specification. This will fully reflect all statutory requirements, Youth Justice Board national standards and case management guidance.
- The WMYOS Management Board, incorporating the Local Authority partners, and with representation from the Youth Justice Board, will maintain **robust governance and oversight** of WMYOS delivery.
- The WMYOS Management Board will retain responsibility for producing the Local **Annual Youth Justice Plan** and for securing the resources required for delivery. This will include partnership negotiations on contribution levels and agreement on how to respond to changes in local and national funding arrangements.
- WMYOS staff who are currently employed by the Local Authority partners will **transfer under TUPE** into the employment of the Office of the Police and Crime Commissioner. Following TUPE transfer, the outcomes of a review of the operational delivery model for WMYOS may form the basis of an economic, technical or organisational case entailing changes to the workforce which may give rise to changes to terms and conditions.

- The deployment of other partner agency staff will continue to be applied as in the current model. This will include the **secondment and funding arrangements for Police, Probation and other specialist staff**.
- An **integrated WMYOS ICT and email framework** hosted by West Mercia Police is already in place and will minimise disruption to service delivery at point of transition.
- **Other business support functions** will transfer to the Office of the Police and Crime Commissioner and West Mercia Police.
- In the first instance the service will transfer to the Office of the Police and Crime Commissioner on the basis of the existing **WMYOS organisational structure and operating model**. A detailed analysis of demand and workflow with a focus on improving efficiency, quality and impact will be undertaken during the implementation phase (Oct 15 to March 16). This will form the basis of proposals for consultation with staff following implementation of the hosting arrangement in April 2016. It is anticipated that proposals for reshaping WMYOS will reflect significant resource and funding pressures going forward from 2016/17.

#### 4. Joint Agreement

- 4.1 The details of the hosting arrangement will be set out in a formal joint agreement between the WMYOS Management Board and the Office of the Police and Crime Commissioner.
- 4.2 This will form the basis of a contract between the two parties with the principal aim of securing an effective and sustainable Youth Offending Service in West Mercia. The main outcomes specified in the joint agreement will be:
- Preventing offending by children and young people
  - Reducing youth crime and the fear of crime
  - Reducing the impact of crime on victims and local communities
- 4.3 An outcomes-based service specification for the full range of WMYOS provision will be included within the joint agreement. This will emphasise the values and ethos of the service, with an emphasis on prevention and securing strong links with children and young people's services at a local level.
- 4.4 The joint agreement will reflect **Procurement Contract Regulations** 2015 (sec 12) which allow for exemption from open procurement where it can be shown that public bodies are working together to deliver public services on a non profit-making basis.
- 4.5 Some key responsibilities of the WMYOS Management Board within this arrangement will include:
- (i) Securing the Annual Youth Justice Plan and ensuring that multi-agency resources are in place to deliver agreed priorities. This will include ensuring a collaborative approach to the management of resources and resource pressures, and brokering agreement on how changes or reductions in funding are managed on a shared basis by the WMYOS partnership.
  - (ii) Securing a robust delivery model for YOS provision (through the proposed hosting arrangement) as set out in a formal agreement with the Office of the Police and Crime Commissioner against an agreed outcomes-based service specification.
  - (iii) Performance oversight of WMYOS service delivery outcomes. This will include individual Board members taking a 'champion' role in relation to specific areas of WMYOS delivery, organisational and culture change.

4.6 Key responsibilities for the Office of the Police and Crime Commissioner within this arrangement will include:

- (i) Day to day oversight of the delivery, culture change and business transformation of WMYOS provision on behalf of the WMYOS Management Board. This will include significant organisational change during year 1 (2016/17).
- (ii) Provision of employment arrangements and business support functions for WMYOS, in-line with funding arrangements to be agreed with the WMYOS Management Board.
- (iii) Securing robust performance management and quality arrangements for WMYOS with a clear line of accountability and reporting to the WMYOS Management Board.

## **5. Legal basis**

5.1 A PCC hosting arrangement for WMYOS will be an innovative development and the first time that an Office of the Police and Crime Commissioner has taken this lead role within a YOT environment. Local arrangements will be required to clearly demonstrate compliance with the key legal and statutory requirements relating to the Office of the Police and Crime Commissioner and to the provision of Youth Justice services.

5.2 Legal representatives of the Local Authorities, Police and Office of the Police and Crime Commissioner, in discussion with the Youth Justice Board for England and Wales have reviewed compliance of the proposed hosting arrangement with the relevant legislative framework and are of the view that all statutory requirements can be fully met. Furthermore, it is believed that the synergies created by this approach will strengthen the capacity of the WMYOS partnership and the Office of the Police and Crime Commissioner to achieve their respective strategic priorities and to secure better value and improved outcomes for local communities.

## **6. Staffing**

6.1 It is proposed that the 68 Local Authority employees will transfer into the employment of the Office of the Police and Crime Commissioner on the agreed implementation date. All staff will transfer over in the first instance with their current terms and conditions. These will include qualified social workers registered with the Health and Care Professions Council.

6.2 The Office of the Police and Crime Commissioner is an admitted body of the Local Government Pension Scheme (LGPS) and a member of the Worcestershire Pension Fund. As such, WMYOS employees of Worcestershire and Herefordshire Councils will experience minimal change in pension arrangements. Telford and Wrekin employees will be given the option to transfer in from the Shropshire Pension Fund.

6.3 It is anticipated that staff working within WMYOS on a secondment basis from WMYOS partner agencies will continue to be deployed in the WMYOS on a similar basis within the proposed hosting arrangement.

## **7. Resources**

7.1 An indicative three-year financial forecast has been prepared for this business case. This is included overleaf – with a fuller analysis included within the main report. This is an indicative forecast for illustrative purposes only and will need to be agreed in detail as part of the preparation of the joint agreement prior to implementation. The indicative forecast includes analysis of current funding contributions from partners (including consideration of ‘hidden costs’) and of how available resources are currently utilised within the service. Forecasting has taken account of data on workflow and

demand for WMYOS provision, to identify trends as an indicator of anticipated future levels of demand.

- 7.2 The indicative forecast anticipates significant resource and funding pressures progressively impacting on WMYOS over the three year period from 2016/17. There is potential for a sustainable model subject to efficiencies being achieved year on year through service redesign and the introduction of more efficient working practices.
- 7.3 The joint agreement will set out how the WMYOS Management Board will collaborate on key decisions in the event of a shortfall in resources or reductions in partner contributions.
- 7.4 Resources to support organisational change are identified as a separate transition cost area to be met from WMYOS partnership reserves.

## 8. Implementation

- 8.1 The proposed timeline for implementation is predicated on formal approval being secured from Council Cabinets by end October 2015. This approval will initiate implementation activity with a view to the new arrangements being in place and **fully functioning from April 2016**. Experience suggests that this is an achievable timeframe, subject to sufficient preparatory work having been undertaken in the period up to end September 2015. This will include:

- Progressing the Business Case through each Local Authority to ensure thorough legal, financial and technical scrutiny has been applied prior to formal consideration by Council Cabinets
- Engagement of Lead Members and Chief Executives / MD
- Preparation and submission of reports to Council Cabinets
- Agreement on programme management arrangements, what capacity is required and how this will be funded from September 2016.
- Continuing engagement with WMYOS staff and Trade Unions

8.2 The table below provides an overview of the pathway towards full implementation following Cabinet approval.
