RESOLVED:

3.Resilient Communities

Andy Boddington said he was concentrating on Youth and had a meeting regarding lottery funding, identified through the Locality workshops.

Andy has been working with a community enterprise (but wasn't sure of the name) to write the bid. They would take a 1 or 2 % cut if the bid was successful. Andy explained the whole youth partnership needed to be involved. If the bid is successful, this organisation will manage the project.

Andy will send out more information once he has spoken to the youth partnership. But he wants the bid written by the end of the year.

Richard Osborne and Ann Sutcliffe want to know more about what was being bid for and wanted more information available at the LJC meetings.
