ACTION

1.Welcome and apologies

The Chair welcomed all to the meeting. An announcement had been made in the main school hall that the shorter than normal LJC was being held in the next room and all were welcome.

2.Notes of the meeting held on 16 June 2016

RESOLVED:

that the Notes of the meeting of the Ludlow & Clee Area Local Joint Committee held 16 June 2016 be approved as a correct record of the meeting and signed by the Chairman.

3.Resilient Communities

Andy Boddington said he was concentrating on Youth and had a meeting regarding lottery funding, identified through the Locality workshops.

Andy has been working with a community enterprise (but wasn't sure of the name) to write the bid. They would take a 1 or 2 % cut if the bid was successful. Andy explained the whole youth partnership needed to be involved. If the bid is successful, this organisation will manage the project. Andy will send out more information once he has spoken to the youth partnership. But he wants the bid written by the end of the year.

Richard Osborne and Ann Sutcliffe want to know more about what was being bid for and wanted more information available at the LJC meetings.

Ann has offered to bring information on Dementia Friendly Towns to the next meeting.
