1. Summary

Shropshire Council being the authorised licensing authority for:

- Riverside Inn, Cound, Shrewsbury, Shropshire, SY5 6AF

has received an application for a variation of the premises licence at the premises. (A location plan and location photographs are attached to the report as **Appendix A and B**).

The application has been accepted as a valid application and during the statutory consultation period relevant representations were made. The application is therefore required to be determined by way of a hearing of the Licensing Act Sub-Committee.

In determining the application, the Licensing Authority must give appropriate weight to:

- the steps that are necessary to promote the licensing objectives;
- the representations (including supporting information) presented by all parties;
- Guidance issued under Section 182 of the Licensing Act 2003;
- Shropshire Council's Statement of Licensing Policy 2019 - 2024.

After considering all the relevant issues the Licensing Authority may grant the application in full or in part, subject to such conditions that are deemed necessary and appropriate. Any conditions imposed must be appropriate for the promotion of the licensing objectives.

Alternatively, the application can be refused if it is considered appropriate for the promotion of the licensing objectives.

Following a hearing, the Licensing Authority should give its decision and provide reasons to support it. This will be important if there is an appeal by any of the parties.

All parties are required to be notified of a decision and that decision should be accompanied by information on the right of the party to appeal.

2. Recommendations

That the Sub-Committee determines the application in accordance with the Statutory Guidance issued under s182 of the Licensing Act 2003, the Council's Statement of Licensing Policy 2019 - 2024, the information contained within this report, supporting documentation and having had due regard to the applicant and the parties/authorised bodies making relevant representations.

That the Sub-Committee determines the application in accordance with the options in paragraph 9.

That the Sub-Committee provides the reasons for its decision.

- 6.5 The applicant has also requested to remove all “Embedded Restrictions” which were part of the previous Public Entertainment Licence and replace with modernised versions as of operating schedule paragraph M(a) to (e).
- 6.6 The variation application also seeks refurbishment throughout both internally and externally at the premises and to extend the licensable area to the rear of the premises and to the West, incorporating an additional building, the ‘Coach House’. (The proposed plan of the premises can be found at **Appendix F (1) and F (2)**).
- 6.7 Within the application the applicant has also identified additional conditions for to promote the four licensing objectives. The operating schedule details that the following steps would be taken
- 6.7.1 Prevention of Crime and Disorder
- 1] The use of door staff will be risk assessed on an ongoing basis by the licence holder or premises supervisor. Where engaged, door staff shall be licensed by the Security Industry Authority.
- 2] Staff will receive training on matters concerning underage sales, drugs policies and operating procedures.
- 3] There shall be a zero-tolerance policy in relation to drugs at the premises and there shall be regular checks by management to prevent the use of drugs by patrons. Drugs seized shall be stored securely and handed to the police.
- 4] The premises shall operate a proof of age scheme and will require photographic identification from any person who appears to be under the age of 21 years.
- 5] The management of the premises will liaise with police on issues of local concern or disorder.
- 6] CCTV will be installed with recording facilities such recordings shall be retained for a period of 31 days and made available within a reasonable time upon request by the police, such as to cover the main entrance to the premises.

7] There shall be no drinks promotions at the premises which are inconsistent with the need to promote responsible drinking.

6.7.2 Public Safety

1] To comply with the reasonable requirements of the fire officer from time to time.

2] The premises will have adequate safety and firefighting equipment and such equipment will be maintained in good operational order.

3] Staff will be trained on matters of safety, evacuation and use of emergency equipment as required.

4] Spillages and breakages will be removed as soon as possible to reduce the risk to patrons and staff.

5] Fire Exits and means of escape shall be kept clear and in good operational condition.

6.7.3 Prevention of Public Nuisance

1] Where appropriate, prominent, clear and legible notices shall be displayed at all exits requesting the public respect the needs of local residents and to leave the premises and area quietly.

2] Patrons will be encouraged by staff to leave quietly and respect the interests of the occupiers of any nearby noise sensitive premises. Where appropriate the licensee or a suitable staff member will monitor patrons leaving at closing time.

3] Noise or vibration shall not emanate from the premises so as to cause a nuisance to nearby properties.

4] Contact numbers for local taxi firm(s) shall be kept at the premises and made available to patrons requiring a taxi.

6.7.4 Protection of Children from Harm

1] The restrictions set out in the Licensing Act 2003 will apply.

7. Representations received (Responsible Authorities)

7.1 Four representation had been received from Responsible Authorities, namely Environmental Health, Trading Standards, Licensing and the Police. Representations have been withdrawn by all four authorities.

7.2 Environmental Health were concerned about the noise externally after 23:00 hours at the premises. It has been agreed that the following conditions will

also be included under the prevention of public nuisance on the Licence if granted

1] No regulated entertainment outdoors after 23:00.

2] No films to be shown in external areas.

7.3 Trading Standards wanted further conditions rather than the ones currently set out in the Licensing Act 2003. The following additional conditions have been agreed and will also be included under The Protection of children from harm if granted

1] A Challenge 21 Policy will be implemented with appropriate signage displayed at points of sale.

2] A challenge log for Challenge 21 and refusals will be maintained and made available to any authorized authority on request The challenge log can be kept either electronically or in a hard backed/ bound book.

4] Refresher training on Challenge 21, proxy sales and their responsibilities under the Licensing Act 2003 to be provided no less than annually. Training records retained and available at the premises to any authorised authority on request.

7.4 Licensing, acting as responsible authority, were happy with the content but wanted clarity on proposed conditions. One condition around training for underage sales has been agreed with Trading Standards and the following wording has been agreed to replace condition 1 for prevention of crime and disorder and condition 1 for prevention of public nuisance, if granted

Prevention of Crime and Disorder

1] The use of door staff will be in accordance with the premises' written risk assessment, which will be reviewed on an ongoing basis by the licence holder or premises supervisor. Where engaged, door staff shall be licensed by Security Industry Authority.

Prevention of Public Nuisance

2] Prominent, clear and legible notices shall be displayed at all exits requesting the public respect the needs of local residents and to leave the premises and area quietly.

7.5 The police are also in agreement with the wording as above in section 7.4 for the door staff as per the premises' written risk assessment.

8. Representations received (Other Persons)

- 8.1 Three representations have been received from ‘other persons’, which although supportive have concerns in respect of the Prevention of Public Nuisance as they are nearby residents. Principally the concerns relate to the nuisance that could be caused from the new ‘Coach House’ and the additional land to the West of the premises that will have a patio and fire pit area. They will state that this additional building and area was not used by the premises previously to provide external facilities. (Location of ‘other persons’ representation map can be found at **Appendix G**).
- 8.2 The Public Protection Officer encouraged and supported all parties to attempt to negotiate and mediate during the consultation period in order to remove the need for a hearing (28.18 of Shropshire Council’s Licensing Policy 2019 – 2024). The representations have not been withdrawn and the applicant has indicated they wish to continue with the application as submitted. (Representations can be found at **Appendix H – J**).

9. Options for Consideration

- 9.1 The options available to the Licensing Sub-Committee having considered all the relevant information are as follows:
- To refuse to grant the application
 - To grant the application with (or without) conditions in full (or in part)
- 9.2 If the application is to be granted in line with the submitted operating schedule, then the amendments/additions and conditions as detailed in paragraph 6 and amendments/additions as agreed with authorities detailed in paragraph 7 of this report would need to be included in the licence.
- 9.3 Additional conditions or restrictions to licensable activities and/or times should only be imposed if considered appropriate for the promotion of the licensing objectives. If other law already places certain statutory responsibilities on a premises, it would not be appropriate to impose similar duties.
- 9.4 Members of the Sub-Committee should be advised that the applicant, licence holder or any other person who made relevant representations in relation to the application may appeal against the decision made to the Magistrates’ Court within 21 days of the date on which they were notified.

- 10.3 Members of the Sub-Committee must have regard to the statutory guidance issued under section 182 of the Licensing Act 2003 and the Council's Statement of Licensing Policy. Members of the Sub-Committee may deviate from the statutory guidance and licensing policy only if they deem that there is good reason to do so.
- 10.4 Members of the Sub-Committee should not allow themselves to predetermine the application or to be prejudiced in favour or opposed to the applicant and/or the licence holder and shall only determine the application having had an opportunity to consider all relevant facts.

Please describe briefly the nature of the proposed variation (please read guidance note 2)

The applicant purchased these premises and transferred the Premises Licence application finalised in April, 2020.

Greene King Brewing & Retailing Ltd seek to invest in the refurbishment of this premises to improve the facilities that have been on offer to members of the public for many years as a food led licensed premises with accommodation.

The applicant is proposing to refurbish the premises to improve standards throughout the building both internally and externally. The Riverside Inn is to continue to operate as a food led outlet with a small accommodation provision under the applicant's brand "Chef & Brewer". The Chef & Brewer pubs offer an "authentic Country pub experience with roaring log fires and cosy nooks to set the perfect scene at winter to beautiful outdoor spaces and beer gardens to help enjoyment of long summer days alongside an excellent dining experience".

The Licence itself dates back to conversion in 2005 and contains a number of conditions relating to the previous Public Entertainment Licence in force. The conditions are outmoded and do not suit the current and proposed operation of the premises.

In summary the request for the variation falls into a number of parts as follows:-

1. The extension of the hours for sale by retail of alcohol to permit such licensable activity daily 09.00 to 00.30 with the premises closing to the public 30 minutes thereafter.
2. To retain the ability to sell alcohol to residents 24 hours a day, seven days a week.
3. To remove the restrictive conditions of non-standard timings upon the Licence for licensable activities on Good Friday and Christmas Day and for those days to be licensed as per the standard hours for licensable activities on the Licence.
4. To permit late night refreshment by way of extension for the same hours as the sale by retail of alcohol.
5. To permit the provision of films for the same hours as sale of alcohol to non residents.
6. To remove conditions on the Licence relating to those conditions endorsed as part of the previous Public Entertainment Licence and "Embedded Restrictions" and one other condition and to replace these with a modernised version of the conditions under the Licensing Act 2003. A document attached marked "Schedule A" indicates the conditions requested to be removed from the Premises Licence.
7. To approve the opening times of the premises to non-residents to 06.00 to 01.00 Monday to Sunday for the provision of breakfasts and refreshment prior to the commencement of the licensable activities for non-residents upon the Licence.
8. No application is made to amend the recorded music licensable activity hours by virtue of this variation. This is to remain as existing both internally and externally.
9. To approve the proposed layout of the premises in accordance with the plans deposited with the Licensing Authority (plan number 7882/26 Rev a dated 06.01.20), briefly these alterations comprise as follows:-
 - Refurbishment throughout both internally and externally at the premises as reflected on the deposited plans.
 - Removal and reconfiguration of bar servery area by the taking out of the old central bar and its repositioning to the left of the bar area as reflected on the deposited plans.
 - Reconfiguration and enlargement of the toilet provision at the premises.
 - Reconstruction and improvement of the conservatory area as shown on the plans.
 - Reconfiguration and improvement of the coach house area with bar servery to be included within the licensed area for the sale of alcohol, recorded music and late night refreshment.
 - The incorporation of the external areas as shown on the plans within the licensed area. The external area at these premises have historically been used for consumption of food and drinks for many years without issue.

10. As part of the application it is proposed to update and offer additional conditions as detailed in the Operating Schedule paragraph M(a) to (e).

The appropriate drawings deposited with this application are

- Proposed licensing drawing no. 7882-26 Rev a.
- Drawing no. 7882-22 Ref F - proposed first floor and second floor accommodation areas (not to be licensed) for informative purposes only.

It is not believed that the site is in an area of cumulative impact or in an area in respect of which a special policy to this effect has been adopted. It is intended that this development will improve the area, providing jobs for the local community and a new and updated leisure facility at this location to facilitate the community.

THE PREVENTION OF HARM TO CHILDREN : N/A

TO PREVENT PUBLIC NUISANCE : Yes

Thank you for the communication from Shropshire Council Licensing Team to date and providing the information regarding the new proposed license arrangements.

Can I again state that we are supportive of the redevelopment of the Riverside Inn and look forward to what looks to be a much-improved community facility.

My main concern however is that with the increased customer flow due to the improved provision, and the request to extend open hours until 12:30 am daily (including the use of outdoor areas), this will have an adverse effect on both myself and other neighboring properties from the noise and associated disturbance.

I understand that an 11:00pm cut off has been agreed for outdoor music and entertainment (including music and films) which is welcome, although the extended license will potentially lead to customers utilizing the outdoor space through to 1:00am daily.

I note that in the application, reference is made to the fact that there have not been previous concerns, however the plans for the outdoor area have now changed significantly. Plans now show the development of an existing Coach House with associated patio including fire pit, this land and building was not previously owned or utilized by the pub. My understanding is that this was previous owned by the resident at Riverside Cottage (who was also the previous landlord) and has now been sold to the new owner of the premises. Even if this is not accurate, this land or building was not used by the pub to provide external facilities.

The use of this piece of land and redevelopment of Coach House brings the activities of the pub significantly closer to our property than previously was the case. This with an increased number of customers now potentially using this area through to 1:00am daily will have an impact and cause nuisance for us. The courtyard area will cause an echo due to the nature of the layout, and due to the fact, this area is now closer to our property will further impact on us. This is mainly because previously the outdoor area which was utilized by the pub was significantly further away from the boundary line the coach house now sits on. Customers were well spread outdoors and so any noise was kept to a minimum and was only every present to the earlier time of 11:00. The use of the coach house and fire pit will provide a centralized focal point for outdoor users, which will intensify the amount of disturbance coming from that area which will be used as a gathering point.

In summary therefore, my concern is regarding the extension of the license until 12:30am (1:00am close) daily, and the application of this to the outdoor area including the proposed outdoor coach house and patio area with fire pit. I feel that this has the potential to cause nuisance to our property and have a detrimental impact on our home.

In discussion with the Licensing Team, I have outlined that the Riverside Cottage is currently for sale and that the impact on the new owners of that property will be significant. The wall of their master bedroom will form the rear wall of the coach house bar and outdoor patio area. I understand that this is not within my authority to represent future owners of a neighboring property but feel that it should be something that all parties are aware of. The current owners are moving away and so may not give any direct representation, although clearly new owners are likely to share our concerns.

Suggested conditions that could be added to the license to remedy your representation or other suggestions you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary - refer to checklist.

1. My understanding is that following previous discussion with Environmental Health, agreement has been made that the playing of music, films and other outdoor entertainment is limited to 11:00pm.
2. With regards to the extension of serving license through to 12:30am (and 30 mins after for consumption) on a daily basis, my points for consideration are as follows:
 - a. Is an extension of license through to 12:30am daily for non-residents required?
 - b. If an extension to 12:30am is considered, should this be reduced to key days only (eg weekend use)?
 - c. If an extension to 12:30am is agreed for some or part of the week, could consideration be given to limit the use of outdoor areas to an earlier time (eg. 11:00pm). This could include the closing of the outdoor Coach House Bar at an earlier time meaning that customers are required to be served inside. It would also allow areas such as the patio with the fire pit to be closed with customers asked to use the external balcony area or patio area which is located further away from our boundary line.
 - d. I am aware of other licensed premises which have licensing for the indoor ground floor areas and separate arrangements for any outdoor space, (in some cases requiring customers to go indoors), I feel that this is something which could be applied to this application.

Generally if there is to be a hearing to determine the premises licence application, the sub-committee will only be able to consider matters that have been previously disclosed. No new evidence can be introduced at the hearing. It is therefore imperative that you detail all matters that you wish to be considered on this initial representation. Please attach additional sheets if necessary.

If you do make a representation you will be expected to attend the Licensing Sub Committee and any subsequent appeal process. All representations in their entirety, including your name and address, will be disclosed to the applicant for the premises licence and any other interested parties. If all parties agree, the application can be dealt with without holding a hearing.

I am writing in relation to the recent license arrangements proposed for the Riverside Inn, Cound

I am fully supportive of the redevelopment of the Riverside Inn, however, I do have some concerns with the current proposal of the site with particular reference to some of the more recent changes/applications

The first concern is the extended opening hours until 12:30 am daily (including the use of outdoor areas), which I feel will have an adverse effect on both myself and other neighboring properties from the noise and associated disturbance. Historically we have witnessed lots of noise pollution, especially in the summer months due to this being a popular location (Particular reference to a few weddings when the pub opened later with live music)....Complaints have been made historically, that I am sure you are aware of?

I understand that an 11:00pm cut off has been agreed for outdoor music and entertainment (including music and films) which is welcome, although the extended license will potentially lead to customers utilizing the outdoor space through to 1:00am daily which is not acceptable

I have a young family so this type of disturbance outside of normal curfews is unreasonable in my view

A second point of note in the application, is where reference is made to the fact that there have not been previous concerns, however the plans for the outdoor area have now changed significantly. My bedroom is less than 30m from the newly proposed firepit and outdoor bar area and in the summer months when the bedroom windows need to stay open due to heat etc, these extended hours will impact both my wife and I who are over 70 hence do not want to be up until after 1am due to noise pollution
