1. Summary

To consider an application for a new Premises Licence.

Premises: 10 Willow Street Oswestry Shropshire SY11 1AA. A location plan is attached to the report as Appendix A.

Shropshire Council being the authorised licensing authority for the above premises has received an application for a new premises licence.

The application has been accepted as a valid application and during the statutory consultation period relevant representations were made. The application is required to be determined by way of a hearing of the Licensing Sub-Committee.

In determining the application the licensing authority must give appropriate weight to:

- the steps that are necessary to promote the licensing objectives;
- the representations (including supporting information) presented by all parties;
- Guidance issued under Section 182 of the Licensing Act 2003;
- Shropshire Council's Licensing Policy.

After considering all the relevant issues the licensing authority may grant the application in full or in part, subject to such conditions that are deemed necessary and appropriate. Any conditions imposed must be appropriate for the promotion of the licensing objectives.

Alternatively the application can be refused if it is considered appropriate for the promotion of the licensing objectives.

Following a hearing, the licensing authority should give its decision and provide reasons to support it. This will be important if there is an appeal by any of the parties.

All parties are required to be notified of a decision and that decision should be accompanied by information on the right of the party to appeal.

2. Recommendations

That the Sub-Committee determines the application in accordance the Statutory Guidance issued under s182 of the Licensing Act 2003, the Council's Statement of Licensing Policy, the information contained within this report, supporting documentation and having had due regard to the applicant and the parties/authorised bodies making relevant representations.
