

FREE ACCESS TO THE NEW SHREWSBURY MUSEUM AND ART GALLERY

This e-petition is closed

We, the undersigned, petition the Council to ensure free public access to the new Shrewsbury Museum and Art Gallery.

More details from petitioner:

While appreciating the Council's financial problems, we plead in the very strongest terms that it not charge fees for museum entry. Charging would disadvantage many people and families and discourage school and community use. Moreover, all experience is that reducing public access reduces other opportunities for raising income, e.g. through the cafe, shop and special exhibitions.
