Our proposed model of hospital care

Our proposal is for one hospital to become an Emergency Care site and the other hospital to become a Planned Care site. Both hospitals would have an Urgent Care Centre that is open 24 hours a day, seven days a week. Here you would receive care for illnesses and injuries that are not life or limb-threatening but require urgent attention. Our preferred option is for the Royal Shrewsbury Hospital to become the Emergency Care site and the Princess Royal Hospital to become the Planned Care site.
