6. Update

This update briefing provides a summary of areas of ongoing work within the MHPB.

6.1 Proposal to develop the Mental Health Partnership Board (MHPB)

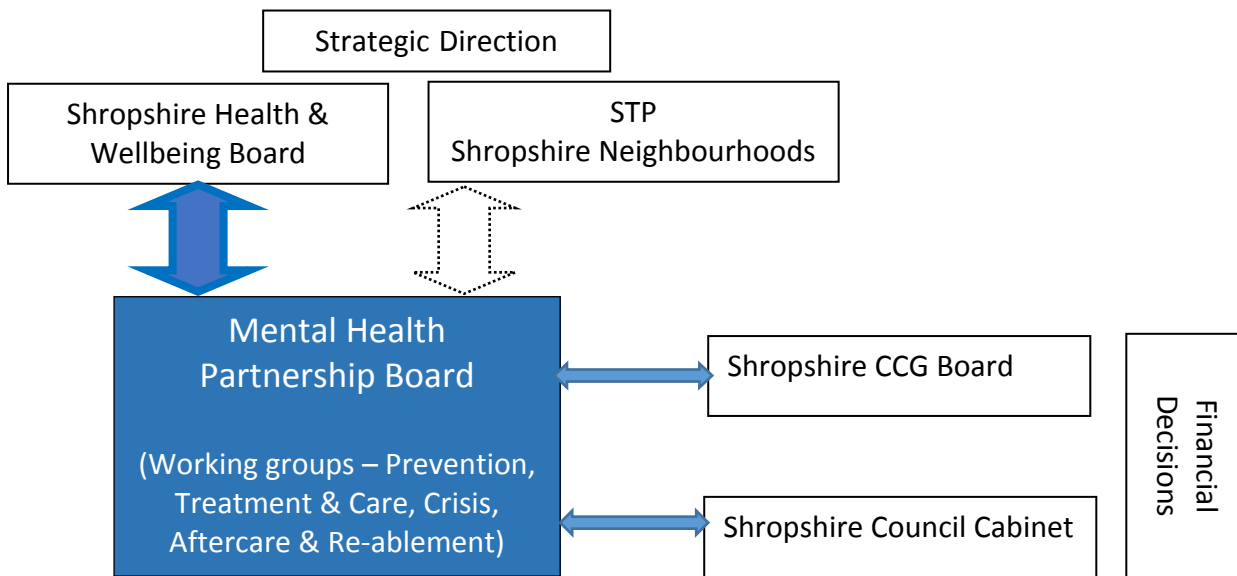

At this time, Telford & Wrekin Council and Clinical Commissioning Group have chosen not to accept the invitation from the MHPB to develop a joint Mental Health Partnership Board that covers the geographical areas of both Shropshire and Telford & Wrekin. However, areas of joint work on mental health across both Local Authorities and CCGs such as the Joint Suicide Prevention Strategy will continue.

Further development of a Shropshire Mental Health Partnership Board will continue and include:

- Mental Health Needs Assessment (This is underway)
- Development of a 5 year, all age, mental health strategy (Initial workshop arranged for 8th March 2017)

- Development of an annual work plan and monitoring of actions and outcomes, including meeting work programme
- Review and refresh of Terms of Reference
- Development of working groups to focus on:
 - prevention (this will also cut across each of the working groups)
 - treatment & care
 - aftercare and re-ablement
 - crisis (Crisis Care Concordat)
- Review and refresh of membership
