PART 1

INTRODUCTION

PART 1 – INTRODUCTION

Scope

- 1.0 The Hackney Carriage and Private Hire Licensing Policy ('the Policy') is applicable to the licensing of hackney carriage and private hire drivers and vehicles and to the licensing of private hire operators. This policy supersedes all previous Council policies relating to hackney carriages, private hire vehicles, operators and drivers.

Purpose

- 1.1 The fundamental purpose of the Policy is to protect the safety and welfare of the public who live, work and visit Shropshire. The importance of a thriving hackney carriage and private hire trade to the growth and prosperity of Shropshire's local economy is recognised. Almost everyone in our society occasionally uses licensed vehicles; however, they are regularly used by particularly vulnerable groups, including children, the elderly, disabled people and the intoxicated. Given that a licensed driver has significant power over a passenger who, in effect, places themselves and their personal safety completely in the hands of the driver, it is imperative that the safety and welfare of the public is the over-riding principle that will be considered when matters are dealt with under the Policy.
- 1.2 Shropshire Council ('the Council') is particularly concerned to ensure:
- the safeguarding of children, young persons and adults with care and support needs;
 - a zero tolerance approach towards modern slavery and human trafficking (modern slavery is a crime and a violation of fundamental human rights and can take various forms such as slavery, servitude, forced and compulsory labour and human trafficking);
 - that the action to promote the welfare of children and adults with care and support needs and to protect them from harm is everyone's responsibility, in particular, prospective and licenced drivers and operators who will have dealings with children and families have a duty to report matters of concern that could relate to the safety of children and adults with care and support needs to the relevant authorities (refer to **Appendix A** for further information);
 - that any person who applies to be a hackney carriage or private hire vehicle driver, proprietor or operator is a fit and proper person and does not pose a threat (in any form) to the public;
 - that the public are safeguarded from dishonest persons;
 - that hackney carriage and private hire drivers, private hire operators and vehicle proprietors recognise the significant responsibility and pivotal roles they have in relation to protecting the public, particularly with respect to ensuring robust sub-contracting arrangements are in place and effectively managed and promoting and maintaining high standards of consumer protection and customer service across their entire business operation;
 - [that the hallmark of the regulatory licensing regime is localism and that the local authority responsible for granting licences ought to have the authority to](#)

exercise full control over all vehicles and drivers being operated within its area. The Council believes that the increasing prevalence of cross-border hiring is fundamentally undermining local licensing control. Public safety is being threatened and environmental aspirations diluted in cases where drivers/vehicle proprietors 'shop around' to be licensed by local authorities that demand the lowest standards and then exclusively or predominantly work in an area or areas where standards are higher and licences more difficult to obtain. As a result, the Council will give serious consideration to applying restrictions within licence conditions to restrict any perceived erosion of localism in the governance of private hire licensing.

-
- that vehicles used to convey passengers are safe and fit for the purpose for which they are licensed; and
- that the impact on the environment is reduced in line with European and national guidelines.

1.3 The Policy provides guidance to any person with an interest in hackney carriage and private hire licensing; in particular, but not restricted to:

- persons who wish to apply for hackney carriage and private hire vehicle, drivers or operator licences;
- persons who hold existing licences, including those that are the subject of review;
- the Council, in its capacity as the licensing authority, including licensing officers, members of the relevant licensing committees and the Licensing Panel (or other relevant decision making bodies);
- licensing consultants, solicitors and barristers advising and/or representing applicants/licence holders; and
- magistrates and judges hearing appeals against Council decisions.

1.4 The Policy is ~~also~~ designed to put the Council's licensing requirements into context in accordance with relevant legislation. It is not the intention of this Policy to outline every section of the legislation throughout the proposed policy document and applicants are advised to either consider the legislation directly or obtain independent legal advice.

Consultation and Communication

1.5 In determining the Policy, the Council has consulted ~~widely~~ as set out on page ~~15023XXX~~. The views of relevant stakeholders have been taken into consideration.

1.6 In order to deliver a transparent, accountable and efficient licensing service the Council is committed to ongoing communicating and consultation with all stakeholders. In particular, the Council welcomes the opportunity to communicate and consult with representatives of the hackney carriage and private hire trade to enable and encourage the exchange of views and information in relation to the Policy, conditions, changes in the law and reviews. The specific methods to achieve this communication and consultation will be determined as required.

Review of the Policy

- 1.7 The Council will commence a review of the Policy in 2022 with the aim of a revised policy being effective from 1 April 2023. However, it will be the subject of continuous evaluation and, if necessary, formally reviewed at any time. At the time of review all relevant stakeholders will again be consulted. Any licensed driver or operator may request a review of the policy at any time.
- 1.8 During the consultation process that has led to the development of this Policy, the Council has agreed that the trade be encouraged, particularly when considering vehicle replacement, to adopt the following approach:-
- all hackney carriages to be of a uniform black colour
 - all private hire vehicles to be of a uniform colour and NOT black

Legislative framework

- 1.9 The operation of the Council's licensing service is undertaken in accordance with relevant legislation, applicable licence conditions, the Regulators' Code (BRDO 14/705 April 2014), ~~and the~~ the Department for Transport Taxi and Private Hire Vehicle Licensing: Best Practice Guidance (March 2010), [the Immigration Act 2016](#), [the Equality Act 2010](#) and such other guidance that may be issued from time to time by the Department for Transport and other Government departments.
- 1.10 The primary legislation relating to hackney carriage and private hire licensing is contained in the Town Police Clauses Act 1847 and the Local Government (Miscellaneous Provisions) Act 1976. In addition, the service is provided in accordance with all relevant Council policies, but in particular those that relate to the following:
- Protection of children, young persons and adults with care and support needs
 - Better regulation and enforcement
 - Data protection including access to information
 - Public sector equality duty
 - Human rights¹
- 1.11 The Policy and associated conditions do not address health and safety at work requirements. Drivers and operators are required to ensure all relevant health and safety at work provisions are satisfied. This is likely to impact on the health and safety requirements associated with transporting passengers with disabilities, e.g. those who need to carry oxygen for medical purposes. This may have implications for the extent of the discretion that drivers have to refuse to carry passengers with certain disabilities.

¹ Human Rights Act 1998, in particular, Article 1, Protocol 1 – peaceful enjoyment of possessions (a licence is considered a possession in law and people should not be deprived of their possessions except in the public interest); [Article 4 - prohibition of slavery and forced labour](#); Article 6 – right to a fair hearing; [Article 7 – no punishment without law](#); Article 8 – respect for private and family life (in particular, removal or restriction of a licence may affect a person's private life); Article 10 – right to freedom of expression; [and Article 14 - prohibition of discrimination](#).

- 1.12 The Policy and associated conditions do not address requirements under the Road Traffic Act 1988 and other relevant road traffic legislation, e.g. the Highway Code, parking restrictions and traffic regulation orders.

Conditions

- 1.13 The applicable conditions with which a driver, proprietor or operator must comply are set out at **Appendix B – Appendix G**. These conditions are in addition to any matters set out within the main body of the Policy.

XXX When determining applications or reviewing an existing licence, tThe Council will adopt any reasonable conditions that it deems necessary and appropriate to ensure that proprietors, operators, drivers and vehicles comply with relevant legislation and the fundamental purpose of the Policy, i.e. to protect the safety and welfare of the public. Any licensed driver, vehicle proprietor or operator aggrieved by a decision of the Council has a right of appeal to the Magistrates' Court.~~may request a review of any condition at any time.~~

PART 2

LICENSING PRINCIPLES, PROCESS AND DELEGATION

PART 2 – LICENSING PRINCIPLES, PROCESS AND DELEGATION

Introduction

- 2.0 The Council has adopted Part II of the Local Government (Miscellaneous Provisions) Act 1976 and, together with the provisions contained in the Town Police Clauses Act 1847, the Council carries out the licensing of hackney carriage drivers and vehicles and private hire drivers, vehicles and operators.
- 2.1 This part of the Policy focusses on the principles the Council will follow when administering licence applications, reviewing conditions, setting fees and setting the [hackney carriage](#) table of fares. It explains the roles and duties of the Strategic Licensing Committee, the Licensing and Safety Sub-Committee, the Licensing Panel and officers of the Council.

Licensing principles

- x.x The licensing process is neither civil nor criminal; it is quasi-judicial. In other words, licensing powers and functions are undertaken by the Council in a similar way to powers and functions that are exercised by a judge in a court of law.
- 2.2 The Council aims to provide a clear, consistent and responsive service to prospective and current licence holders, members of the public and other stakeholders. This includes the provision of advice to prospective applicants, including advice on the effect that convictions, cautions, driving endorsements, complaints etc. may have on any application, and to existing licence holders. The Council will be mindful of the needs of the applicant but this will be balanced against the over-riding duty that the Council has to protect the safety and welfare of the public.
- 2.3 All licence applications will be considered and determined on their own individual merits.

Licensing process and delegation of functions

- 2.4 The licensing of hackney carriages and private hire vehicles, drivers and operators is a Council function that is discharged by the Council's Strategic Licensing Committee. The Strategic Licensing Committee has delegated this function to the Licensing and Safety Sub-committee, [Licensing Panel](#) and to officers of the Council who will determine all applications in accordance with this Policy.
- 2.5 An If any individual may wishes to approach a Shropshire Council Councillor to act as their representative. However, members of the Strategic Licensing Committee may be unable to act as their representative where there is a conflict of interest. care must be taken to ensure that the Councillor in question is not a member of the Strategic Licensing Committee and, in particular, Any the Councillor who is a absolutely must not be a member of the Licensing and Safety Sub-committee determining an the application

or review of a licence may not act as a representative. If there is any doubt, the individual is advised to contact the Council's Legal & Democratic Services Licensing Team for clarification.

- 2.6 Whilst officers and the relevant committees will, in the majority of cases, follow the Policy, there may be specific circumstances that require a departure from the Policy. In such circumstances, the reasons for departing from the Policy will be made clear.

Committees and licensing panel

2.7 Strategic Licensing Committee

This Committee is made up of 15 members of the Council. It deals with policy issues, sets standard conditions of licence, the setting of fees and charges and hackney carriage fares.

2.8 Licensing and Safety Sub-committee

This Committee is made up of a selection of Members from the Strategic Licensing Committee. Five to six Members (Quorum of 3) will sit on hearings to deal with new applications, renewals and reviews of licences that are referred by officers. Members, when determining applications for a licence, renewals or reviews of a licence, will have regard to hackney carriage and private hire legislation, this Policy, the Department for Transport Taxi and Private Hire Vehicle Licensing Best Practice Guidance (March 2010), the Road Traffic Act 1988 and other relevant road traffic legislation, the Human Rights Act 1998, the Equality Act 2010, any relevant legal case law and other relevant Council policies.

2.9 Licensing Panel

The Panel is an internal mechanism set up by the Council to assist and support the officers who have delegated authority to make licensing decisions. The manager responsible for licensing will make a decision in consultation with a legal adviser and other officers considered appropriate. Currently, the Panel consists of a licensing officer and representatives from adult and children's safeguarding and is attended by a Council solicitor in their capacity as an independent legal adviser. The Panel assists and supports officers with delegated authority to determine ~~deal with~~ new applications, renewals and reviews of licences that are referred directly by a licensing officer. Matters, where the officer with delegated authority is unable to reach a decision, or for any other reason so agreed by that officer, will be referred to the Licensing and Safety Sub-committee for determination.

Decisions

- 2.10 The Council, by virtue of a duly authorised officer, has the power to refuse to grant or renew licences and also to suspend or revoke existing licences in accordance with

relevant legislative provisions. In addition, the Council may choose to issue written warnings or advice.

- 2.11 Any decision to refuse to grant or renew a licence or to suspend or revoke an existing licence, including the decision to suspend or revoke with immediate effect, or to issue a written warning or advice will be made in accordance with the Council's scheme of delegation and other relevant procedures.
- 2.12 The Council will consider each case on its own individual merits and when making a decision will determine what action is appropriate and proportionate to the circumstances of the case. Decisions are made based on a civil not criminal burden of proof, i.e. on the balance of probabilities, is something more likely than not to be the case. The Council is not required to prove matters beyond reasonable doubt.
- 2.13 Where applications are to be determined, the officer, Licensing Panel and Licensing and Safety Sub-committee~~Council~~ will take into consideration the facts of the application, any information and/or evidence provided by other interested parties including, but not restricted to, officers from the Council with responsibility for safeguarding— and passenger transport contracts, and officers from West Mercia Police. together with the recommendation made by the licensing officer presenting the report. In order to provide applicants with the opportunity to consider and respond by way of written and/or verbal representations, as appropriate, the Council will provide the relevant details which have given rise to the need for an officer decision and/or hearing.
- 2.14 Following the determination of an application by the Council the applicant will receive a copy of the decision in writing. This written decision will be issued as soon as is practicable after the decision has been made and within 14 days. This will include information on the right of appeal where appropriate.

Appeals

- 2.15 Parties aggrieved by a decision of the Council, with respect to a refusal to grant or renew a licence and to suspend or revoke a licence or to attach additional conditions to a licence have a right of appeal to the Magistrate' Court. This must be lodged with the Court in accordance with the relevant statutory provisions. The Council strongly advises parties to promptly seek appropriate independent legal advice in such circumstances.

National register for hackney carriage and private hire licence revocations and refusals

XXX The national register for hackney carriage and private hire licence revocations and refusals (NR3) is an online database which contains information about applicants for a hackney carriage or private hire drivers licence who have been refused or revoked. The information is used to assist local authorities to determine if an applicant is 'fit and proper' to hold such a licence.

XXX On new and renewal applications the Council will make enquiries through NR3 in order to ensure the Council is in a position to make as accurate an assessment of the applicant's fitness to hold a licence as is reasonably practicable. If a search of NR3

indicates a match with an applicant, the authority will seek further information about the entry on the register from the authority which recorded it.

- 2.16 The Council will record the basic details of applicants who have had their licence refused or, ~~revoked or suspended~~ on the national register for hackney carriage and private hire licence revocations and refusals.

XXX The information recorded on NR3 will be limited to:

- name
- date of birth
- address and contact details
- national insurance number
- driving licence number
- decision taken
- date of decision
- date decision effective

XXX Information will be retained on NR3 for a period of 25 years.

XXX Recording information on NR3 does not mean that an applicant will be automatically prevented from obtaining a licence in the future. The information is intended to ensure that licensing authorities are able to access an applicants full licensing history should an applicant apply to a different local authority. Where a request is received from another local authority, the Council may provide its reasons for the refusal or revocation of a licence.

Cross-border hiring

2.XX Cross-border hiring is a term used to describe a situation where private hire vehicles or hackney carriages, that are licensed by one licensing authority work wholly or predominantly in another licensing authority area.

- 2.17 The issue of cross-border hiring is the most acute hackney carriage and private hire licensing problem currently facing the Council. ~~In effect, if a driver applies to the Council for a licence and this application is refused, it is still very probable that a neighbouring Council will licence the driver based upon the same information that has been assessed against less robust policy criteria. Once a driver is granted a licence, they will then be able to operate across Shropshire and other Council areas despite initially being refused the licence by Shropshire Council.~~

- 2.18 This situation poses a significant risk to public safety, as well as the reputation of local government as a whole. Consequently, the Council recognises the responsibility it has to use all appropriate mechanisms and opportunities, including working with and supporting other local authorities, to protect communities outside of its immediate responsibility.

Working in partnership

- 2.19 The Council aims to work in partnership when dealing with hackney carriage and private hire licensing issues. Such partnerships will include, but are not restricted to, relevant hackney carriage and private hire trade associations, Telford & Wrekin Council, Wolverhampton City Council and other local authorities, West Mercia Police, Driver and Vehicle Standards Agency (DVSA), the Home Office, UK Border Agency, Her Majesty's Revenue and Customs (HMRC), Revenues and Benefits teams, [disability groups](#) and consumer groups.
- 2.20 However, it must be recognised that the Council, as primary regulator, will ensure that all relevant provisions relating to the effective administration of licensing functions are robustly enforced to protect the public.

PART 3

LICENSABLE ACTIVITIES

PART 3 – LICENSABLE ACTIVITIES

Introduction

- 3.0 This part of the Policy focusses on the licensable activities and the necessary steps required to obtain and hold such a licence. These steps will include the standards that applicants must attain and the conditions that apply. Where appropriate, any reference to 'applicant' is deemed to include existing licence holders.
- 3.1 The following are applicable to all licence types:
- Where an applicant has failed to declare relevant information or provided false information (e.g. failure to declare convictions including where the Council has brought the prosecution or is likely to be aware of the conviction through other means, giving false names or addresses, providing falsified references or failing to disclose in full the information requested by the Council), the application is likely to be refused; where this relates to an existing licence, the licence is likely to be revoked. Applicants are reminded that it is an offence to knowingly or recklessly make a false statement/declaration or omit any material particularly when giving information required by the application for a licence.
 - The Council is committed to ensuring that it provides a quality and efficient service to every customer; however, there are rare instances where a customer unnecessarily takes up a large amount of resources. This can lead to a detrimental effect on the ability of the Council to provide a satisfactory level of service to its other customers. Unreasonably persistent and vexatious customers are those individuals who, because of the nature or frequency of their contacts with the Council, hinder the Council's ability to effectively deliver services to its customers. Where an applicant demonstrates unreasonably persistent and vexatious behaviour the Council will take a very robust stance when deciding whether or not a person is fit and proper to hold a licence granted by the Council. Detailed guidance is available on the Councils website at <http://www.shropshire.gov.uk/feedback/corporate-complaints/>.
 - All licence fees are payable at the time of application. Where a licence is not granted, i.e. the applicant withdraws their application; a proportion of the licence fee will be refunded. The actual amount of the refund will depend upon the progress of the application at the time the applicant withdraws.
 - In the event that an application for a licence is paid by cheque, the application will not be valid until such time as the cheque has cleared. In the event that the cheque does not clear and the licence has been issued, the Council will seek to suspend the licence until such time as full payment has been received.
 - The application process must be completed within 6 months unless prevented from doing so by matters that are outside the applicant's control, e.g. external delays in the DBS process. Where an application is not completed within this timescale the application will be referred to the Licensing Panel for

determination. The Licensing Panel will consider each case on its own individual merits and will determine what action is appropriate and proportionate to the circumstances of the case.

- Where a licence has been surrendered or revoked a new application must be submitted in accordance with the relevant new licence procedures before the Council will consider the application.
- When a licence expires, the Council will not permit any 'periods of grace' for the submission of a renewal application unless there is satisfactory evidence of exceptional circumstances that are accepted by the Council.

Appointments

- 3.2 The Council runs an appointment system. Applicants will not be seen without an appointment.
- 3.3 To assist operators, drivers and proprietors to be allocated appointments in a timely manner, the Council will notify all operators, drivers and proprietors of vehicles that their licence is due to expire at least four weeks before the actual expiry of a licence. This is not a legal requirement and responsibility for ensuring that an application for renewal is submitted before the expiry of the licence lies solely with the operator, driver and proprietor.

Criminal record disclosure

- 3.4 The Council follows the Disclosure and Barring Service (DBS) Revised Code of Practice for Disclosure and Barring Service Registered Persons ~~and Other Recipients of Disclosure Information~~ (November 2015) ~~April 2009~~ and abides by the handling of DBS certificate information requirements on the secure storage, handling, use, retention and disposal of disclosure certificates and certificate information. Further information about the DBS can be found on the GOV.UK website at:
<https://www.gov.uk/government/organisations/disclosure-and-barring-service/about>
- 3.5 The Council will accept an Enhanced DBS disclosure ~~report~~certificate issued as part of an application made through a separate organisation providing:-
- it is to the same standard;
 - the original DBS ~~certificate~~report is presented to the Council;
 - the applicant has subscribed to the DBS Update Service; and
 - the applicant has authorised the Council to access the relevant online record.
- 3.6 It is a requirement of the Councils application process that an applicant must subscribe to the DBS Update Service within 30 calendar days of the DBS ~~certificate~~report being issued. ~~All licensed drivers must be subscribed to the DBS Update Service by 31 March 2022.~~

XXX The DBS Update Service allows the Council to check the status of an existing DBS certificate, providing permission has been given by the applicant and providing the

certificate applies to the same workforce and where the same type and level of criminal record check is required.

XXX The DBS Update Service will provide the Council with one of the following three statuses:

1. This DBS certificate did not reveal any information and remains current as no further information has been identified since its issue
 - This means the DBS certificate when issued was blank - it did not reveal any information about the person and no new information has been found since its issue and can therefore be accepted as being still current and valid
2. This DBS certificate remains current as no further information has been identified since its issue.
 - This means the DBS certificate revealed information about the person and no new information has been found since its issue and can therefore be accepted as being still current and valid
3. This DBS certificate is no longer current. Please apply for a new DBS check to get the most up-to-date information
 - This means new information has come to light since the DBS certificate was issued and an applicant will need to apply and pay for a new DBS check to see this new information

XXX All licensed drivers must be subscribed to the DBS Update Service by 31 March 2022.

- 3.7 Drivers who undertake work for Council transport contracts are advised that the Licensing Team will share DBS information with to contact the Council's Passenger Transport Team. in order to ascertain the standard of criminal record disclosure required and any other requirements in this respect. The Passenger Transport Team will share information with the Licensing Team about individuals and businesses that apply and/or tender to deliver passenger transport contracts and any complaints that they receive. Conversely, the Licensing Team will share information with the Passenger Transport Team where concerns are raised in regard to the conduct of a licensed driver.

Public Registers

- 3.8 The Council maintains a public register for hackney carriages, private hire vehicles, operators and drivers in accordance with the provisions contained within the Local Government (Miscellaneous Provisions) Act 1976 and the Town Police Clauses Act 1847.

List of Designated Wheelchair Accessible Vehicles

- 3.9 The Council maintains a list of designated wheelchair accessible vehicles in accordance with the provisions contained within the Equality Act 2010. Further information can be found at 3a.XXX, 3b.XXX, 3c.XXX, 3d.XXX and 3f.XXX.

3a. HACKNEY CARRIAGE AND PRIVATE HIRE DRIVERS**Summary**

- 3a.1 Any person who drives a hackney carriage must hold the appropriate vehicle driver's licence. Hackney carriage vehicle driver's licences are issued in accordance with section 46 of the Town Police Clauses Act 1847 [and section 59 of the Local Government \(Miscellaneous Provisions\) Act 1976](#).
- 3a.2 Any person who drives a [licensed](#) private hire vehicle ~~licence~~ must hold the appropriate vehicle driver's licence. Private hire vehicle driver's licences are issued in accordance with section 51 of the Local Government (Miscellaneous Provisions) Act 1976.
- 3a.3 The Council will issue a drivers licence to applicants who meet the fit and proper person test and this will permit the driving of both hackney carriage and private hire vehicles, unless an applicant makes a specific request to the Council for either a hackney carriage driver licence or a private hire vehicle driver licence.

Fit and proper person

- 3a.4 Licensed drivers provide a public service. The Council will not licence anyone to drive a hackney carriage or private hire vehicle unless it is satisfied that they meet all the criteria to be deemed a fit and proper person.
- 3a.5 In considering the fit and proper person test, all applicants on initial application must complete an enhanced Disclosure and Barring Service (DBS) check ~~and~~ undergo a medical examination. ~~—~~ All applicants on renewal must complete an enhanced Disclosure and Barring Service (DBS) check. [On new and renewal applications](#) ~~T~~the Council will also make additional enquiries through [the national register for hackney carriage and private hire licence revocations and refusals](#), its Care First system (or equivalent if this is replaced or if it is necessary to seek details from other local authorities), directly with West Mercia Police (and other relevant police forces, where appropriate), other relevant local authorities (particularly Telford & Wrekin Council and Wolverhampton City Council) and any other appropriate organisation, agency or person in order to ensure the Council is in a position to make as accurate an assessment of the applicant's fitness to hold a licence as is reasonably practicable.
- 3a.6 With specific reference to existing licence holders, where there is any cause for a licence to be reviewed, the Council will make additional enquiries through [the national register for hackney carriage and private hire licence revocations and refusals](#), its Care First system (or equivalent if this is replaced or if it is necessary to seek details from other local authorities), directly with West Mercia Police (and other relevant police forces, where appropriate), other relevant local authorities (particularly Telford & Wrekin Council and Wolverhampton City Council) and any other appropriate organisation, agency or person in order to ensure the Council is in a position to make as accurate an assessment of the licence holders fitness to hold a licence as is reasonably practicable. [Depending on the circumstances of the case](#), ~~T~~the Council may request the licence holder to consent to a further enhanced DBS check, the cost of which lies with the

licence holder. Where a licence holder refuses to consent to a further check the Council will take this into consideration in determining their continuing fitness to hold a licence.

- 3a.7 Where an existing licence holder has had their licence refused ~~or~~, revoked ~~or suspended~~ the details will be recorded on the national register for hackney carriage and private hire licence revocations and refusals. Furthermore, where the Council receives a request for further information from another licensing authority ~~deems it necessary~~, it may ~~will~~ provide ~~notify any relevant authorities or appropriate organisations of~~ the reasons for refusal ~~or~~ revocation ~~or suspension~~.
- 3a.8 When assessing the fitness of an applicant to hold a drivers licence, the Council will consider the applicant's criminal history as a whole, together with all other relevant evidence, information and intelligence including their history (e.g. complaints and positive comments from the public, compliance with licence conditions and willingness to co-operate with licensing officers) whilst holding a licence from the Council or any other authority. Particular attention will be given to patterns of behaviour, irrespective of the time-scale over which they have occurred, both in terms of proven criminal offences and other behaviour/conduct that may indicate the safety and welfare of the public may be at risk from the applicant.
- 3a.9 In addition, an important element associated with the fitness to hold a licence is the appearance (be clean and respectable in their dress and person and maintain a high standard of personal hygiene) and behaviour of a licensed driver. Consequently, the Council requires all licensed drivers to maintain a reasonable standard of appearance and behaviour when in contact and dealing with all persons, including but not limited to, other road users, pedestrians, customers, the general public, other licensed operators and drivers of hackney carriage and private hire vehicles, Council officers and elected members at all times. Applicants and licensed drivers must also co-operate with any reasonable request made by an authorised officer of the Council or any police officer.
- 3a.10 It must also be recognised that the Council will consider all criminal history, behaviour and conduct irrespective of whether the specific history, behaviour or conduct occurred whilst drivers were directly engaged in hackney carriage or private hire licensed work at the time or whether they occurred during the drivers' own personal time. The Council considers a person or individual who has a propensity to commit offences and/or demonstrate unacceptable conduct whilst not engaged in hackney carriage or private hire work to be equally as serious as offences and/or unacceptable conduct committed whilst engaged in hackney carriage or private hire work.

Criminal record disclosure

- 3a.11 As referred to above, hackney carriage and private hire vehicle drivers are required to undertake an enhanced criminal record disclosure (DBS check) and due to the nature of the occupation such drivers are deemed to be an exempt occupation under the provisions of the Rehabilitation of Offenders Act 1974 (by virtue of the amended Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975).
- 3a.12 The effect of this, in relation to hackney carriage and private hire drivers, is to render the Rehabilitation of Offenders Act 1974 inapplicable and therefore convictions are deemed never to be spent. As a result, all convictions, including cautions, will be taken

into account when considering a person's suitability to hold a driver's licence. Consequently, applicants are required to provide details of all convictions and cautions, including driving endorsements (driving convictions) and disqualification periods relating to traffic offences.

- 3a.13 Although cautions are generally not as serious as convictions, ordinarily as a result of the circumstances under which they are offered, they do require an admission of guilt before they can be issued which is equivalent to a guilty plea on prosecution. Consequently, a caution is regarded in exactly the same way as a conviction. Fixed penalties, community resolutions or similar sanctions will also be considered in the same way as a conviction on the basis that payment of a fixed penalty indicated an acceptance of guilt and a community resolution can only be imposed following an admission of guilt. and As a result, each of these sanctions -is are therefore a valuable indication as to an applicant's character and whether they are a fit and proper person to hold or be granted a licence.
- 3a.14 A criminal record does not automatically bar an applicant from holding a drivers licence; however, it will be a significant factor when determining whether a licence ought to be granted or not. Where an applicant has previous criminal convictions, these will be considered in line with the guidance set out in **Appendix I**. However, the over-riding consideration will always be to ensure the safety and welfare of the public.
- 3a.15 Persons who have not been resident within the United Kingdom for the five years prior to submitting an application, will be required to produce a certificate of good conduct or equivalent document (at their own cost) issued by the relevant Embassy or High Commission. - 3a.18 Where an applicant is the subject of an outstanding charge or summons, their application may continue to be processed; however, depending on the circumstances, it is unlikely that a decision on the application will be made until the conclusion of the criminal proceedings. Where the outstanding charge or summons involves a serious offence and/or the individual's offending history and behaviour/conduct indicates a pattern of unlawful or unacceptable behaviour/character traits, then the application is likely to be refused.
- 3a.19 Where there is evidence/information that an applicant has been arrested or charged but not convicted of offences andbut the nature of this evidence/information suggests the applicant may not be a fit and proper person, the Council will give serious consideration to refusing an application or revoking an existing licence.

3a.XX Once an application has been accepted by the Licensing Team as a valid application the application process must be completed within 6 months unless prevented from doing so by matters that are outside the applicant's control, e.g. external delays in the DBS process. Where an application is not completed within this timescale the application will be referred to the Licensing Panel for determination. - 3a.29 Providing the above are satisfied, the Council will renew the licence subject to the receipt of a satisfactory enhanced DBS [certificatereport](#), satisfactory DVLA report and satisfactory reports through Care First (or equivalent), West Mercia Police (or other relevant force), other local authorities and any other organisation, agency or person that the Council has deemed appropriate to seek information from. It is the responsibility of the applicant to provide the Council with the DBS [certificatereport](#) within 7 days of the date of receipt. Failure to do so will result in the driver's licence being suspended or revoked.
- 3a.30 To allow continuous driving, a licence application must be received by the Council at least 10 working days prior to the expiry date of the [current original](#) licence (unless there is satisfactory evidence of exceptional circumstances that are accepted by the Council) to allow the Council sufficient time to process the renewal application. It is the Council's intention to process all valid renewal applications within 10 working days; hence, where applicants fail to submit their renewal application within this timescale, the risk that their licence will expire increases. Once a licence expires, is revoked (subject to a statutory appeal process) or surrendered, it ceases to exist and applicants would not be permitted to drive a Hackney Carriage or Private Hire Vehicle in these circumstances.
- 3a.31 Once a licence ceases to exist a renewal application will not be accepted by the Council (unless there is satisfactory evidence of exceptional circumstances that are accepted by the Council) and the applicant must submit a new driver's licence application which will be processed in accordance with the Council's new application procedures.

Arranging DBS, knowledge test, safeguarding awareness course and driver assessment

- 3a.32 Appointments are made by the Council's licensing team with the applicant to complete a DBS application form, knowledge test, safeguarding awareness course and driver assessment. ~~It is the intention of the Council to move towards a self-service online booking system to allow applicants to arrange these appointments; however, this is in development and the timescale for implementation is not yet known.~~

Safety of children and adults with care and support needs

- 3a.33 Drivers must complete the Council's hackney carriage and private hire drivers and operators safeguarding awareness course on Raising Awareness of Safeguarding Children and Adults with Care and Support Needs and provide written evidence of satisfactory completion of this training to the Council. Failure to complete this training will permit the Council to refuse to grant or to refuse to renew a driver's licence.

Knowledge test

- 3a.34 Applicants for a licence to drive a hackney carriage or private hire vehicle will be required to take and pass the Council's knowledge test. This test is aimed at assessing the driver's knowledge of streets, locations, attractions, entertainment venues and general geography of the Council's administrative area in order to satisfy the Council that the applicant will be able to convey passengers to their required destinations when they may be unfamiliar with the locality. This test will be conducted in English. Details of the knowledge test requirements are provided on the Council's website and at the time the knowledge test booking is confirmed.
- 3a.35 Normal examination conditions will apply during the knowledge test. Any person found to be using unfair means during the test will be excluded from the test and will be required to take a fresh test and pay the appropriate fee. This may also affect their fitness and propriety to be granted a licence.
- 3a.36 Where an applicant arrives late and the knowledge test has started, the applicant will be turned away. The Council will deem that the applicant has failed the test and the applicant will be required to take a subsequent test and pay the appropriate fee, unless the applicant is able to prove their late arrival was due to circumstances outside of their control. This is subject to a manager who has responsibility for licensing permitting a further test or tests where the circumstances are considered appropriate. the Council will deem that the applicant has failed the test and the applicant will be required to take a subsequent test and pay the appropriate fee.
- 3a.37 The charge for the initial knowledge test is included in the licence fee. Where an applicant fails the knowledge test there is an additional fee for every subsequent test and every missed test.
- 3a.XX Once an appointment has been allocated for the test, the applicant must give 48 hours notice2-clear-working-days' notice to cancel an appointment otherwise they will be required to pay the test fee. In such circumstances the Council will deem that the applicant has failed the test.
- 3a.38 An applicant is permitted to take the knowledge test up to a maximum of 3 times per application, subject to the additional re-test fees being paid. Where an applicant fails the knowledge test three times, the application will be refused, subject to a manager who has responsibility for licensing permitting a further test or tests where the circumstances are considered appropriate.
- 3a.39 The holder of a drivers licence may be required to satisfactorily undertake a further knowledge test or tests at the discretion/request of an authorised officer of the Council, the Licensing Panel or the Licensing and Safety Sub-Committee, as set out in Part 2, paragraph 2.12 of the Policy. An applicant is responsible for paying the fee for any subsequent knowledge tests.
- 3a.40 Failure to submit to or pass any knowledge test will permit the Council to refuse to grant or renew a driver's licence or to revoke or suspend the licence as required.

Road safety and ability test (driver assessment)

- 3a.41 Applicants for a licence to drive a hackney carriage or private hire vehicle will be required to take and pass the Council's driver assessment. This assessment aims to ensure drivers demonstrate a high degree of road safety awareness and excellent driving ability. Details of the assessment requirements are provided at the time the assessment booking is confirmed. ~~Where a driver assessment is undertaken in a vehicle with automatic transmission the driver will only be permitted to drive an automatic licenced vehicle.~~
- 3a.42 Where an applicant arrives late for the Council's driving assessment, the applicant will be turned away. ~~The Council will deem that the applicant has failed the test and the applicant will be required to take a subsequent test and pay the appropriate fee, unless the applicant is able to prove their late arrival was due to circumstances outside of their control. This is subject to a manager who has responsibility for licensing permitting a further test or tests where the circumstances are considered appropriate.~~
- 3a.43 The charge for the initial driver assessment is included in the licence fee. Where an applicant fails the assessment there is an additional fee for every subsequent assessment and every missed assessment.
- 3a.XX Once an appointment has been allocated for the assessment, the applicant must give 2 clear working days' 48 hours notice to cancel an appointment otherwise they will be required to pay the assessment fee. In such circumstances the Council will deem that the applicant has failed the assessment.
- 3a.44 An applicant is permitted to take the assessment up to a maximum of 3 times per application, subject to the additional re-assessment fees being paid. Where an applicant fails the driver assessment 3 times, the application will be refused, subject to a manager who has responsibility for licensing permitting a further assessment or assessments where the circumstances are considered appropriate.
- 3a.45 The holder of a drivers licence will be required to satisfactorily undertake a further driver assessment or assessments at the discretion/request of an authorised officer of the Council, the Licensing Panel or the Licensing and Safety Sub-Committee, as set out in Part 2, paragraph 2.12 of the Policy. An applicant is responsible for paying the fee for any subsequent driving assessments.
- 3a.46 Failure to pass any driver assessment will permit the Council to refuse to grant or renew a driver's licence or to revoke or suspend the licence ~~as required.~~

Medical requirements

- 3a.47 The Council is permitted to satisfy itself that an applicant for a licence is mentally and physically fit and remains so during the currency of any licence. Consequently, all applicants for a hackney carriage or private hire vehicle driver's licence are required to undertake a medical examination on initial application, at defined intervals thereafter and at any other such time as the Council requires to ensure their fitness to drive. The standard required is the 'Group 2 Entitlement'. No grandfather rights are given by the Council in relation to medical matters. The standards required are set out in the DVLA

publication 'Assessing fitness to drive – a guide for medical professionals' and can be found on the GOV.UK website at <https://www.gov.uk/government/publications/assessing-fitness-to-drive-a-guide-for-medical-professionals>.

- 3a.48 Applicants must undertake the medical examination and provide a satisfactory medical report and certificate before a licence is issued and then every 5 years from the age of 45, or sooner if stipulated by the examining doctor.
- 3a.49 Applicants over the age of 65 or who attain the age of 65 during a licensed period must undertake a medical examination and provide a satisfactory medical report and certificate annually.
- 3a.50 In particular, applicants must consider the medical conditions listed in the DVLA publication "Assessing fitness to drive – a guide for medical professionals' as the Council may refuse to grant an application or revoke an existing licence where an applicant is unable to meet the nationally recommended guidelines in respect of the listed medical conditions.
- 3a.51 If once licensed, the driver's medical circumstances change during the currency of the licence, the driver must inform the Council within 7 days. The Council may require the driver to immediately undertake a further medical examination and provide an approved medical report and certificate confirming the outcome of this examination and the driver's fitness (or otherwise) to continue as a licensed driver. [An applicant is responsible for paying the fee for any subsequent medical examinations.](#)
- 3a.52 Should an authorised officer of the Council have reason to believe that a licensed hackney carriage or private hire vehicle driver has a medical condition that renders them unfit to drive, this includes but is not restricted to alcohol or drug misuse, a further independent medical examination will be requested, to a standard set by the Council, at a cost to the applicant.
- 3a.53 All medical examinations must be carried out by the applicant's registered General Practitioner (GP) or any registered GP/Medical Practitioner who confirms in writing that they have seen the applicant's medical records. The GP must be qualified and registered with the General Medical Council. The Council reserves the right to refer any medical matters to its own appointed Medical Officer who will review the medical fitness (or otherwise) of a driver to continue driving. The decision as to whether the driver can continue as a licensed driver will lie with the authorised officer of the Council, the Licensing Panel or the Licensing and Safety Sub-Committee (subject to the statutory right of appeal).
- 3a.54 The Council will not grant or renew, as the case may be, any driver's licence unless the foregoing provisions are complied with and the driver can demonstrate that they are medically fit to hold a drivers licence.
- 3a.55 With respect to current licence holders, if it is deemed necessary to do so, a licence may be revoked or suspended in the interests of protecting the public until further medical examination(s) has/have been carried out or if the licence holder is unable to demonstrate that they are medically fit to hold a drivers licence.

Medical exemption applications

- 3a.56 Medical exemptions involving the carriage of disabled persons and assistance dogs may apply to new applicants or licensed drivers who suffer from certain medical conditions. Where this is the case, the applicant/licensed driver must apply for an exemption from the requirements under the Equality Act 2010.
- 3a.57 Applications for a medical exemption must be on the approved Shropshire Council medical exemption application form and must include sufficient proof that an applicant has a history of a specific medical problem(s) that meets the requirements for a medical exemption to be granted. The medical exemption certificate must be completed by the applicant's registered General Practitioner (GP) or any registered GP/Medical Practitioner who confirms in writing that they have seen the applicant's medical records. The GP must be qualified and registered with the General Medical Council.
- 3a.58 The Council reserves the right to refer any medical matters to its own appointed Medical Officer who will review the medical fitness (or otherwise) of a driver to continue driving.
- 3a.59 The decision as to whether an exemption from the duties is granted will lie with the authorised officer of the Council, the Licensing Panel or the Licensing and Safety Sub-Committee (subject to the statutory right of appeal) who may resolve to grant the exemption [for a limited or unlimited period](#) or to refuse the exemption.
- 3a.60 The Council reserves the right to refuse to grant an exemption if sufficient medical proof is not provided and it is deemed appropriate to do so.

DVLA and other relevant driving licences

- 3a.61 A person applying for a drivers licence must have held a full DVLA [category B or /EC/EEA category B](#) driving licence for at least 3 years at the time of application. This includes [European Union \(EU\)](#), European Economic Area (EEA) and Northern Ir[elandish](#) licences. [The 3 year period is calculated from the date of issue of the full driving licence.](#)
- 3a.62 Throughout the currency of the licence, the driver must possess a full driving licence in accordance with the above requirements.
- 3a.63 Applicants are required to produce the original of their driving licence. Copies will not be accepted. Where a driving licence has a photo card and counter-part paper licence, applicants must produce both parts and they must be of the same issue number. [For those driving licences where the paper counterpart is not issued by the DVLA, the photo card must be provided and the Council will undertake the necessary additional on-line check.](#)
- 3a.64 All applicants holding driving licences issued by agencies other than the DVLA must produce a certificate to show a driving record from the country of issue.
- 3a.65 As the Council is particularly concerned to ensure the safety of the travelling public, evidence that a full driving licence is held by an applicant or an existing licence holder in

accordance with the above requirements is not necessarily sufficient evidence that a driver is a fit and proper person for the purposes of this Policy.

List of designated wheelchair accessible vehicles

3a.XXX Section 167 of the Equality Act 2010 permits local authorities to maintain a designated list of wheelchair accessible vehicles. Shropshire Council has taken the decision to maintain such a list.

3a.XX Section 165 imposes legal duties on the driver of a designated hackney carriage and private hire vehicle, which has been hired by or for a disabled person in a wheelchair, or by another person who wishes to be accompanied by a disabled person who is in a wheelchair.

3a.XX All wheelchair accessible vehicles must be capable of transporting the user of a “reference wheelchair” and will be included within the Council’s list of designated vehicles. Specifications for a “reference wheelchair” can be found at **Appendix J**.

3a.XX Section 166 of the Equality Act 2010 allows for drivers to apply for an exemption from the duties listed under section 165 of the Act on medical grounds or because the driver’s physical condition makes it impossible or unreasonably difficult for them to comply with those duties. Further information can be found at paragraphs 3a.56 – 3a.60 of this section.

3a.XX Proprietors have a responsibility to ensure that any Shropshire Council licensed driver who drives one of their wheelchair accessible vehicles is made aware of their duties in respect of carrying disabled persons in wheelchairs when driving a licensed wheelchair accessible vehicle.

3a.XX Failure to comply with the duties listed under section 165 of the Equality Act 2010 is a criminal offence.

3a.76 Touting

A proprietor or driver of a hackney carriage, when standing or plying for hire, must not call out or otherwise importune any person to hire such vehicle and must not make use of the services of any other person for this purpose. Transitional Arrangements

~~3b.9 With respect to hackney carriages licensed prior to this Policy coming into effect, the following transitional arrangements apply between the 1 April 2019 and 31 March 2021.~~

~~For vehicle licences due for renewal between 1 April 2019 and 31 March 2021, the proprietor of a non-wheelchair accessible vehicle will be permitted to renew their existing licensed vehicle.~~

~~For vehicle licences due for renewal between 1 April 2021 and 31 March 2022, the proprietor must ensure their vehicle is wheelchair accessible at the date the licence is due for renewal from 1 April 2021 onwards.~~

Intended use of vehicles

3b.10 The Council operates an ‘Intended Use and Licensing of Hackney Carriages Policy’. All applicants are required to pay particular attention to this policy, in particular if your address falls outside the administrative area of Shropshire Council; full details are set out at **Appendix K**.

Applicant

3b.11 The applicant for a vehicle licence must be the person who is the legal owner of the vehicle concerned and entitled to have ownership of the vehicle².

Fit and proper person

3b.12 The proprietor of a licensed hackney carriage provides a public service that impacts on public safety. On this basis, the Council will not licence a vehicle as a hackney carriage unless it is satisfied that the proprietor of the vehicle meets all the criteria to be deemed a fit and proper person.

3b.13 Proprietors who apply for a hackney carriage licence and who hold a valid Shropshire Council hackney carriage/private hire drivers licence or a valid Shropshire Council private hire operator licence

3b.14 The Council adopts the same principles when determining whether an applicant is a fit and proper person to hold a vehicle licence as it does to persons applying for a drivers licence. In this respect, applicants are required to have due regard, as appropriate, to the requirements and information set out at paragraphs 3a.4 to 3a.19 of the Policy.

² There is no legal definition of proprietor within relevant legislation; however, the Council has taken the view that proprietor means the legal owner based on common usage of the term.

- 3b.15 Proprietors who apply for a hackney carriage licence and who do not hold a valid Shropshire Council hackney carriage/private hire drivers licence or a valid Shropshire Council private hire operator licence
- 3b.16 In considering the fit and proper person test, all applicants on initial application must provide complete a basic criminal record disclosure from the Disclosure and Barring Service. All applicants on renewal must provide a satisfactory basic criminal record disclosure that has been issued by the Disclosure and Barring Service within the previous 12 months of the date that the application is received by the Council. On new and renewal applications ~~T~~the Council will also make additional enquiries through its Care First system (or equivalent if this is replaced or if it is necessary to seek details from other local authorities), directly with West Mercia Police (and other relevant police forces, where appropriate), other relevant local authorities (particularly Telford & Wrekin Council and Wolverhampton City Council) and any other appropriate organisation, agency or person in order to ensure the Council is in a position to make as accurate an assessment of the applicant's fitness to hold a licence as is reasonably practicable.
- 3b.17 With specific reference to existing licence holders, where there is any cause for a licence to be reviewed, the Council will make additional enquiries through its Care First system (or equivalent if this is replaced or if it is necessary to seek details from other local authorities), directly with West Mercia Police (and other relevant police forces, where appropriate), other relevant local authorities (particularly Telford & Wrekin Council and Wolverhampton City Council) and any other appropriate organisation, agency or person in order to ensure the Council is in a position to make as accurate an assessment of the licence holders fitness to hold a licence as is reasonably practicable. Depending on the circumstances of the case, the Council may request the licence holder to consent to a further basic criminal record disclosure, the cost of which lies with the licence holder. Where a licence holder refuses to consent to a further check the Council will take this into consideration in determining their continuing fitness to hold a licence.
- 3b.18 When assessing the fitness of an applicant to hold a hackney carriage proprietors licence, the Council will consider the applicant's criminal history as a whole, together with all other relevant evidence, information and intelligence including their history (e.g. complaints and positive comments from the public, compliance with licence conditions and willingness to co-operate with licensing officers) whilst holding a licence from the Council or any other authority. Particular attention will be given to patterns of behaviour, irrespective of the time-scale over which they have occurred, both in terms of proven criminal offences and other behaviour/conduct that may indicate the safety and welfare of the public may be at risk from the applicant.
- 3b.19 In addition, an important element associated with the fitness to hold a licence is the appearance (be clean and respectable in their dress and person and maintain a high standard of personal hygiene) and behaviour of an applicant. Consequently, the Council requires all applicants to maintain a reasonable standard of appearance and behaviour when in contact and dealing with all persons, including but not limited to, other road users, pedestrians, customers, the general public, other licensed operators and drivers of hackney carriage and private hire vehicles, Council officers and elected members at

all times. Applicants must also co-operate with any reasonable request made by an authorised officer of the Council or any police officer.

- 3b.20 It must also be recognised that the Council will consider all criminal history, behaviour and conduct irrespective of whether the specific history, behaviour or conduct occurred whilst applicants were directly engaged in hackney carriage or private hire licensed work at the time or whether they occurred during the applicants' own personal time. The Council considers a person or individual who has a propensity to commit offences and/or demonstrate unacceptable conduct whilst not engaged in hackney carriage or private hire work to be equally as serious as offences and/or unacceptable conduct committed whilst engaged in hackney carriage or private hire work.

Criminal record disclosure

- 3b.21 All convictions, including cautions, will be taken into account when considering a person's suitability to hold a licence. Consequently, applicants are required to provide details of all convictions and cautions, including driving endorsements (driving convictions) and disqualification periods relating to traffic offences.

- 3b.22 Although cautions are generally not as serious as convictions, ordinarily as a result of the circumstances under which they are offered, they do require an admission of guilt before they can be issued which is equivalent to a guilty plea on prosecution. Consequently, a caution is regarded in exactly the same way as a conviction. Fixed penalties, community resolutions or similar sanctions will also be considered in the same way as a conviction on the basis that payment of a fixed penalty indicated an acceptance of guilt and a community resolution can only be imposed following an admission of guilt. As a result, each of these sanctions is a valuable indication as to an applicant's character and whether they are a fit and proper person to hold or be granted a licence.

~~Although cautions are generally not as serious as convictions, they do require an admission of guilt before they can be issued and are therefore a valuable indication as to an applicant's character and whether they are a fit and proper person to hold or be granted a licence.~~

- 3b.23 A criminal record does not automatically bar an applicant from holding a licence; however, it will be a significant factor when determining whether a licence ought to be granted or not. Where an applicant has previous criminal convictions, these will be considered in line with the guidance set out in **Appendix I**. However, the over-riding consideration will always be to ensure the safety and welfare of the public.

- 3b.24 Persons who have not been resident within the United Kingdom for the five years prior to submitting an application, will be required to produce a certificate of good conduct or equivalent document (at their own cost) issued by the relevant Embassy or High Commission. The certificate must be authenticated, translated and sealed by the Embassy or High Commission. In the event that an applicant is not able to obtain a certificate of good conduct, they may submit a statutory declaration with regard to their conduct, which must be completed in the presence of a practising solicitor. The Council may contact the relevant Embassy, High Commission, solicitor or other appropriate body to verify any documents provided. Proof of a right to work in the United Kingdom

~~will also be required.~~ Contact details for Embassies and High Commissions can be found from the Foreign & Commonwealth Office (FCO) on the GOV.UK website at <https://www.gov.uk/government/world>. The FCO may be contacted for further assistance by telephone on 020 7008 1500, by email at fcocorrespondence@fco.gov.uk or by post at the FCO, King Charles Street, London, SW1A 2AH.

- 3b.25 Applicants who have spent six continuous months or more living outside the United Kingdom, during the period of their licence, will be required to produce a certificate of good conduct or equivalent document at their own cost. This certificate must be issued by the relevant Embassy or High Commission for the country or countries lived in during this period and meet the requirements as set out at 3b.24 above.

Right to work

3a.XX The Immigration Act 2016 amended existing licensing requirements in the UK to prevent illegal working in the hackney carriage and private hire licensing trade. With effect from 1 December 2016, the provisions in the Immigration Act 2016 prohibits all licensing authorities across the UK from issuing a licence to anyone who is disqualified by reason of their immigration status.

3a.XX All applicants must provide evidence of their right to work in the UK in accordance with the Home Office requirements. For further information see: <https://www.gov.uk/government/publications/licensing-authority-guide-to-right-to-work-checks> for additional information

Non-conviction information

- 3b.26 In addition to conviction/caution information, applicants are expected to provide details, within 72 hours of all warnings, driving endorsements (driving convictions)/disqualification periods relating to traffic offences, fixed penalties, ~~community resolutions penalty charge notices~~ and any other similar sanctions, together with any charges or arrests that they are the subject of in connection with criminal offences, whether or not actually charged with the offence, and details of any allegations of involvement in criminal activity or where they have been questioned in connection with any alleged criminal activity or inappropriate/unacceptable behaviour or any other relevant pending matter.
- 3b.27 Where an applicant is the subject of an outstanding charge or summons, their application may continue to be processed; however, depending on the circumstances, it is unlikely that a decision on the application will be made until the conclusion of the criminal proceedings. Where the outstanding charge or summons involves a serious offence and/or the individual's offending history and behaviour/conduct indicates a pattern of unlawful or unacceptable behaviour/character traits, then the application is likely to be refused.
- 3b.28 Where there is evidence/information that an applicant has been arrested or charged but not convicted of offences ~~and but~~ the nature of this evidence/information suggests the

applicant may not be a fit and proper person, the Council will give serious consideration to refusing an application or revoking an existing licence.

Period of licence

3b.29 Vehicle licences will be issued for [a maximum period of](#) 12 months.

Vehicle licence plates

3b.30 The external plates (front and rear) and the internal plate, identifying the vehicle as a hackney carriage, show the licence details on a white background with the Shropshire Council logo.

Safety

- 3b.34 The Council will not licence any new vehicle that since the date of first registration has been recorded by the DVLSA as having sustained structural damage resulting from a road traffic accident ~~rendering it beyond economical repair~~ (an insurance 'Write Off' under the DVLA's Category S – Structural damage classification for vehicle that has sustained damage after 1 October 2017 or Category C where a vehicle has sustained damage, rendering it beyond economical repair, prior to 1 October 2017). This information can be found in Part 3 – Special Notes of the V5 registration Certificate.
- 3b.35 Hackney carriages that have been specifically constructed or adapted for disability access and any M1 (not M2 or N1) vehicles that have been adapted to be a hackney carriage must provide one of the following documents in order to demonstrate that the vehicle has been converted to an acceptable standard:
- Where the vehicle has come off the production line as a purpose built wheelchair accessible vehicle there will be a Vehicle Certification Agency (VCA) certificate, which demonstrates that the vehicle has been constructed to an

acceptable safety standard, providing there have been no changes to the layout of the vehicle since the VCA was issued.

- Where the vehicle is modified after production, but before first registration, there may be an Individual Approval Certificate (IAC) available, which will demonstrate that the adaptations have been tested by DVSA (VOSA) and are to an acceptable safety standard, providing there have been no changes to the conversion since the IAC was issued. This may be referred to as a Statutory Individual Vehicle Approval.
- Vehicles that are converted for disability access after first registration must be submitted for a Basic Voluntary IVA (Individual Vehicle Approval). This is the route that vehicles are required to take where there is no VCA certificate or IAC available. Vehicles must be presented to the DVSA for a Basic Voluntary IVA inspection Class P – Personal Import. If the vehicle passes the inspection it will receive a Certificate of Compliance (IVA 6). The Voluntary IVA checks the whole of the vehicle, not only the parts that have been converted and is similar to a very strict MOT test.

List of Designated Wheelchair Accessible Vehicles

- 3b.36 Section 167 of the Equality Act 2010 permits local authorities to maintain a designated list of wheelchair accessible vehicles. Shropshire Council has taken the decision to maintain such a list.
- 3b.37 All wheelchair accessible vehicles must be capable of transporting the user of a “reference wheelchair” and will be included within the Council’s list of designated vehicles. Specifications for a “reference wheelchair” can be found at **Appendix J**.
- 3b.38 Section 166 of the Equality Act 2010 allows for drivers to apply for an exemption from the duties listed under section 165 of the Act on medical grounds or because the driver’s physical condition makes it impossible or unreasonably difficult for them to comply with those duties. [For further information see paragraphs 3a.56 to 3a.60.](#)
- 3b.39 Proprietors have a responsibility to ensure that any Shropshire Council licensed driver who drives one of their wheelchair accessible vehicles is made aware of their duties in respect of carrying disabled persons in wheelchairs when driving a licensed wheelchair accessible vehicle.

- The vehicle must have a valid MOT throughout the licence period.
- With respect to a licensed vehicle, in the event that a proprietor fails to present to the Council an MOT test certificate as required (unless delayed or prevented by sufficient cause accepted and agreed by the Council), the Council may suspend the licence and require the proprietor of that hackney carriage to return all the plates to the Council subject to any appeal period.
- Shropshire Council reserves the right to require proprietors to rectify any items listed under minor or advisory information on an MOT certificate and to provide evidence that the work has been completed to the Council within a timescale specified by the Council. In the event that a proprietor fails to rectify any items requested by the Council (unless delayed or prevented by sufficient cause accepted and agreed by the Council), the Council may suspend the licence and require the proprietor of that hackney carriage to return all the plates to the Council subject to any appeal period.

- 3b.54 To allow the vehicle’s licence to be renewed, a renewal application form must be received by the Council at least 10 working days prior to the expiry date of the original

It is the Council's intention to process all valid renewal applications within 10 working days; hence, where applicants fail to submit their renewal application within this timescale, the risk that their licence will expire increases. Once a licence expires, is revoked (subject to a statutory appeal process) or surrendered, it ceases to exist and applicants would not be permitted to drive the Hackney Carriage Vehicle in these circumstances.

- 3b.55 Once a licence ceases to exist a renewal application will not be accepted by the Council and the applicant must submit a new vehicle licence application which will be processed in accordance with the Council's new application procedures.

- 3b.XX Once an application has been accepted by the Licensing Team as a valid application the application process must be completed within 6 months unless prevented from doing so by matters that are outside the applicant's control. Where an application is not completed within this timescale the application will be referred to the Licensing Panel for determination. The Licensing Panel will consider each case on its own individual merits and will determine what action is appropriate and proportionate to the circumstances of the case.

~~The application form must be fully completed and include all relevant information, supporting documentation and appropriate fee. If any part of the application form is incomplete or the relevant information or supporting documentation is not provided, the applicant will be requested to provide the missing information/documentation and informed that the application will not be processed until such time as all the information/documentation is provided. - where the vehicle is fitted with a mechanically operated ramp, a valid certificate/report confirming the ramp complies with the requirements of the Lifting Operations and Lifting [Equipment](#) Regulations 1998 (**NB** The proprietor is responsible for ensuring that a competent person carries out the necessary checks in accordance with these Regulations.);
- where non-mechanical ramps are used, confirmation from the proprietor of the vehicle that the ramps comply with the relevant provisions of the Provision and Use of Work Equipment Regulations 1998. require photographic evidence of the damage or for the vehicle to be presented for inspection by an authorised officer of the Council.

- 3b.70 If the authorised officer determines that a vehicle is not fit for the purpose of conveying passengers an authorised officer of the Council may at that time suspend the licence and require the proprietor of the vehicle to return all the vehicle plates to the Council. The suspension will be lifted and the plates returned at such time when the condition of the vehicle is demonstrated, to the satisfaction of the Council, to be fit for conveying passengers.
- 3b.71 The officer may require the proprietor to arrange for a further MOT test, or in respect of wheelchair accessible vehicles a basic voluntary IVA test, to be undertaken and certificate produced before the vehicle will be permitted to operate; this is at the discretion of the authorised officer.

conduct may be deemed a reasonable cause to revoke or suspend the licence or to take any other appropriate action.

LPG converted vehicles

- 3b.78 The Council must be satisfied that any vehicle that has been converted to LPG has been converted correctly prior to a licence being issued. To this end, the Council will undertake checks with the UK LPG Vehicle Register. ~~In addition, vehicles that are converted to LPG must have a petrol/diesel fuel tank with a capacity not exceeding 10 litres.~~
- 3b.79 With respect to new applications, where it is established that a conversion has not been undertaken correctly and/or the vehicle is unsafe in any way, the Council will refuse the application.

The Council will consult with hackney carriage licence holders when a proposed change to the hackney carriage fares has been received. This does not preclude the Council from putting forward changes to the fares or taking a decision not to accept the application from the trade.

3b.86 Change of address

The proprietor of a hackney carriage must notify the Council in writing, within 7 days, of any change of their address.

3b.87 Retention of drivers licences

A proprietor of a hackney carriage must ensure that each driver's licence is lodged with the proprietor before the driver is employed to carry out work and must retain the licence in their possession for the period during which the driver remains in their employ. When a driver leaves the employ of a proprietor, the proprietor must return the driver's licence unless the licence holder has been guilty of misconduct in which case the operator may retain the licence and must issue a summons to have the cause of complaint determined by the Courts. (Note: If the Courts find that the licence has been improperly retained they have the powers to order its return and to award compensation.)

3b.88 Inspection

The proprietor must present their hackney carriage for inspection/testing by the Council as required, up to a maximum of 3 times per year.

3b.89 The proprietor must provide, on request, the address where the hackney carriage is kept and allow the Council to inspect/test the vehicle at that address.

3b.94 Ranks

Hackney carriage ranks/stands are provided in accordance with the Local Government (Miscellaneous Provisions) Act 1976. The Council may appoint ranks/stands for hackney carriages. It is not a mandatory statutory requirement for the Council to do so. Before providing ranks/stands the Council will liaise with the police and the Highways section of the Council and where the location of a rank is on private land the Council must obtain permission of the landowner.

3b.95 Fares

Drivers of hackney carriages must not charge more than is permitted under the current table of fares. Drivers undertaking journeys ending outside the Council's area and in respect of which no fare and no rate of fare was agreed before the journey commenced must not charge more than that indicated on the taximeter or more than the current table of fares allows.

- 3b.96 Where a hackney carriage is used for a private hire contract the fare charged must not exceed the fares set down in the current table of fares.

3c.**STANDARD PRIVATE HIRE VEHICLES****Summary**

- 3c.1 Private hire vehicles are licensed in accordance with the provisions of the Local Government (Miscellaneous Provisions) Act 1976. Private hire vehicles must not have the appearance of a hackney carriage vehicle.
- 3c.2 When considering whether a vehicle is a private hire vehicle, by the nature of the work it does, Shropshire Council shall have regard to the document Private Hire Vehicle Licensing - A note for guidance from the Department for Transport (August 2011).
- 3c.3 The Council legally cannot limit the number of private hire vehicle licences that it will issue.
- 3c.4 The Council will not licence a vehicle for hire and reward which is licensed by another local authority or allow or permit a private hire vehicle identification plate issued by another authority to be displayed on the vehicle.

Applicant

- 3c.5 The applicant for a vehicle licence must be the person who is the legal owner of the vehicle concerned and entitled to have ownership of the vehicle³.

Fit and proper person

- 3c.6 The proprietor of a licensed private hire vehicle provides a public service that impacts on public safety. On this basis, the Council will not licence a vehicle as a private hire vehicle unless it is satisfied that the proprietor of the vehicle meets all the criteria to be deemed a fit and proper person.

3c.7 Proprietors who apply for a private hire vehicle licence and who hold a valid Shropshire Council hackney carriage/private hire drivers licence or a valid Shropshire Council private hire operator licence

- 3c.8 The Council adopts the same principles when determining whether an applicant is a fit and proper person to hold a vehicle licence as it does to persons applying for a drivers licence. In this respect, applicants are required to have due regard, as appropriate, to the requirements and information set out at paragraphs 3a.4 to 3a.19 of the Policy.

3c.9 Proprietors who apply for a private hire vehicle licence and who **do not** hold a valid Shropshire Council hackney carriage/private hire drivers licence or a valid Shropshire Council private hire operator licence

- 3c.10 In considering the fit and proper person test, all applicants on initial application must provide complete a basic criminal record disclosure from the Disclosure and Barring

³ There is no legal definition of proprietor within relevant legislation; however, the Council has taken the view that proprietor means the legal owner based on common usage of the term.

Service. All applicants on renewal must provide a ~~satisfactory~~ basic criminal record disclosure that has been issued by the Disclosure and Barring Service within the previous 12 months of the date that the application is received by the Council. [On new and renewal applications](#) The Council will also make additional enquiries through its Care First system (or equivalent if this is replaced or if it is necessary to seek details from other local authorities), directly with West Mercia Police (and other relevant police forces, where appropriate), other relevant local authorities (particularly Telford & Wrekin Council and Wolverhampton City Council) and any other appropriate organisation, agency or person in order to ensure the Council is in a position to make as accurate an assessment of the applicant's fitness to hold a licence as is reasonably practicable.

- 3c.11 With specific reference to existing licence holders, where there is any cause for a licence to be reviewed, the Council will make additional enquiries through its Care First system (or equivalent if this is replaced or if it is necessary to seek details from other local authorities), directly with West Mercia Police (and other relevant police forces, where appropriate), other relevant local authorities (particularly Telford & Wrekin Council and Wolverhampton City Council) and any other appropriate organisation, agency or person in order to ensure the Council is in a position to make as accurate an assessment of the licence holders fitness to hold a licence as is reasonably practicable. [Depending on the circumstances of the case,](#) The Council may request the licence holder to consent to a further basic criminal record disclosure, the cost of which lies with the licence holder. Where a licence holder refuses to consent to a further check the Council will take this into consideration in determining their continuing fitness to hold a licence.
- 3c.12 When assessing the fitness of an applicant to hold a private hire vehicle proprietors licence, the Council will consider the applicant's criminal history as a whole, together with all other relevant evidence, information and intelligence including their history (e.g. complaints and positive comments from the public, compliance with licence conditions and willingness to co-operate with licensing officers) whilst holding a licence from the Council or any other authority. Particular attention will be given to patterns of behaviour, irrespective of the time-scale over which they have occurred, both in terms of proven criminal offences and other behaviour/conduct that may indicate the safety and welfare of the public may be at risk from the applicant.
- 3c.13 In addition, an important element associated with the fitness to hold a licence is the appearance [\(be clean and respectable in their dress and person and maintain a high standard of personal hygiene\)](#) and behaviour of an applicant. Consequently, the Council requires all applicants to maintain a reasonable standard of appearance and behaviour when in contact and dealing with all persons, including but not limited to, other road users, pedestrians, customers, the general public, other licensed operators and drivers of hackney carriage and private hire vehicles, Council officers and elected members at all times. Applicants must also co-operate with any reasonable request made by an authorised officer of the Council or any police officer.
- 3c.14 It must also be recognised that the Council will consider all criminal history, behaviour and conduct irrespective of whether the specific history, behaviour or conduct occurred whilst applicants were directly engaged in hackney carriage or private hire licensed work at the time or whether they occurred during the applicants' own personal time. The

Council considers a person or individual who has a propensity to commit offences and/or demonstrate unacceptable conduct whilst not engaged in hackney carriage or private hire work to be equally as serious as offences and/or unacceptable conduct committed whilst engaged in hackney carriage or private hire work.

Criminal record disclosure

- 3c.15 All convictions, including cautions, will be taken into account when considering a person's suitability to hold a licence. Consequently, applicants are required to provide details of all convictions and cautions, including driving endorsements (driving convictions) and disqualification periods relating to traffic offences.
- 3c.16 Although cautions are generally not as serious as convictions, ordinarily as a result of the circumstances under which they are offered, they do require an admission of guilt before they can be issued which is equivalent to a guilty plea on prosecution. Consequently, a caution is regarded in exactly the same way as a conviction. Fixed penalties, community resolutions or similar sanctions will also be considered in the same way as a conviction on the basis that payment of a fixed penalty indicated an acceptance of guilt and a community resolution can only be imposed following an admission of guilt. As a result, each of these sanctions is a valuable indication as to an applicant's character and whether they are a fit and proper person to hold or be granted a licence.
- ~~Although cautions are generally not as serious as convictions, they do require an admission of guilt before they can be issued and are therefore a valuable indication as to an applicant's character and whether they are a fit and proper person to hold or be granted a licence.~~
- 3c.17 A criminal record does not automatically bar an applicant from holding a licence; however, it will be a significant factor when determining whether a licence ought to be granted or not. Where an applicant has previous criminal convictions, these will be considered in line with the guidance set out in **Appendix I**. However, the over-riding consideration will always be to ensure the safety and welfare of the public.
- 3c.18 Persons who have not been resident within the United Kingdom for the five years prior to submitting an application, will be required to produce a certificate of good conduct or equivalent document (at their own cost) issued by the relevant Embassy or High Commission. The certificate must be authenticated, translated and sealed by the Embassy or High Commission. In the event that an applicant is not able to obtain a certificate of good conduct, they may submit a statutory declaration with regard to their conduct, which must be completed in the presence of a practising solicitor. The Council may contact the relevant Embassy, High Commission, solicitor or other appropriate body to verify any documents provided. Proof of a right to work in the United Kingdom will also be required. Contact details for Embassies and High Commissions can be found from the Foreign & Commonwealth Office (FCO) on the GOV.UK website at <https://www.gov.uk/government/world>. The FCO may be contacted for further assistance by telephone on 020 7008 1500, by email at fcocorrespondence@fco.gov.uk or by post at the FCO, King Charles Street, London, SW1A 2AH.

- 3c.19 Applicants who have spent six continuous months or more living outside the United Kingdom, during the period of their licence, will be required to produce a certificate of good conduct or equivalent document (at their own cost). This certificate must be issued by the relevant Embassy or High Commission for the country or countries lived in during this period and meet the requirements as set out at 3c.18 above.

Right to work

3a.XX The Immigration Act 2016 amended existing licensing requirements in the UK to prevent illegal working in the hackney carriage and private hire licensing trade. With effect from 1 December 2016, the provisions in the Immigration Act 2016 prohibits all licensing authorities across the UK from issuing a licence to anyone who is disqualified by reason of their immigration status.

3a.XX All applicants must provide evidence of their right to work in the UK in accordance with the Home Office requirements. For further information see: <https://www.gov.uk/government/publications/licensing-authority-guide-to-right-to-work-checks> for additional information

Non-conviction information

- 3c.20 In addition to conviction/caution information, applicants are expected to provide details, within 72 hours of all warnings, driving endorsements (driving convictions)/disqualification periods relating to traffic offences, fixed penalties, community resolutions ~~penalty charge notices~~ and any other similar sanctions, together with any charges or arrests that they are the subject of in connection with criminal offences, whether or not actually charged with the offence, and details of any allegations of involvement in criminal activity or where they have been questioned in connection with any alleged criminal activity or inappropriate/unacceptable behaviour or any other relevant pending matter.
- 3c.21 Where an applicant is the subject of an outstanding charge or summons, their application may continue to be processed; however, depending on the circumstances, it is unlikely that a decision on the application will be made until the conclusion of the criminal proceedings. Where the outstanding charge or summons involves a serious offence and/or the individual's offending history and behaviour/conduct indicates a pattern of unlawful or unacceptable behaviour/character traits, then the application is likely to be refused.
- 3c.22 Where there is evidence/information that an applicant has been arrested or charged but not convicted of offences and~~but~~ the nature of this evidence/information suggests the applicant may not be a fit and proper person, the Council will give serious consideration to refusing an application or revoking an existing licence.

Period of licence

- 3c.23 Vehicle licences will be issued for a maximum period of 12 months.

Vehicle licence plates

- 3c.24 The external plates (front and rear) and the internal plate, identifying the vehicle as a private hire vehicle, show the licence details on a yellow background with the Shropshire Council logo.

Safety

- 3c.27 The Council will not licence any new vehicle that since the date of first registration has been recorded by the DVLA as having sustained structural damage resulting from a road traffic accident (an insurance 'Write Off' under the DVLA's Category S – Structural damage classification for vehicle that has sustained damage after 1 October 2017 or Category C where a vehicle has sustained damage, rendering it beyond economical repair, prior to 1 October 2017). ~~will not licence any new vehicle that since the date of first registration has been recorded by the DVSA as having sustained damage resulting from a road traffic accident rendering it beyond economical repair (an insurance 'Write Off').~~ This information can be found in Part 3 – Special Notes of the V5 registration Certificate.
- 3c.28 Vehicles must meet the following safety standards as defined by the European New Car Assessment Programme (NCAP). In this respect, the Overall Rating must be used. Where the Overall Rating is not available, the Adult Rating is the relevant standard:-
- All new vehicle applications submitted on or after 1 April 2019 are required to be NCAP 5 star.
 - All renewal vehicle applications submitted on or after 1 April 2019 are required to be NCAP 5 star.
- 3c.29 The requirements of 3c.28 do not apply to private hire vehicles that have been specifically constructed or converted for disability access and any M1 (not M2 or N1) vehicles that have been adapted to be a private hire vehicle (and has been accepted by an authorised officer of the council to be licenced only as a private hire vehicle) where:
- The vehicle has come off the production line as a purpose built wheelchair accessible vehicle there will be a Vehicle Certification Agency (VCA) certificate which demonstrates that the vehicle has been constructed to an acceptable safety standard, providing there have been no changes to the layout of the vehicle since the VCA was issued.
 - The vehicle is modified after production, but before first registration, there may be an Individual Approval Certificate (IAC) available, which will demonstrate that

the adaptations have been tested by DVSA (VOSA) and are to an acceptable safety standard, providing there have been no changes to the conversion since the IAC was issued. This may be referred to as a Statutory Individual Vehicle Approval.

- Vehicles that are converted for disability access after first registration have been submitted for a Basic Voluntary IVA (Individual Vehicle Approval). This is the route that vehicles are required to take where there is no VCA certificate or IAC available. Vehicles must be presented to the DVSA for a Basic Voluntary IVA inspection Class P – Personal Import. If the vehicle passes the inspection it will receive a Certificate of Compliance (IVA 6). The Voluntary IVA checks the whole of the vehicle, not only the parts that have been converted and is similar to a very strict MOT test.

3c.XX Where a licence is issued in advance of a full V5 registration certificate being received and where upon receipt of a full V5 registration certificate information is contained that indicates that a vehicle has, since the date of first registration, been recorded by the DVLA as having sustained structural damage resulting from a road traffic accident, as set out in paragraph 3b.XX, the licence will be subject to review by the Councils Licensing Panel.

Renewal of a licence

- 3c.48 To allow the vehicle's licence to be renewed, a renewal application form must be received by the Council at least 10 working days prior to the expiry date of the original licence (unless there is satisfactory evidence of exceptional circumstances that are accepted by the Council) to allow the Council sufficient time to process the renewal application. It is the Council's intention to process all valid renewal applications within 10 working days; hence, where applicants fail to submit their renewal application within this timescale, the risk that their licence will expire increases. Once a licence expires, is revoked (subject to a statutory appeal process) or surrendered, it ceases to exist and applicants would not be permitted to drive the private hire vehicle in these circumstances.
- 3c.49 Once a licence ceases to exist a renewal application will not be accepted by the Council and the applicant must submit a new vehicle licence application which will be processed in accordance with the Council's new application procedures.

Renewal application process

- 3c.50 The application form must be fully completed and include all relevant information, supporting documentation and appropriate fee.
- 3c.xx The full fee for the licence is payable at the time the application is submitted. (This includes any application to transfer a vehicle licence onto another vehicle)
- 3c.xx If any part of the application form is incomplete or the relevant information or supporting documentation is not provided, the applicant will be requested to provide the missing information/documentation and informed that the application will not be processed until such time as all the information/documentation is provided. If the applicant fails to provide all the information to complete the application, the application will be rejected.
- 3c.XX Once an application has been accepted by the Licensing Team as a valid application the application process must be completed within 6 months unless prevented from doing so

by matters that are outside the applicant's control. Where an application is not completed within this timescale the application will be referred to the Licensing Panel for determination. The Licensing Panel will consider each case on its own individual merits and will determine what action is appropriate and proportionate to the circumstances of the case.

~~The application form must be fully completed and include all relevant information, supporting documentation and appropriate fee. If any part of the application form is incomplete or the relevant information or supporting documentation is not provided, the applicant will be requested to provide the missing information/documentation and informed that the application will not be processed until such time as all the information/documentation is provided. The full fee for the licence is payable at the time the application is submitted.~~

3c.65 If the authorised officer determines that a vehicle is not fit for the purpose of conveying passengers an authorised officer of the Council may at that time suspend the licence and require the proprietor of the vehicle to return all the vehicles plates to the Council. The suspension will be lifted and the plate returned at such time when the condition of the vehicle is demonstrated, to the satisfaction of the Council, to be fit for conveying passengers.

- 3c.74 With respect to new applications, where it is established that a conversion has not been undertaken correctly and/or the vehicle is unsafe in any way, the Council will refuse the application.

3c.86 Ranks/stands

A private hire vehicle must not wait (stop or park) on any rank/stand.

3d. EXECUTIVE PRIVATE HIRE VEHICLES**Summary**

- 3d.1 Executive private hire vehicles are licensed in accordance with the provisions of the Local Government (Miscellaneous Provisions) Act 1976. [Section 75\(3\) provides for the Council to issue an exemption notice. The Council will only consider an exemption where the applicant can demonstrate that the requirements of this section are fully satisfied.](#) Executive private hire vehicles must not have the appearance of a hackney carriage or a standard private hire vehicle.
- 3d.2 When considering whether a vehicle is an executive private hire vehicle, by the nature of the work it does, Shropshire Council shall have regard to the document Private Hire Vehicle Licensing - A note for guidance from the Department for Transport (August 2011).
- 3d.3 The Council legally cannot limit the number of executive private hire vehicle licences that it will issue.
- 3d.4 The Council will not licence a vehicle for hire and reward which is licensed by another local authority or allow or permit a private hire vehicle identification plate issued by another authority to be displayed on the vehicle.

Business model for executive private hire vehicles

- 3d.5 Executive private hire vehicles must only be used for executive service, which is defined as the provision of a vehicle or vehicles that is/are **exclusively** used for executive private hire work and **not** for 'normal' or general purpose private hire use. [or airport journeys.](#)
- 3d.6 The type of work that is considered 'executive service' includes, but is not restricted to:
- Exclusive business to business contracts, i.e. to transport employees and clients on business related journeys under a written contract to a company or person
 -
 - Bookings for certain clients (for example politicians and celebrities) who, for security or personal safety reasons, would not want the vehicle to be identifiable as a private hire vehicle.
 - [Bookings for certain clients who want to hire an executive vehicle at a premium rate, where the applicant can demonstrate that the vehicle is used solely for the purposes of this type of hire.](#)
- 3d.7 Applicants must be able to demonstrate the vehicle will be used for executive service by:
- Providing written confirmation from their private hire operator that the vehicle will only undertake executive service.

- Providing written confirmation that the vehicle will be used solely for executive service and not for 'normal' or general private hire use, ~~or airport journeys.~~

Executive vehicles

- ~~3d.8 The Council does not provide a list of specific vehicles that it will definitely consider appropriate to be licenced as executive private hire vehicles. However, any vehicle being plated as an executive vehicle must be classed as a large family vehicle, be of saloon, estate, hatchback or people carrier type and the trim of the vehicle must be the highest specification or above for the specification of that particular vehicle.~~
- ~~3d.9 As a guiding principle, vehicles equal to or above luxury makes/models such as 'S' and 'E' Class Mercedes Benz, 7 Series BMW, Lexus 'GS' or 'LS' models, Audi A8 series, Jaguar, Tesla, Rolls Royce and Bentley saloons are more likely to be accepted as executive vehicles. The highest specification executive type cars from other manufacturers may also be considered. Equally, large high specification MPVs such as the Mercedes Vito that enable meetings on the move may also be considered.~~
- ~~3d.10 Relevant considerations as to whether a vehicle meets an executive standard include, but are not limited to, cost, reputation, specification, appearance, perception, superior comfort levels and seating specification, e.g. whether the vehicle offers additional space per passenger compared to standard vehicles.~~

Applicant

- 3d.11 The applicant for a vehicle licence must be the person who is the legal owner of the vehicle concerned and entitled to have ownership of the vehicle⁴.

Fit and proper person

- 3d.12 The proprietor of a licensed executive private hire vehicle provides a public service that impacts on public safety. On this basis, the Council will not licence a vehicle as an executive private hire vehicle unless it is satisfied that the proprietor of the vehicle meets all the criteria to be deemed a fit and proper person.
- ~~3d.13 Proprietors who apply for an executive private hire vehicle licence and who hold a valid Shropshire Council hackney carriage/private hire drivers licence or a valid Shropshire Council private hire operator licence~~
- 3d.14 The Council adopts the same principles when determining whether an applicant is a fit and proper person to hold a vehicle licence as it does to persons applying for a drivers licence. In this respect, applicants are required to have due regard, as appropriate, to the requirements and information set out at paragraphs 3a.4 to 3a.19 of the Policy.
- ~~3d.15 Proprietors who apply for an executive private hire vehicle licence and who **do not** hold a valid Shropshire Council hackney carriage/private hire drivers licence or a valid Shropshire Council private hire operator licence~~

⁴ There is no legal definition of proprietor within relevant legislation, however, the Council has taken the view that proprietor means the legal owner based on common usage of the term.

- 3d.16 In considering the fit and proper person test, all applicants on initial application must provide complete a basic criminal record disclosure from the Disclosure and Barring Service. All applicants on renewal must provide a satisfactory basic criminal record disclosure that has been issued by the Disclosure and Barring Service within the previous 12 months of the date that the application is received by the Council. On new and renewal applications ~~t~~The Council will also make additional enquiries through its Care First system (or equivalent if this is replaced or if it is necessary to seek details from other local authorities), directly with West Mercia Police (and other relevant police forces, where appropriate), other relevant local authorities (particularly Telford & Wrekin Council and Wolverhampton City Council) and any other appropriate organisation, agency or person in order to ensure the Council is in a position to make as accurate an assessment of the applicant's fitness to hold a licence as is reasonably practicable.
- 3d.17 With specific reference to existing licence holders, where there is any cause for a licence to be reviewed, the Council will make additional enquiries through its Care First system (or equivalent if this is replaced or if it is necessary to seek details from other local authorities), directly with West Mercia Police (and other relevant police forces, where appropriate), other relevant local authorities (particularly Telford & Wrekin Council and Wolverhampton City Council) and any other appropriate organisation, agency or person in order to ensure the Council is in a position to make as accurate an assessment of the licence holders fitness to hold a licence as is reasonably practicable. Depending on the circumstances of the case, ~~T~~the Council may request the licence holder to consent to a further basic criminal record disclosure, the cost of which lies with the licence holder. Where a licence holder refuses to consent to a further check the Council will take this into consideration in determining their continuing fitness to hold a licence.
- 3d.18 When assessing the fitness of an applicant to hold an executive private hire vehicle proprietors licence, the Council will consider the applicant's criminal history as a whole, together with all other relevant evidence, information and intelligence including their history (e.g. complaints and positive comments from the public, compliance with licence conditions and willingness to co-operate with licensing officers) whilst holding a licence from the Council or any other authority. Particular attention will be given to patterns of behaviour, irrespective of the time-scale over which they have occurred, both in terms of proven criminal offences and other behaviour/conduct that may indicate the safety and welfare of the public may be at risk from the applicant.
- 3d.19 In addition, an important element associated with the fitness to hold a licence is the appearance (be clean and respectable in their dress and person and maintain a high standard of personal hygiene) and behaviour of an applicant. Consequently, the Council requires all applicants to maintain a reasonable standard of appearance and behaviour when in contact and dealing with all persons, including but not limited to, other road users, pedestrians, customers, the general public, other licensed operators and drivers of hackney carriage and private hire vehicles, Council officers and elected members at all times. Applicants must also co-operate with any reasonable request made by an authorised officer of the Council or any police officer.

- 3d.20 It must also be recognised that the Council will consider all criminal history, behaviour and conduct irrespective of whether the specific history, behaviour or conduct occurred whilst applicants were directly engaged in hackney carriage or private hire licensed work at the time or whether they occurred during the applicants' own personal time. The Council considers a person or individual who has a propensity to commit offences and/or demonstrate unacceptable conduct whilst not engaged in hackney carriage or private hire work to be equally as serious as offences and/or unacceptable conduct committed whilst engaged in hackney carriage or private hire work.

Criminal record disclosure

- 3d.21 All convictions, including cautions, will be taken into account when considering a person's suitability to hold a licence. Consequently, applicants are required to provide details of all convictions and cautions, including driving endorsements (driving convictions) and disqualification periods relating to traffic offences.
- 3d.22 Although cautions are generally not as serious as convictions, ordinarily as a result of the circumstances under which they are offered, they do require an admission of guilt before they can be issued which is equivalent to a guilty plea on prosecution. Consequently, a caution is regarded in exactly the same way as a conviction. Fixed penalties, community resolutions or similar sanctions will also be considered in the same way as a conviction on the basis that payment of a fixed penalty indicated an acceptance of guilt and a community resolution can only be imposed following an admission of guilt. As a result, each of these sanctions is a valuable indication as to an applicant's character and whether they are a fit and proper person to hold or be granted a licence.
- ~~Although cautions are generally not as serious as convictions, they do require an admission of guilt before they can be issued and are therefore a valuable indication as to an applicant's character and whether they are a fit and proper person to hold or be granted a licence.~~
- 3d.23 A criminal record does not automatically bar an applicant from holding a licence; however, it will be a significant factor when determining whether a licence ought to be granted or not. Where an applicant has previous criminal convictions, these will be considered in line with the guidance set out in **Appendix I**. However, the over-riding consideration will always be to ensure the safety and welfare of the public.
- 3d.24 Persons who have not been resident within the United Kingdom for the five years prior to submitting an application, will be required to produce a certificate of good conduct or equivalent document (at their own cost) issued by the relevant Embassy or High Commission. The certificate must be authenticated, translated and sealed by the Embassy or High Commission. In the event that an applicant is not able to obtain a certificate of good conduct, they may submit a statutory declaration with regard to their conduct, which must be completed in the presence of a practising solicitor. The Council may contact the relevant Embassy, High Commission, solicitor or other appropriate body to verify any documents provided. Proof of a right to work in the United Kingdom will also be required. Contact details for Embassies and High Commissions can be found from the Foreign & Commonwealth Office (FCO) on the GOV.UK website at

<https://www.gov.uk/government/world>. The FCO may be contacted for further assistance by telephone on 020 7008 1500, by email at fcocorrespondence@fco.gov.uk or by post at the FCO, King Charles Street, London, SW1A 2AH.

- 3d.25 Applicants who have spent six continuous months or more living outside the United Kingdom, during the period of their licence, will be required to produce a certificate of good conduct or equivalent document (at their own cost). This certificate must be issued by the relevant Embassy or High Commission for the country or countries lived in during this period and meet the requirements as set out at 3d.24 above.

Right to work

3a.XX The Immigration Act 2016 amended existing licensing requirements in the UK to prevent illegal working in the hackney carriage and private hire licensing trade. With effect from 1 December 2016, the provisions in the Immigration Act 2016 prohibits all licensing authorities across the UK from issuing a licence to anyone who is disqualified by reason of their immigration status.

3a.XX All applicants must provide evidence of their right to work in the UK in accordance with the Home Office requirements. For further information see: <https://www.gov.uk/government/publications/licensing-authority-guide-to-right-to-work-checks-for-additional-information>

Non-conviction information

- 3d.26 In addition to conviction/caution information, applicants are expected to provide details, within 72 hours of all warnings, driving endorsements (driving convictions)/disqualification periods relating to traffic offences, fixed penalties, community resolutions ~~penalty charge notices~~ and any other similar sanctions, together with any charges or arrests that they are the subject of in connection with criminal offences, whether or not actually charged with the offence, and details of any allegations of involvement in criminal activity or where they have been questioned in connection with any alleged criminal activity or inappropriate/unacceptable behaviour or any other relevant pending matter.
- 3d.27 Where an applicant is the subject of an outstanding charge or summons, their application may continue to be processed; however, depending on the circumstances, it is unlikely that a decision on the application will be made until the conclusion of the criminal proceedings. Where the outstanding charge or summons involves a serious offence and/or the individual's offending history and behaviour/conduct indicates a pattern of unlawful or unacceptable behaviour/character traits, then the application is likely to be refused.
- 3d.28 Where there is evidence/information that an applicant has been arrested or charged but not convicted of offences andbut the nature of this evidence/information suggests the applicant may not be a fit and proper person, the Council will give serious consideration to refusing an application or revoking an existing licence.

Vehicle specification

3d.XX The Council requires executive private hire vehicles to comply with the following requirements:

3d.XX The Council does not provide a list of specific vehicles that it will definitely consider appropriate to be licenced as executive private hire vehicles. However, any vehicle being plated as an executive vehicle must be classed as a large family vehicle, be of saloon, estate, hatchback or people carrier type and the trim of the vehicle must be the highest specification or above for the specification of that particular vehicle.

The highest specification executive type cars from other manufacturers may also be considered. Equally, large high specification MPVs such as the Mercedes Vito that enable meetings on the move may also be considered.

3d.XX Relevant considerations as to whether a vehicle meets an executive standard include, but are not limited to, cost, reputation, specification, appearance, perception, superior comfort levels and seating specification, e.g. whether the vehicle offers additional space per passenger compared to standard vehicles.

Executive private hire vehicles

- The vehicle must have a valid MOT throughout the licence period.
- With respect to a licensed vehicle, in the event that a proprietor fails to present to the Council an MOT test certificate as required (unless delayed or prevented by sufficient cause accepted and agreed by the Council), the Council may suspend the licence and require the proprietor of that private hire vehicle to return all the plates to the Council subject to any appeal period.

3e. NOVELTY PRIVATE HIRE VEHICLES INCLUDING LIMOUSINES AND VINTAGE VEHICLES**Summary**

- 3e.1 Novelty private hire vehicles are licensed in accordance with the provisions of the Local Government (Miscellaneous Provisions) Act 1976. [Section 75\(3\) provides for the Council to issue an exemption notice. The Council will only consider an exemption where the applicant can demonstrate that the requirements of this section are fully satisfied.](#) Novelty private hire vehicles must not have the appearance of a hackney carriage vehicle.
- 3e.2 When considering whether a vehicle is a novelty private hire vehicle by the nature of the work it does, Shropshire Council shall have regard to the document Private Hire Vehicle Licensing - A note for guidance from the Department for Transport (August 2011).
- 3e.3 The Council legally cannot limit the number of novelty private hire vehicle licences that it will issue.
- 3e.4 The Council will not licence a vehicle for hire and reward which is licensed by another local authority or allow or permit a private hire vehicle identification plate issued by another authority to be displayed on the vehicle.

Applicant

- 3e.5 The applicant for a vehicle licence must be the person who is the legal owner of the vehicle concerned and entitled to have ownership of the vehicle⁵.

Fit and proper person

- 3e.6 The proprietor of a licensed novelty private hire vehicle provides a public service that impacts on public safety. On this basis, the Council will not licence a vehicle as a novelty private hire vehicle unless it is satisfied that the proprietor of the vehicle meets all the criteria to be deemed a fit and proper person.
- [3e.7 Proprietors who apply for a novelty private hire vehicle licence and who hold a valid Shropshire Council hackney carriage/private hire drivers licence or a valid Shropshire Council private hire operator licence](#)
- 3e.8 The Council adopts the same principles when determining whether an applicant is a fit and proper person to hold a vehicle licence as it does to persons applying for a drivers licence. In this respect, applicants are required to have due regard, as appropriate, to the requirements and information set out at paragraphs 3a.4 to 3a.19 of the Policy.
- [3e.9 Proprietors who apply for a novelty private hire vehicle licence and who **do not** hold a valid Shropshire Council hackney carriage/private hire drivers licence or a valid Shropshire Council private hire operator licence](#)

⁵ There is no legal definition of proprietor within relevant legislation, however, the Council has taken the view that proprietor means the legal owner based on common usage of the term.

- 3e.10 In considering the fit and proper person test, all applicants on initial application must provide complete a basic criminal record disclosure from the Disclosure and Barring Service. All applicants on renewal must provide a satisfactory basic criminal record disclosure that has been issued by the Disclosure and Barring Service within the previous 12 months of the date that the application is received by the Council. On new or renewal applications ~~t~~The Council will also make additional enquiries through its Care First system (or equivalent if this is replaced or if it is necessary to seek details from other local authorities), directly with West Mercia Police (and other relevant police forces, where appropriate), other relevant local authorities (particularly Telford & Wrekin Council and Wolverhampton City Council) and any other appropriate organisation, agency or person in order to ensure the Council is in a position to make as accurate an assessment of the applicant's fitness to hold a licence as is reasonably practicable.
- 3e.11 With specific reference to existing licence holders, where there is any cause for a licence to be reviewed, the Council will make additional enquiries through its Care First system (or equivalent if this is replaced or if it is necessary to seek details from other local authorities), directly with West Mercia Police (and other relevant police forces, where appropriate), other relevant local authorities (particularly Telford & Wrekin Council and Wolverhampton City Council) and any other appropriate organisation, agency or person in order to ensure the Council is in a position to make as accurate an assessment of the licence holders fitness to hold a licence as is reasonably practicable. Depending on the circumstances of the case, tThe Council may request the licence holder to consent to a further basic criminal record disclosure, the cost of which lies with the licence holder. Where a licence holder refuses to consent to a further check the Council will take this into consideration in determining their continuing fitness to hold a licence.
- 3e.12 When assessing the fitness of an applicant to hold a novelty private hire vehicle proprietors licence, the Council will consider the applicant's criminal history as a whole, together with all other relevant evidence, information and intelligence including their history (e.g. complaints and positive comments from the public, compliance with licence conditions and willingness to co-operate with licensing officers) whilst holding a licence from the Council or any other authority. Particular attention will be given to patterns of behaviour, irrespective of the time-scale over which they have occurred, both in terms of proven criminal offences and other behaviour/conduct that may indicate the safety and welfare of the public may be at risk from the applicant.
- 3e.13 In addition, an important element associated with the fitness to hold a licence is the appearance (be clean and respectable in their dress and person and maintain a high standard of personal hygiene) and behaviour of an applicant. Consequently, the Council requires all applicants to maintain a reasonable standard of appearance and behaviour when in contact and dealing with all persons, including but not limited to, other road users, pedestrians, customers, the general public, other licensed operators and drivers of hackney carriage and private hire vehicles, Council officers and elected members at all times. Applicants must also co-operate with any reasonable request made by an authorised officer of the Council or any police officer.

- 3e.14 It must also be recognised that the Council will consider all criminal history, behaviour and conduct irrespective of whether the specific history, behaviour or conduct occurred whilst applicants were directly engaged in hackney carriage or private hire licensed work at the time or whether they occurred during the applicants' own personal time. The Council considers a person or individual who has a propensity to commit offences and/or demonstrate unacceptable conduct whilst not engaged in hackney carriage or private hire work to be equally as serious as offences and/or unacceptable conduct committed whilst engaged in hackney carriage or private hire work.

Criminal record disclosure

- 3e.15 All convictions, including cautions, will be taken into account when considering a person's suitability to hold a licence. Consequently, applicants are required to provide details of all convictions and cautions, including driving endorsements (driving convictions) and disqualification periods relating to traffic offences.
- 3e.16 Although cautions are generally not as serious as convictions, ordinarily as a result of the circumstances under which they are offered, they do require an admission of guilt before they can be issued which is equivalent to a guilty plea on prosecution. Consequently, a caution is regarded in exactly the same way as a conviction. Fixed penalties, community resolutions or similar sanctions will also be considered in the same way as a conviction on the basis that payment of a fixed penalty indicated an acceptance of guilt and a community resolution can only be imposed following an admission of guilt. As a result, each of these sanctions is a valuable indication as to an applicant's character and whether they are a fit and proper person to hold or be granted a licence.
- ~~Although cautions are generally not as serious as convictions, they do require an admission of guilt before they can be issued and are therefore a valuable indication as to an applicant's character and whether they are a fit and proper person to hold or be granted a licence.~~
- 3e.17 A criminal record does not automatically bar an applicant from holding a licence; however, it will be a significant factor when determining whether a licence ought to be granted or not. Where an applicant has previous criminal convictions, these will be considered in line with the guidance set out in **Appendix I**. However, the over-riding consideration will always be to ensure the safety and welfare of the public.
- 3e.18 Persons who have not been resident within the United Kingdom for the five years prior to submitting an application, will be required to produce a certificate of good conduct or equivalent document (at their own cost) issued by the relevant Embassy or High Commission. The certificate must be authenticated, translated and sealed by the Embassy or High Commission. In the event that an applicant is not able to obtain a certificate of good conduct, they may submit a statutory declaration with regard to their conduct, which must be completed in the presence of a practising solicitor. The Council may contact the relevant Embassy, High Commission, solicitor or other appropriate body to verify any documents provided. Proof of a right to work in the United Kingdom will also be required. Contact details for Embassies and High Commissions can be found from the Foreign & Commonwealth Office (FCO) on the GOV.UK website at <https://www.gov.uk/government/world>. The FCO may be contacted for further

assistance by telephone on 020 7008 1500, by email at fcocorrespondence@fco.gov.uk or by post at the FCO, King Charles Street, London, SW1A 2AH.

- 3e.19 Applicants who have spent six continuous months or more living outside the United Kingdom, during the period of their licence, will be required to produce a certificate of good conduct or equivalent document (at their own cost). This certificate must be issued by the relevant Embassy or High Commission for the country or countries lived in during this period and meet the requirements as set out at 3e.18 above.

Right to work

3a.XX The Immigration Act 2016 amended existing licensing requirements in the UK to prevent illegal working in the hackney carriage and private hire licensing trade. With effect from 1 December 2016, the provisions in the Immigration Act 2016 prohibits all licensing authorities across the UK from issuing a licence to anyone who is disqualified by reason of their immigration status.

3a.XX All applicants must provide evidence of their right to work in the UK in accordance with the Home Office requirements. For further information see: <https://www.gov.uk/government/publications/licensing-authority-guide-to-right-to-work-checks> for additional information

Non-conviction information

- 3e.20 In addition to conviction/caution information, applicants are expected to provide details, within 72 hours of all warnings, driving endorsements (driving convictions)/disqualification periods relating to traffic offences, fixed penalties, community resolutions ~~penalty charge notices~~ and any other similar sanctions, together with any charges or arrests that they are the subject of in connection with criminal offences, whether or not actually charged with the offence, and details of any allegations of involvement in criminal activity or where they have been questioned in connection with any alleged criminal activity or inappropriate/unacceptable behaviour or any other relevant pending matter.
- 3e.21 Where an applicant is the subject of an outstanding charge or summons, their application may continue to be processed; however, depending on the circumstances, it is unlikely that a decision on the application will be made until the conclusion of the criminal proceedings. Where the outstanding charge or summons involves a serious offence and/or the individual's offending history and behaviour/conduct indicates a pattern of unlawful or unacceptable behaviour/character traits, then the application is likely to be refused.
- 3e.22 Where there is evidence/information that an applicant has been arrested or charged but not convicted of offences and ~~but~~ the nature of this evidence/information suggests the applicant may not be a fit and proper person, the Council will give serious consideration to refusing an application or revoking an existing licence.

Period of licence

3e.23 Vehicle licences will be issued for 12 months.

Vehicle licence plates

3e.24 The external rear plate and the internal plate, identifying the vehicle as a novelty private hire vehicle, show the licence details on a yellow background with the Shropshire Council logo.

Such vehicles do not have to comply with the New Car Assessment Programme rating or the requirements set out in paragraphs 3c.27 to 3c.29 of the Standard Private Hire Vehicle section.

Safety

- 3e.31 The Council will not licence any new vehicle that since the date of first registration has been recorded by the DVLA as having sustained structural damage resulting from a road traffic accident (an insurance 'Write Off' under the DVLA's Category S – Structural damage classification for vehicle that has sustained damage after 1 October 2017 or Category C where a vehicle has sustained damage, rendering it beyond economical repair, prior to 1 October 2017). ~~will not licence any new vehicle that since the date of first registration has been recorded by the DVSA as having sustained damage resulting from a road traffic accident rendering it beyond economical repair (an insurance 'Write Off').~~ This information can be found in Part 3 – Special Notes of the V5 registration Certificate.
- 3e.32 Where a proprietor has notified the Council that damage has occurred to a licensed vehicle, resulting in the transfer of licence to a temporary insurance replacement vehicle, any documents provided to meet the safety requirements of the policy as part of the previous application process (i.e. SVA certificate or IVA certificate) will be invalid. The proprietor will be required to submit the vehicle for a new voluntary IVA check and provide a valid IVA certificate to the Licensing Team before the licence can be transferred back to the original vehicle.

- 3e.33 Section 167 of the Equality Act 2010 permits local authorities to maintain a designated list of wheelchair accessible vehicles. Shropshire Council has taken the decision to maintain such a list.
- 3e.34 All wheelchair accessible vehicles must be capable of transporting the user of a “reference wheelchair” and will be included within the Council’s list of designated vehicles. Specifications for a “reference wheelchair” can be found at **Appendix J**.

3f.

PRIVATE HIRE OPERATORS**Summary**

- 3f.1 Private hire operators are licensed in accordance with the Local Government (Miscellaneous Provisions) Act 1976. Any person who wishes to take bookings, in the course of a business, for a private hire vehicle must hold a private hire operator licence.

Applicant

- 3f.2 All applicants (including sole traders, partnerships and companies) for a private hire operator licence must prove that they are a fit and proper person to hold an operator licence.

Fit and proper person

- 3f.3 Licensed private hire operators provide a public service and have a direct impact on public safety. On this basis, the Council will not licence anyone as a private hire operator unless it is satisfied that they meet all the criteria to be deemed a fit and proper person.
- 3f.4 Applicants for a private hire operator licence who hold a valid Shropshire Council hackney carriage/private hire drivers licence
- 3f.5 The Council adopts the same principles when determining whether an applicant is a fit and proper person to hold a private hire operator licence as it does to persons applying for a drivers licence. In this respect, applicants are required to have due regard, as appropriate, to the requirements and information set out at paragraphs 3a.4 to 3a.19 of the Policy.
- 3f.6 Applicants for a private hire operator licence who do not hold a valid Shropshire Council hackney carriage/private hire drivers licence
- 3f.7 In considering the fit and proper person test, all applicants on initial application must ~~provide complete~~ a basic criminal record disclosure from the Disclosure and Barring Service. All applicants on renewal must provide a ~~satisfactory~~ basic criminal record disclosure that has been issued by the Disclosure and Barring Service within the previous 12 months of the date that the application is received by the Council. On new and renewal applications tThe Council will also make additional enquiries through its Care First system (or equivalent if this is replaced or if it is necessary to seek details from other local authorities), directly with West Mercia Police (and other relevant police forces, where appropriate), other relevant local authorities (particularly Telford & Wrekin Council and Wolverhampton City Council) and any other appropriate organisation, agency or person in order to ensure the Council is in a position to make as accurate an assessment of the applicant's fitness to hold a licence as is reasonably practicable.

- 3f.8 With specific reference to existing licence holders, where there is any cause for a licence to be reviewed, the Council will make additional enquiries through its Care First system (or equivalent if this is replaced or if it is necessary to seek details from other local authorities), directly with West Mercia Police (and other relevant police forces, where appropriate), other relevant local authorities (particularly Telford & Wrekin Council and Wolverhampton City Council) and any other appropriate organisation, agency or person in order to ensure the Council is in a position to make as accurate an assessment of the licence holders fitness to hold a licence as is reasonably practicable. [Depending on the circumstances of the case, the Council may request the licence holder to consent to a further basic criminal record disclosure, the cost of which lies with the licence holder.](#) Where a licence holder refuses to consent to a further check the Council will take this into consideration in determining their continuing fitness to hold a licence.
- 3f.9 When assessing the fitness of an applicant to hold a private hire operators licence, the Council will consider the applicant's criminal history as a whole, together with all other relevant evidence, information and intelligence including their history (e.g. complaints and positive comments from the public, compliance with licence conditions and willingness to co-operate with licensing officers) whilst holding a licence from the Council or any other authority. Particular attention will be given to patterns of behaviour, irrespective of the time-scale over which they have occurred, both in terms of proven criminal offences and other behaviour/conduct that may indicate the safety and welfare of the public may be at risk from the applicant.
- 3f.10 In addition, an important element associated with the fitness to hold a licence is the appearance [\(be clean and respectable in their dress and person and maintain a high standard of personal hygiene\)](#) and behaviour of an applicant. Consequently, the Council requires all applicants to maintain a reasonable standard of appearance and behaviour when in contact and dealing with all persons, including but not limited to, other road users, pedestrians, customers, the general public, other licensed operators and drivers of hackney carriage and private hire vehicles, Council officers and elected members at all times. Applicants must also co-operate with any reasonable request made by an authorised officer of the Council or any police officer.
- 3f.11 It must also be recognised that the Council will consider all criminal history, behaviour and conduct irrespective of whether the specific history, behaviour or conduct occurred whilst applicants were directly engaged in hackney carriage or private hire licensed work at the time or whether they occurred during the applicants' own personal time. The Council considers a person or individual who has a propensity to commit offences and/or demonstrate unacceptable conduct whilst not engaged in hackney carriage or private hire work to be equally as serious as offences and/or unacceptable conduct committed whilst engaged in hackney carriage or private hire work.

Criminal record disclosure

- 3f.12 All convictions, including cautions, will be taken into account when considering a person's suitability to hold a licence. Consequently, applicants are required to provide details of all convictions and cautions, including driving endorsements (driving convictions) and disqualification periods relating to traffic offences.

3f.13 Although cautions are generally not as serious as convictions, ordinarily as a result of the circumstances under which they are offered, they do require an admission of guilt before they can be issued which is equivalent to a guilty plea on prosecution. Consequently, a caution is regarded in exactly the same way as a conviction. Fixed penalties, community resolutions or similar sanctions will also be considered in the same way as a conviction on the basis that payment of a fixed penalty indicated an acceptance of guilt and a community resolution can only be imposed following an admission of guilt. As a result, each of these sanctions is a valuable indication as to an applicant's character and whether they are a fit and proper person to hold or be granted a licence.

~~Although cautions are generally not as serious as convictions, they do require an admission of guilt before they can be issued and are therefore a valuable indication as to an applicant's character and whether they are a fit and proper person to hold or be granted a licence.~~

3f.14 A criminal record does not automatically bar an applicant from holding a licence; however, it will be a significant factor when determining whether a licence ought to be granted or not. Where an applicant has previous criminal convictions, these will be considered in line with the guidance set out in **Appendix I**. However, the over-riding consideration will always be to ensure the safety and welfare of the public.

3f.15 Persons who have not been resident within the United Kingdom for the five years prior to submitting an application, will be required to produce a certificate of good conduct or equivalent document (at their own cost) issued by the relevant Embassy or High Commission. The certificate must be authenticated, translated and sealed by the Embassy or High Commission. In the event that an applicant is not able to obtain a certificate of good conduct, they may submit a statutory declaration with regard to their conduct, which must be completed in the presence of a practising solicitor. The Council may contact the relevant Embassy, High Commission, solicitor or other appropriate body to verify any documents provided. Proof of a right to work in the United Kingdom will also be required. Contact details for Embassies and High Commissions can be found from the Foreign & Commonwealth Office (FCO) on the GOV.UK website at <https://www.gov.uk/government/world>. The FCO may be contacted for further assistance by telephone on 020 7008 1500, by email at fcocorrespondence@fco.gov.uk or by post at the FCO, King Charles Street, London, SW1A 2AH.

3f.16 Applicants who have spent six continuous months or more living outside the United Kingdom, during the period of their licence, will be required to produce a certificate of good conduct or equivalent document at their own cost. This certificate must be issued by the relevant Embassy or High Commission for the country or countries lived in during this period and meet the requirements as set out at 3f.15 above.

Right to work

3af.XX The Immigration Act 2016 amended existing licensing requirements in the UK to prevent illegal working in the hackney carriage and private hire licensing trade. With effect from 1 December 2016, the provisions in the Immigration Act 2016 prohibits all licensing authorities across the UK from issuing a licence to anyone who is disqualified by reason of their immigration status.

3af.XX All applicants must provide evidence of their right to work in the UK in accordance with the Home Office requirements. For further information see: <https://www.gov.uk/government/publications/licensing-authority-guide-to-right-to-work-checks> for additional information

Non-conviction information

- 3f.17 In addition to conviction/caution information, applicants are expected to provide details, within 72 hours of all warnings, driving endorsements (driving convictions)/disqualification periods relating to traffic offences, fixed penalties, penalty charge notices, community resolutions and any other similar sanctions, together with any charges or arrests that they are the subject of in connection with criminal offences, whether or not actually charged with the offence, and details of any allegations of involvement in criminal activity or where they have been questioned in connection with any alleged criminal activity or inappropriate/unacceptable behaviour or any other relevant pending matter.
- 3f.18 Where an applicant is the subject of an outstanding charge or summons, their application may continue to be processed; however, depending on the circumstances, it is unlikely that a decision on the application will be made until the conclusion of the criminal proceedings. Where the outstanding charge or summons involves a serious offence and/or the individual's offending history and behaviour/conduct indicates a pattern of unlawful or unacceptable behaviour/character traits, then the application is likely to be refused.
- 3f.19 Where there is evidence/information that an applicant has been arrested or charged but not convicted of offences and but the nature of this evidence/information suggests the applicant may not be a fit and proper person, the Council will give serious consideration to refusing an application or revoking an existing licence.

Period of licence

- 3f.20 Operator licences will be issued for a period of five years or for such lesser period as the Council think appropriate in the circumstances of the case.

Drivers of executive private hire vehicles

- 3f.21 Operators are encouraged to ensure that executive drivers undertake an advanced motoring qualification.

Application process

- 3f.22 The application form must be fully completed and include all relevant information, supporting documentation and appropriate fee.

3f.xx The full fee for the licence is payable at the time the application is submitted.

3f.xx If any part of the application form is incomplete or the relevant information or supporting documentation is not provided, the applicant will be requested to provide

the missing information/documentation and informed that the application will not be processed until such time as all the information/documentation is provided. If the applicant fails to provide all the information to complete the application, the application will be rejected.

3f.XX Once an application has been accepted by the Licensing Team as a valid application the application process must be completed within 6 months unless prevented from doing so by matters that are outside the applicant's control. Where an application is not completed within this timescale the application will be referred to the Licensing Panel for determination. The Licensing Panel will consider each case on its own individual merits and will determine what action is appropriate and proportionate to the circumstances of the case.

~~The application form must be fully completed and include all relevant information, supporting documentation and appropriate fee. If any part of the application form is incomplete or the relevant information or supporting documentation is not provided, the applicant will be requested to provide the missing information/documentation and informed that the application will not be processed until such time as all the information/documentation is provided. The full fee for the licence (including the cost of a DBS check, where appropriate) is payable at the time the application is submitted.~~

Contracting of ~~Employment of~~ private hire drivers and employment of other staff

3f.29 An operator is deemed to be responsible for the actions of any manager, supervisor, office based administrative and telephony staff, ~~independent contractors~~contracted private hire drivers or any other person appointed to run or play any part in the private hire operator business, whilst undertaking work for or behalf of the operator.

- 3f.30 An operator must take reasonable, appropriate and robust steps to reduce to a minimum the risk of employing or being employed by, engaging in partnership with, or allowing any involvement in the licensed operation any person who is unlikely to satisfy the Council's 'fit and proper person' test and therefore an operator must have regard to the information in paragraphs 3a.4 to 3a.19 of this Policy.
- 3f.31 An operator must make and retain individual records of the steps they have taken to demonstrate how they are satisfied that an individual, including all private hire drivers, managers, office based administrative and telephony staff and [independent contractorsagency staff](#), is a fit and proper person. - face to face interviews with individuals;

- 3f.32 An operator is responsible for ensuring that all [new](#) managers, office based administrative and telephony staff and [independent contractorsagency staff](#) have undertaken a basic criminal record check from the Disclosure and Barring Service (applicants can apply to <https://www.gov.uk/request-copy-criminal-record>) in order to satisfy the Council's 'fit and proper person' test as referred to in **Appendix I**.
- 3f.33 An operator is responsible for ensuring that all managers, office based administrative and telephony staff and [agency staffindependent contractors](#) continue to satisfy the 'fit and proper' test and where they have spent six continuous months or more living outside the United Kingdom, during the period of their employment, operators must ensure that each member of staff produces a certificate of good conduct or equivalent document at their own cost. This certificate must be issued by the relevant Embassy or High Commission for the country or countries lived in during this period. The operator must retain the certificate on an individual's [personnel-record](#) file.
- 3f.34 An operator is responsible for ensuring that all private hire drivers and employees are made aware of and fully understand the meaning of 'plying for hire' and, in particular, that private hire drivers are NOT permitted to 'ply for hire' under any circumstances. The Council's interpretation of 'plying for hire' is set out at **Appendix H** and is based on relevant legislation and case law.
- 3f.35 An operator is responsible for ensuring that all private hire drivers, managers, office based administrative and telephony staff and [agency staffindependent contractors](#) have

undertaken training in the General Data Protection Regulations (GDPR) and the Equality Act 2010.

- 3f.39 An operator is responsible for ensuring drivers do not work excessively long hours and put the safety of themselves and their passengers at risk. The Council strongly recommends that operators monitor the hours that a driver works and ensures adequate breaks and rest periods are taken. To this end, operators must have regard to the European Union (EU) rules on driver hours and working time.

Designated person

- 3f.40 Operators must have a suitably trained Designated Person (DP) with specific responsibility for safeguarding and promoting matters of equality, through relevant policies.
- 3f.41 The DP is responsible for ensuring:
- that they are available to receive any matters of concern which may relate to the safety of children and adults with care and support needs
 - that they actively promote equalities in general and specifically in relation to hate crime and disability matters
 - that any matters of concern reported to them are forwarded to the relevant authorities
- 3f.42 Operators licensed prior to the commencement of this Policy must ensure that the DP completes the Council's hackney carriage and private hire drivers and operators safeguarding awareness course on Raising Awareness of Safeguarding Children and Adults with Care and Support Needs or equivalent (operators are advised to check with the Council prior to booking a course to ensure that the course meets Shropshire Safeguarding Children Board requirements) by 31st March 2020 and provide written evidence of satisfactory completion of this training to the Council.

- 3f.45 Operators are responsible for ensuring that the DP satisfactorily completes a safeguarding awareness course [every two years bi-annually](#) and proof of completion of a course must be provided to the Council.
- 3f.46 Failure to complete this training, in accordance with the requirements of paragraphs 3f.42 to 3f.45 above, will permit the Council to refuse to grant/refuse to renew a private hire operator licence or, in the case of an existing licence, will result in the matter being referred to the Licensing Panel for a decision as to whether the private hire operator licence ought to be suspended or revoked.

[Operator trading name and telephone number](#)

- [XXXX An operator's name and/or trade name must be approved by the Council. This name will appear on the operator's licence issued by the Council.](#)

- [XXX An operator must provide a telephone number to be used for the receipt of bookings. This telephone number will appear on the operator's licence issued by the Council.](#)

- 3f.47 The Council will grant an operator licence in the absence of the appropriate planning consent required to operate the business; however, applicants are strongly advised to demonstrate to the Council that they do have/are obtaining the appropriate planning consent [if required](#).

- 3f.48 The Council will only grant operator licences applicable to the physical premises from which the operator business will be run.
- 3f.49 The Council will not grant an operator licence to apply to any physical premises that falls outside the administrative area of Shropshire Council.
- 3f.50 There are a number of specific conditions set out in the operator licence conditions that apply to premises. Operators must be particularly mindful of complying with these and should they fail to do so the Council will consider [suspending or](#) revoking the operator licence.

Cross-border hiring

3f.XX Where an operator who is licensed by Shropshire Council knowingly makes arrangements for drivers of their fleet (who are licensed by the Council and drive vehicles that are also licensed by the Council) to exclusively or predominantly go to areas outside the administrative area of Shropshire Council, the Council will consider refusing or revoking the operator's licence on the ground that the operator is undermining local licensing control, which threatens public safety and, where relevant, undermines other Council aspirations.

Insurance

- 3f.51 Any premises that provide access to members of the public must be covered by Public Liability insurance for a minimum of £5,000,000.
- 3f.52 The operator must also obtain information as to any requirement for them to have Employers Liability Indemnity; if there is such a requirement, it must be for a minimum of £1,000,000.

- 3f.56 Where bookings are made, this includes but is not restricted to bookings through an app, online, by telephone and received through other electronic means, e.g. "taxi butler", the operator must [e](#)insure that in the first instance the booking is fulfilled by a Shropshire Council licensed driver and vehicle.
- ~~If, however, the operator has an intention to sub-contact the journey the operator must reach agreement with the hirer of the private hire vehicle prior to the booking being accepted.~~

- 3f.57 Once a booking has been accepted by an operator, if, due to unforeseen circumstances, the operator has a requirement to sub-contract the booking, agreement to accept the sub-contracted vehicle must be reached with the hirer as soon as reasonably practicable prior to the commencement of the journey.
- 3f.58 Operators have a duty to ensure that their fare structure is transparent and ~~well publicised~~ made available. Operators are encouraged to inform customers, at the point of booking, and prior to the booking being accepted as to the fare that will be charged for the journey.

Record keeping

- 3f.59 Operators must keep records in accordance with the conditions attached to their licence. The conditions of licence as detailed in **Appendix G**, paragraphs 1.34 to 1.36 are associated with bookings made by telephone, online, app, Interactive Voice Response (IVR) or other electronic means, e.g. "taxi butler". If an operator intends to use an alternative booking system the requirements of paragraphs 1.34 to 1.36 still apply.
- 3f.60 Such records must be produced when requested by an authorised officer of the Council or a police officer. Operators must produce, when requested by an authorised officer of the Council or a police officer, any information necessary to assist in the prosecution of criminal offences, e.g. witness statement.

- 3f.61 Where an operator has notified the Council that damage has occurred to a vehicle, otherwise than in accordance with relevant road traffic legislation, the Council may require photographic evidence of the damage or for the vehicle to be presented for inspection by an authorised officer of the Council.
- ~~3f.62 If the authorised officer determines that a vehicle is not fit for the purpose of conveying passengers an authorised officer of the Council may at that time suspend the licence and require the proprietor of the vehicle to return all the vehicles plates to the Council. The suspension will be lifted and the plates returned at such time when the condition of the vehicle is demonstrated, to the satisfaction of the Council, to be fit for conveying passengers.~~
- ~~3f.63 The officer may require the proprietor to arrange for a further MOT test, or in respect of wheelchair accessible vehicles a basic voluntary IVA test, to be undertaken and certificate produced before the vehicle will be permitted to operate; this is at the discretion of the authorised officer.~~

Closed circuit television (CCTV)

- 3f.64 Operators are encouraged to install closed circuit television (CCTV) systems in premises to which the public have access to make bookings or to wait providing such systems are

installed in accordance with the appropriate legal framework and the Council has been notified, in writing, of their intention to do so.

- 3f.65 Operators must register with the Information Commissioners Office (ICO) and maintain a valid registration throughout the duration of the operators licence or until such a time as the CCTV system has been removed from the premises.

Licence conditions

- 3f.66 Applicable conditions relevant to a private hire operator licence are set out at **Appendix G**. These conditions must be complied with.

List of Designated Wheelchair Accessible Vehicles

- 3f.67 Section 167 of the Equality Act 2010 permits local authorities to maintain a designated list of wheelchair accessible vehicles. Shropshire Council has taken the decision to maintain such a list.
- 3f.68 All wheelchair accessible vehicles will be included within the Council's list of designated vehicles.
- 3f.69 Section 166 of the Equality Act 2010 allows for drivers to apply for an exemption from the duties listed under section 165 of the Act on medical grounds or because the driver's physical condition makes it impossible or unreasonably difficult for them to comply with those duties. [For further information see paragraphs 3a.56 to 3a.60.](#)
- 3f.70 Operators have a responsibility to ensure that any Shropshire Council licensed driver who drives one of their wheelchair accessible vehicles is made aware of their duties in respect of carrying disabled persons in wheelchairs when driving a licensed wheelchair accessible vehicle [and failure to comply with those duties is a criminal offence under section 165 of the Equality Act 2010.-](#)

~~3f.71 Failure to comply with the duties listed under section 165 of the Equality Act 2010 is a criminal offence.~~

**SAFEGUARDING OF
CHILDREN, YOUNG
PERSONS AND
ADULTS WITH CARE
AND SUPPORT
NEEDS**

SAFEGUARDING OF CHILDREN, YOUNG PEOPLE AND ADULTS WITH CARE AND SUPPORT NEEDS

Introduction

- 1.0 Set out below is information for hackney carriage and private hire drivers, vehicle proprietors and operators to help them report, to the relevant authorities, matters of concern that could relate to the safety of children, young people and adults with care and support needs, particularly as it relates to child sexual exploitation, abuse, modern slavery and human trafficking.

General information

- 1.1 Shropshire Council's Licensing Service is helping to tackle child sexual exploitation, abuse, modern slavery and human trafficking by working together with key partners particularly West Mercia Police, Children and Adult Services within the Council, the Safeguarding Children Board and the Keeping Adults Safe in Shropshire Board. The Boards also work with the police, children's and adults social care, schools, health services and the youth offending team, as well as specialist child sexual exploitation organisations such as the child sexual exploitation National Working Group (NWG) Network.
- 1.2 Through agencies working together and sharing information, we aim to identify and prevent sexual exploitation, modern slavery and human trafficking to protect children, young people and adults with care and support needs and disrupt the activities in order to prosecute perpetrators of abuse.
- 1.3 Sharing information with West Mercia Police and Children's and Adults Social Care helps to protect children, young people and adults with care and support needs from harm.

How hackney carriage and private hire vehicle drivers and private hire operators and vehicle proprietors can help tackle child sexual exploitation, abuse and modern slavery

- 1.4 Drivers of hackney carriages and private hire vehicles as well as private hire operators and vehicle proprietors are in a good position to help identify victims of sexual exploitation because, through the transport services they provide, drivers, operators and vehicle proprietors regularly come into contact with children, young persons and adults with care and support needs. This means that hackney carriage and private hire vehicle drivers and private hire operators and vehicle proprietors are in an ideal position to help protect people.
- 1.5 Safeguarding children, young people and adults with care and support needs is everyone's business and everyone's responsibility.

Child sexual exploitation

- 1.6 Sexual exploitation of children and young people involves exploitative situations, contexts and relationships where young people (or a third person or persons) receive something, e.g. food, accommodation, drugs, alcohol, cigarettes, affection, gifts, money, etc. as a result of them performing, and/or another or others performing on them, sexual activities. Violence, coercion and intimidation are commonly involved in such exploitative relationships.
- 1.7 Child sexual exploitation involves perpetrators grooming youngsters and using their powers to sexually abuse them. Sexual exploitation of children and young people can take many forms, whether it occurs through a seemingly 'consensual' relationship with an older boyfriend, or a young person having sex in return for attention, gifts, alcohol or cigarettes.
- 1.8 Child sexual exploitation is a crime that can affect any child, anytime, anywhere – regardless of their social or ethnic background.
- 1.9 In particular, drivers, proprietors and operators should ask themselves the following questions when picking up a fare or accepting a booking:
- Does your customer appear to be under 18 years old?
 - Are they with a much older person and appear to be in a relationship?
 - Do you think that they are under the influence of alcohol or drugs?
 - Are you taking them to a hotel, party or secluded location? If so, ask yourself why?
 - Are children/young people being taken regularly to the same localities? If so, ask yourself why?
- 1.10 If the answers to any of the questions above gives you even the slightest cause for concern, these concerns should be reported.
- 1.11 If you have reason to suspect that a child is being abused or at risk of abuse it is your responsibility to report your concerns to and share information with West Mercia Police (Tel: 101) and Children's Social Care (Tel: 0345 678 9021).
- 1.12 Further information about Shropshire's Safeguarding Children Board can be found at: <http://www.safeguardingshropshireschildren.org.uk/>

Adults with care and support needs

- 1.13 An adult with care and support needs is someone who is in need of community care services due to disability, age or illness. They may be unable to take care of or protect themselves against significant harm or exploitation.
- 1.14 In particular, drivers, proprietors and operators should ask themselves the following questions when picking up a fare or accepting a booking:

- Has your customer got any physical signs of abuse or neglect?
- Are they a regular customer? Do you see changes in their behaviour or mood?
- A customer tells you they are having difficulties with someone else
- A customer tells you they have a worry about someone
- A customer tells you they have hurt a person
- A customer tells you something they have seen or heard
- Do you know something that causes concern about someone else's welfare?
- You see worrying behaviour towards someone

1.15 If the answers to any of the questions above gives you even the slightest cause for concern you may need to take urgent action to protect the adult.

1.16 Your first priority is with the adult, to make them safe (including reporting to the police if immediate action is required). Ideally, support the adult to take action to stop the abuse, if they need to raise a concern with Shropshire Council to help them stop the abuse support that person to contact the **First Point of Contact team on 0345 678 9044 Monday to Thursday, 9am to 5pm, and Friday 9am to 4pm.**

1.17 If you have urgent adult safeguarding concerns outside of these hours, please phone the Emergency Social Work Duty Team on 0345 678 9040

1.18 In an emergency contact the police (999) or non-emergency 101.

Modern slavery and human trafficking

1.19 Modern slavery is a crime and a violation of fundamental human rights and can take various forms such as slavery, servitude, forced and compulsory labour and human trafficking.

1.20 In particular, drivers, proprietors and operators should ask themselves the following questions when picking up a fare or accepting a booking:

- Is the victim in possession of a passport, identification or travel documents? Are these documents in possession of someone else?
- Does the victim act as if they were instructed or coached by someone else? Do they allow others to speak for them when spoken to directly?
- Was the victim recruited for one purpose and forced to engage in some other job? Was their transport paid for by facilitators, whom they must pay back through providing services?
- Does the victim receive little or no payment for their work? Is someone else in control of their earnings?
- Was the victim forced to perform sexual acts?
- Does the victim have freedom of movement?
- Has the victim or family been threatened with harm if the victim attempts to escape?
- Is the victim under the impression they are bonded by debt, or in a situation of dependence?
- Has the victim been harmed or deprived of food, water, sleep, medical care or other life necessities?

- Can the victim freely contact friends or family? Do they have limited social interaction or contact with people outside their immediate environment?

- 1.21 Report something suspicious you spot to police or other authorities - it could be at a house in your street where suddenly large numbers of young women have been moved in and which then receives visitors all times of day and night; a café, nail bar or car wash where workers seem reticent to engage, not appropriately dressed for their work or increasingly ill fed and unkempt.
- 1.22 If there is an immediate danger to the suspected victim or if you think that the suspected victim is under 18, inform the police and call 999 as a matter of urgency.
- 1.23 Modern Slavery Helpline: 0800 0121 700**
- 1.24 For **England and Wales**, please call our **24-hour confidential Referral Helpline** on **0300 303 8151** anytime of the day or night to refer a victim of trafficking or receive advice.

- the meter is used for the whole of any journey, regardless of whether or not a fare is agreed prior to the commencement of the journey;
- the fare or charge is calculated from the point at which the hirer commences the journey and does not exceed that displayed on the meter on the completion of such journey. A journey commences when all passengers and luggage are secured within the vehicle and the vehicle is ready to move off [unless otherwise agreed by a private hire operator and the journey fulfilled by a private hire vehicle;](#)
- that the meter must not be left running whilst the driver performs duties under the Equality Act 2010, e.g. when a passenger enters, leaves or secures their wheelchair within the passenger compartment;
- the meter is only brought into action at the commencement of the hirer's journey; and

- the correct tariff for that journey is displayed.

Fares

Accidents

- 1.40 The driver must, notwithstanding their responsibilities under relevant road traffic legislation, report to the Council and operator or proprietor any accident involving a hackney carriage or private hire vehicle under their control as soon as is practicable and provide photographic evidence of the damage when requested by the Council. However, where the vehicle has suffered accident damage that materially affects the performance or appearance of the vehicle, or the comfort or convenience of fare paying passengers, the driver must notify the Council and operator or proprietor within 72 hours.

Complaints

- 1.41 Where a passenger has cause to complain to a driver about any aspect of the service provided, a driver is encouraged to advise the passenger of their right to make a complaint to the relevant private hire operator and must make it clear to the passenger that they may also refer any complaint direct to the Council.

Safety of children and adults with care and support needs

- 1.42 Where a driver has concerns that could relate to the safety of children, young persons and adults with care and support needs, they must report those concerns to either the licensed operator's Designated Person for Safeguarding or, where this is not possible, directly to the relevant authority.

Other legislative requirements

- 1.43 It is the driver's responsibility to make sure they comply with the Road Traffic Act 1988 and all other road traffic legislation, e.g. the Highway Code, parking restrictions and traffic regulation orders, as this is not addressed by the Policy and associated conditions.

- 1.64 Where a CCTV system is removed from the premises, operators must notify the Council, in writing, within 7 days.

Damage to vehicles

- 1.67 Operators must, irrespective of their responsibilities under road traffic legislation, notify the Council as soon as is reasonably practicable and in any case within 72 hours of the occurrence of any accident/damage to a private hire vehicle under their control that materially affects the safety, performance or appearance of the vehicle, or the comfort or convenience of persons carried therein and provide photographic evidence of the damage when requested by the Council.

Convictions

- 1.68 The operator or where the operator is a partnership or a company, all partners or directors/company secretaries, as appropriate, during the period of the licence must, within 72 hours, disclose to the Council, in writing, if:

- They receive any warnings, cautions, [community resolutions](#), fixed penalties or driving endorsements (driving convictions);

- 1.70 Operators must provide all drivers, managers, office based administrative and telephony staff and independent contractors with details of the equalities policy
- 1.71 The policy must include the following:
- A clear statement that hate crime, including racist, homophobic and transphobic language, will not be tolerated.
 - Details of the operators, drivers, vehicle proprietors, managers, office based administrative and telephony staff responsibilities with regard to hate crime and disability equality.
 - Where drivers can report incidents of hate crime to when the driver is the victim.
 - Where members of the public can report incidents of hate crime to when the member of the public is the victim.

Safety of children, young persons and adults with care and support needs

- 1.72 Operators must have a suitably trained Designated Person (DP) with specific responsibility for safeguarding.
- 1.73 Operators must provide all drivers with details of the DP and how the DP can be contacted.
- 1.74 Operators must prominently display at their premises, where it is clearly visible to the licensed drivers, managers, office based administrative and telephony staff and independent contractors, information relating to the safety of children, young persons and adults with care and support needs.
- 1.75 Operators must ensure that all drivers, managers, office based administrative and telephony staff and independent contractors have completed basic safeguarding

awareness training and retain relevant records in accordance with paragraph 1.20 (i) above.

- 1.76 Operators must take steps to ensure drivers know that they must report matters of concern which could relate to the safety of children, young persons and adults with care and support needs to the DP as soon as is practicable.
- 1.77 Operators must pass on any matters of concern reported to them which could relate to the safety of children, young persons and adults with care and support needs to the relevant authorities.

APPENDIX H

PLYING FOR HIRE

PLYING FOR HIRE

- 1.0 Only licensed hackney carriages are permitted to ply for hire. It is **ILLEGAL** for a private hire vehicle to ply for hire. This means:
- a. Private hire vehicles **MUST NOT** carry passengers if the journey has not been pre-booked with a private hire operator by the passenger.
 - b. All private hire vehicle journeys **MUST** be pre-booked through a licensed private hire operator.
 - c. All bookings **MUST** be made by prospective passengers themselves directly with a private hire operator who will despatch the vehicle. Prospective passengers may instruct a third party, e.g. a restaurant manager, to make a booking on their behalf but this third party **MUST NOT** be the private hire vehicle driver.
 - d. A driver of a private hire vehicle is **NOT** permitted to make the booking on behalf of a prospective passenger, e.g. via their radio or mobile telephone.
 - e. Private hire operators **MUST NOT** accept any booking made by a driver on behalf of a passenger.
 - f. Private hire vehicle drivers are **NOT** permitted to make their vehicles available for immediate hire. This means that private hire vehicle drivers **MUST NOT** physically position their vehicles in such a way as to be waiting in any area that is on view to the public to invite custom, e.g. allowing prospective customers to approach the vehicle and ask, 'Are you free?'
 - g. In most cases, the vehicle will not be insured during a journey that has not been correctly pre-booked.
 - h. Private hire vehicles **MUST NOT** wait at any taxi rank/stand.
 - i. Private hire vehicle **MUST NOT** be hailed in the street.
- 1.1 Other circumstances may constitute unlawful 'plying for hire'; accordingly, each case of allegedly unlawful 'plying for hire' will be judged on its own facts. Nevertheless, attention is drawn to the Council's position as set out above.
- 1.2 Further information about the relevant legislation is available in the Town Police Clauses Act 1847, in particular Section 45, and in Part II of the Local Government (Miscellaneous Provisions) Act 1976, in particular Section 64.

APPENDIX I

GUIDANCE TO DETERMINING THE SUITABILITY OF APPLICANTS INCLUDING THE RELEVANCE OF CRIMINAL CONVICTIONS AND CAUTIONS

GUIDANCE TO DETERMINING THE SUITABILITY OF APPLICANTS INCLUDING THE RELEVANCE OF CRIMINAL CONVICTIONS AND CAUTIONS

Introduction

- 1.0 The purpose of this appendix is to provide additional guidance to determine whether or not an applicant or an existing licence holder is a fit and proper person to hold a hackney carriage drivers licence, private hire drivers licence, hackney carriage vehicle licence, private hire vehicle licence and/or a private hire operator licence. Where appropriate, any reference to 'applicant' is deemed to include existing licence holders.
- 1.1 The guidance has been produced to assist the Council in its decision-making and to maintain the consistency of the decisions made. It has also been formulated to provide clearer information to current and potential applicants, with a view to minimising the cost and time spent on the licensing process by both the Council and the applicant.
- 1.2 When assessing the fitness of an applicant to hold a licence, the Council will consider the applicant's entire character and criminal history as a whole, together with all other relevant evidence, information and intelligence including their history (e.g. complaints and positive comments from the public, compliance with licence conditions and willingness to co-operate with licensing officers) whilst holding a licence from the Council or any other authority. Particular attention will be given to patterns of behaviour, irrespective of the time-scale over which they have occurred, both in terms of proven criminal offences and other behaviour/conduct that may indicate the safety and welfare of the public may be at risk from the applicant.
- 1.3 It must also be recognised that the Council will consider all criminal history, behaviour and conduct irrespective of whether the specific history, behaviour or conduct occurred whilst the applicant was directly engaged in hackney carriage or private hire licensed work at the time or whether they occurred during the applicants own personal time.
- 1.4 Applicants are expected to demonstrate appropriate professional conduct at all times, whether in the context of their work or otherwise. Applicants should be courteous, avoid confrontation, not be abusive or exhibit prejudice in any way. In no circumstances should applicants take the law into their own hands. Applicants are expected to act with integrity and demonstrate conduct befitting the trust that is placed in them.
- 1.5 For the purposes of this Policy, driving endorsements is the term used for all driving convictions.
- 1.6 The aim of the guidance is not to punish the applicant twice for a conviction or caution but to ensure that public safety is not compromised. The Council cannot review the merits of any conviction.
- 1.7 Each case is to be decided on its own individual merits and when making a decision will determine what action is appropriate and proportionate to the circumstances of the

case. Where the circumstances demand, the decision making body may depart from the guidance in which case the reasons for this will be made clear.

Legislation

- 1.8 Sections 51, 55 and 59 of the Local Government (Miscellaneous Provisions) Act 1976 sets out that the Council must not grant a driver's licence or an operator's licence unless they are satisfied that the person is a **fit and proper person** to hold such a licence.
- 1.9 Section 61 of the Local Government (Miscellaneous Provisions) Act 1976 allows the Council to suspend, revoke or refuse to renew a driver's licence if they have, since the grant of the licence, been convicted of an offence involving dishonesty, indecency or violence; or been convicted of an offence under or failed to comply with the provisions of the Town Police Clauses Act 1847 or Part II of the Local Government (Miscellaneous Provisions) Act 1976; or any other reasonable cause.
- 1.10 Section 62 of the Local Government (Miscellaneous Provisions) Act 1976 allows the Council to suspend, revoke or refuse to renew an operator's licence if they have committed any offence under, or failed to comply with, the provisions of Part II of the Act; where any conduct appears to render the operator unfit to hold a licence; any material change since the licence was granted in any of the circumstances of the operator on the basis of which the licence was granted; or any other reasonable cause.
- 1.11 Therefore, the wording of the legislation makes it clear that the Council may grant a licence ONLY if it is satisfied that the person is fit and proper; the onus is on the applicant to prove this, NOT the Council to demonstrate that they are not.
- 1.12 Section 37 of the Town Police Clauses Act 1847 and section 48 the Local Government (Miscellaneous Provisions) Act 1976 do not set out specific criteria to determine the suitability of an applicant for a hackney carriage or private hire vehicle licence, the Council has the absolute discretion. The Policy sets out the Councils position in this regard.

Defining a 'fit and proper person'

- 1.13 There is no legal definition as to what definitively constitutes a 'fit and proper person'. However, because of the potential vulnerability of the passengers that drivers, proprietors and operators may come into contact with and who they have significant control over, e.g. elderly people, unaccompanied children, the disabled, those who may have consumed excessive quantities of alcohol, lone females and foreign visitors, it is incumbent on the Council to take a very robust stance when deciding whether a person is fit and proper to hold a licence granted by the Council and not a person who would take advantage of their employment to abuse or assault passengers.
- 1.14 In essence, a fit and proper person:
 - Is honest and trustworthy and does not manufacture, supply or possess controlled drugs – drivers, proprietors and operators have, for example, access to a large amount of personal information that could be misused and significant

opportunities to defraud drunken, vulnerable or foreign people or to steal property left in cars.

- Is not abusive, violent, threatening, intimidating, prejudiced or discriminatory – exhibiting abusive, violent, threatening, prejudiced or discriminatory behaviour in any way, including online or on social media, is not acceptable conduct on the part of a driver/operator even when they are subjected to unpleasant or dishonest passenger behaviour.
- Will not be involved in or connected to any form of illegal sexual activity or any form of indecency.
- Will not abuse, exploit, misuse or maltreat another individual irrespective of whether the individual is an adult or a child – this includes hate crime, slavery, child sexual exploitation, grooming and psychological, emotional or financial abuse.
- Will not engage in activities that intend or does result in the death or serious injury of another person.
- Will not be in illegal possession of any weapon or commit any other weapon related offence.
- Does not manufacture, supply or possess controlled drugs.
- Will not use or permit their licenced vehicle to be used or connected with the use of any illegal activity – licensed vehicles are seen in any location across the country, at all times of the day and night. Therefore, licensed vehicles could provide a transportation system for illegal activities or any form of contraband, whether that is drugs, guns, illicit alcohol or tobacco, or people who are involved in or are the victims of illegal activity, or children who may be at risk of being, or are being, abused or exploited.-
- Will not be involved in or linked to acts of terrorism.
- Is a competent and safe driver - they are expected to be professional drivers and must be fully aware of all relevant licensing legislation, road traffic legislation, conditions attached to their driving licence, the safety of their passengers and the safety of their vehicles at all times; passengers rely on their driver to get them to their destination safely and using the most direct route, therefore, a good knowledge of the area that they are working in is also appropriate.
- Is able to communicate effectively with passengers – principally, this means able to read, speak, write and understand English.
- Is in good physical and mental health, not under the influence of drugs or alcohol – to ensure they do not put passengers at risk through, for example, suffering a heart attack or diabetic hypoglycaemic incident, whilst conveying passengers.
- Will not abuse their position of trust – applicants are expected to be respectful, act with integrity and demonstrate considerate, courteous and civil conduct befitting the trust that is placed in them. Applicants must not use passengers personal information which has been obtained whilst undertaking hackney carriage or private hire work for their own personal use, e.g. contacting customers through social media, text messaging, home addresses, etc.

1.15 The bullet points listed above are not exhaustive and are used to illustrate some of the behaviours the Council will consider.

1.16 Licensed drivers and private hire operators and proprietors of licensed vehicles provide a public service and all impact directly on public safety. On this basis, the Council will

not licence anyone to drive a hackney carriage or private hire vehicle or act as a private hire operator or licence a vehicle unless it is satisfied that the driver, operator or vehicle proprietor respectively meet all relevant criteria to be deemed a fit and proper person.

- 1.17 In considering the fit and proper person test, all applicants on initial application and renewal must complete an enhanced Disclosure and Barring Service (DBS) check and undergo a medical examination. The Council will also make additional enquiries through its Care First system (or equivalent if this is replaced or if it is necessary to seek details from other local authorities), directly with West Mercia Police (and other relevant police forces, where appropriate), other relevant local authorities (particularly Telford & Wrekin Council and Wolverhampton City Council) and any other appropriate organisation, agency or person in order to ensure the Council is in a position to make as accurate an assessment of the applicant's fitness to hold a licence as is reasonably practicable.
- 1.18 With specific reference to existing licence holders, where there is any cause for a licence to be reviewed, the Council will make additional enquiries through its Care First system (or equivalent if this is replaced or if it is necessary to seek details from other local authorities), directly with West Mercia Police (and other relevant police forces, where appropriate), other relevant local authorities (particularly Telford & Wrekin Council and Wolverhampton City Council) and any other appropriate organisation, agency or person in order to ensure the Council is in a position to make as accurate an assessment of the licence holders fitness to hold a licence as is reasonably practicable. The Council may request the licence holder to consent to a further enhanced DBS check the cost of which lies with the licence holder. Where a licence holder refuses to consent to a further check the Council will take this into consideration in determining their continuing fitness to hold a licence.
- 1.19 Where an ~~applicant existing licence holder~~ has had their licence refused ~~or~~ revoked ~~or~~ suspended the details will be recorded on the national register for hackney carriage and private hire licence revocations and refusals. Furthermore, where the Council deems it necessary it will notify any relevant authorities or appropriate organisations of the reasons for refusal or revocation ~~or suspension~~.
- 1.20 In addition, an important element associated with the fitness to hold a licence is the appearance and behaviour of anyone who holds a licence. Consequently, the Council requires all licensed drivers, private hire operators and vehicle proprietors to maintain a reasonable standard of appearance and behaviour when in contact and dealing with all persons, including but not limited to, other road users, pedestrians, customers, the general public, other licensed operators and drivers of hackney carriage and private hire vehicles, Council officers and elected members at all times.
- 1.21 Applicants and licence holders must also co-operate with any reasonable request made by an authorised officer of the Council, Civil Enforcement Officers or any police officer.

The Council's approach when considering convictions

- 1.22 The disclosure of any convictions or cautions will not necessarily mean an applicant is not a fit and proper person and, therefore, automatically prevented from being issued a

licence. However, the Council will have regard to all convictions, spent or live, and they will be assessed accordingly. Consideration will be given, but not restricted to, the following:

- How relevant the offence(s) are to the licence being applied for
- How serious the offence (s) were
- When the offence(s) were committed
- The date of conviction
- The extent of any mitigating factors
- Sentence imposed by the court
- The applicants age at the time of conviction
- Whether the offence(s) form part of a pattern of offending or indicate a pattern of unacceptable behaviour
- Any other character check considered reasonable, e.g. personal references
- Any other factor that may be relevant

The Council's approach when considering non-conviction information

1.23 An applicant's previous behaviour and their potential to cause harm as a result of the choices they have made plays a significant part when making a decision as to whether an applicant is a fit and proper person to hold a licence. Consideration will be given, but not restricted to, the following:

- Circumstances surrounding the behaviour demonstrated
- When the behaviour was demonstrated
- The extent of any mitigating factors
- Steps taken to address any issues identified
- An applicant or existing licence holder's ability to sustain the required behavioural change
- The applicants age at the time the behaviour was demonstrated
- Whether the behaviour forms part of a pattern of unacceptable behaviour
- Any other character check considered reasonable, e.g. personal references
- Any other factor that may be relevant.

1.24 In addition to conviction/caution information, applicants are expected to provide details, within 72 hours of all warnings, driving endorsements (driving convictions)/disqualification periods relating to traffic offences, fixed penalties, penalty charge notices, [community resolutions](#) and any other similar sanctions, together with any charges or arrests that they are the subject of in connection with criminal offences, whether or not actually charged with the offence, and details of any allegations of involvement in criminal activity or where they have been questioned in connection with any alleged criminal activity or inappropriate/unacceptable behaviour or any other relevant pending matter.

1.25 Where an applicant is the subject of an outstanding charge or summons, their application may continue to be processed; however, depending on the circumstances, it

is unlikely that a decision on the application will be made until the conclusion of the criminal proceedings. Where the outstanding charge or summons involves a serious offence and/or the individual's offending history and behaviour/conduct indicates a pattern of unlawful or unacceptable behaviour/character traits, then the application is likely to be refused.

- 1.26 Where there is evidence/information that an applicant has been arrested or charged but not convicted of offences but the nature of this evidence/information suggests the applicant may not be a fit and proper person, the Council will give serious consideration to refusing an application or revoking an existing licence.

Fit and proper test

- 1.27 When considering an applicant's suitability to hold a hackney carriage/private hire drivers licence, to guide the Council's consideration, the implications of the answer to the following question will be applied:

- Would I allow my daughter or son, granddaughter or grandson, spouse, mother or father, or any other person I care for or any vulnerable person I know, to get into a vehicle with this person alone?

- 1.28 When considering a vehicle proprietor's suitability to apply for and hold a hackney carriage or private hire vehicle licence, to guide the Council's consideration, the implications of the answer to the following question will be applied:

- Would I be comfortable allowing this person to have control of a licensed vehicle that can travel anywhere, at any time of the day or night without arousing suspicion, and be satisfied that he/she would not allow it to be used for criminal or other unacceptable purposes, and be confident that he/she would maintain it to an acceptable standard throughout the period of the licence?

- 1.29 When considering an applicant's suitability to hold a private hire operator licence, to guide the Council's consideration, the implications of the answer to the following question will be applied:

- Would I be comfortable providing sensitive information such as holiday plans, movements of my family or other personal information to this person, and feel safe in the knowledge that such information will not be used inappropriately or passed on for criminal or unacceptable purposes?

- 1.30 If the Council has any doubts as to the fitness of an applicant/existing licenced driver, proprietor or operator then an application must be refused or licence suspended or revoked until those doubts can be effectively allayed through the provision of further adequate evidence.

- 1.31 If the applicant or holder of a licence has notified the Council of a conviction but is appealing against it to a higher court the matter will be referred to the Licensing Panel or the Licensing & Safety Sub-committee for a decision as to whether the licence ought to be suspended or revoked.

Patterns of behaviour

- 1.32 A series of offences or a pattern of behaviour/conduct over a period of time is more likely to give cause for concern than an isolated conviction/incident. However, that is not to say that an isolated conviction/incident cannot give cause for concern in its own right, particularly where it relates to a serious matter. In such circumstances, the Council will give significant consideration to refusing to grant a licence or to suspending and/or revoking an existing licence.
- 1.33 A serious view will always be taken where an applicant shows any tendency towards criminal and/or unacceptable/inappropriate behaviour patterns. In such instances, the Council is unlikely to consider such an applicant/existing licence holder to be a fit and proper person to hold a licence and will give significant consideration to refusing to grant a licence or to suspending/revoking an existing licence.

Rehabilitation periods

- 1.34 Detailed guidance (effective March 2014) on the Rehabilitation of Offenders Act 1974 is available on the GOV.UK website at <https://www.gov.uk/government/publications/new-guidance-on-the-rehabilitation-of-offenders-act-1974>
- 1.35 A person with a conviction for an offence need not be automatically barred from obtaining a licence. However, they would be expected to remain free of conviction for an appropriate period of time (as set out in Tables A and B below) and demonstrate adequate evidence that they are a fit and proper person to hold a licence. The onus is on the person to produce such evidence.
- 1.36 The specific periods of rehabilitation are not intended to be taken as definitive time periods by which an applicant/existing licence holder is automatically granted a licence simply on the basis that the rehabilitation period has elapsed. Rather they are intended to give parameters for consideration when taken with the overall history of an applicant/existing licence holder in order to assist the Council to determine whether an applicant/existing licence holder is a fit and proper person or not. The rehabilitation periods will not be considered in isolation.

Table A

Sentence	Rehabilitation period (applies from the end date of the sentence, including any licence period)
Custodial sentence* of over 48 months, or a public protection sentence**	Never spent
Custodial sentence* of over 30 months and up to and including 48 months	7 years
Custodial sentence* of over 6 months and up to and including 30 months	4 years
Custodial sentence of 6 months or less	2 years
Community order	1 year

*Custodial sentence includes both an immediate custodial sentence and a suspended sentence.

**Public protection sentence means a sentence of imprisonment imposed for specified sexual and violent offences as set out in Schedule 15 of the Criminal Justice Act 2003. (Equivalent provisions of the Armed Forces Act 2006 are also applicable.)

Table B

Sentence	Rehabilitation period (applies from the date of conviction)
Endorsement for a road traffic offence imposed by the court or a FPN; or if a driving licence is revoked or refused on medical grounds by the DVLA (or other body responsible for issuing the driving licence)	5 years*
Penalty points for a road traffic offence	3 years
Driving disqualification**	when the disqualification ceases to have effect
Community order with no specified end date	2 years
Fine	1 year
Conditional discharge	Period of the order
Absolute discharge	None
Conditional caution	3 months or when the caution ceases to have effect if earlier
Simple caution	Spent immediately
Compensation order	On the discharge of the order (i.e. when it is paid in full); individuals must obtain and retain proof of payment from the court
Binding over order; Attendance centre order; Hospital order (with or without a restriction order)	Period of the order

* Where a driving licence is revoked/refused on medical grounds by the DVLA (or other body), the Council will not grant a licence until medical proof of acceptable physical and mental fitness is provided.

**‘Disqualified’ – refers to the period of disqualification actually served in order to take account of the fact that a court may reduce the period of disqualification; an applicant must provide evidence to prove that the court agreed a reduction in the period of disqualification.

NB Simply remaining free of conviction will not generally be regarded as adequate evidence that a person is a fit and proper person.

1.37 Where a person does not satisfy the rehabilitation periods referred to in the tables above, then the Council will refuse to grant a new licence or revoke or suspend an existing licence until the applicant is in a position to satisfy them.

1.38 Unless significant and exceptional circumstances apply, the Council will not grant a licence to an applicant who has been convicted of or connected with:

- illegal sexual activity or any form of indecency;
- violent offences;
- an offence resulting in death of another person;
- any crime involving or related to or has any connection with abuse, exploitation, use or treatment of another individual irrespective of whether the victim or victims were

adults or children, this includes but is not restricted to slavery, child sexual exploitation, grooming, psychological, emotional or financial abuse.

In addition to the above, the licensing authority will not grant a licence to any applicant who is currently on the Sex Offenders Register or on any 'barred' list.

Licensing offences

- 1.39 In addition to the consideration of rehabilitation periods, where an existing licence holder is found guilty of hackney carriage or private hire related offences such as, but not restricted to plying for hire, over-charging, refusing to carry disabled persons, refusing to carry an assistance dog or multiple breaches of licence conditions, licence holders will be referred to the Licensing Panel and/or the Licensing and Safety Subcommittee with a view to determining whether the licence ought to be suspended or revoked.
- 1.40 The Council considers plying for hire related offences to be of a serious nature as they fundamentally pose a serious risk to public safety and undermine the licensed hackney carriage regime. As a result, unless significant exceptional circumstances apply, there will be a presumption that the licence of the driver who committed the offence will be revoked. In addition, where there is evidence that any private hire operator continues to employ drivers who are found to be plying for hire then serious consideration will also be given to revoking the private hire operator licence.

Right of appeal

- 1.41 Any applicant refused a driver or operator licence on the grounds that they are not a fit and proper person to hold such a licence, or who has had their licence suspended or revoked or had a condition attached with which they disagree has a right of appeal by way of written complaint, to the Magistrates' Court within 21 days of the notice of decision.
- 1.42 Should an appeal be lodged by any applicant refused a driver or operator licence on the grounds that they are not a fit and proper person to hold such a licence, or who has had their licence suspended or revoked, the onus is on the Council to prove that they are no longer a fit and proper person.

Conclusion

- 1.43 Any applicant having a previous or current conviction should not, in principle, debar them from obtaining a hackney carriage or private hire driver's licence. However, previous convictions are a significant factor in the decision making process and it will inevitably be more difficult for such applicants to obtain a licence. It is this Council's policy to consider the protection of the public above all else by ensuring all licensed drivers are honest, will not be a threat to the public, are in good health, are safe and competent drivers and are able to maintain their vehicles to a safe standard. In doing so, the Council will focus on the background of an applicant as a whole and will not consider individual offences and their rehabilitation periods identified above in isolation

from other factors, in particular patterns of unacceptable or inappropriate behaviour and conduct that may not necessarily be linked to proven convictions.

X.XX The Council will not consider the impact of hardship on the applicant and his family when making a determination on an application or reviewing an existing licence.⁶

APPENDIX J

SPECIFICATIONS FOR A REFERENCE WHEELCHAIR

SPECIFICATION FOR A REFERENCE WHEELCHAIR

- 1.0 All wheelchair accessible vehicles must be capable of carrying at least one “reference wheelchair” and where the user of a reference wheelchair can enter, alight and travel in the passenger compartment in safety and reasonable comfort whilst remaining seated in their wheelchair.
- 1.1 As there are numerous shapes and sizes of wheelchair the Department for Transport consider a reference wheelchair to be as illustrated below⁷:

⁷ As defined in Schedule 1 and 2 of the Public Service Vehicle Accessibility Regulations 2000

APPENDIX K INTENDED USE AND LICENSING OF HACKNEY CARRIAGES

INTENDED USE AND LICENSING OF HACKNEY CARRIAGES**Reasons for Policy**

- 1.0 The Council wishes to ensure that applications for the grant of hackney carriage licences are determined in accordance with the guidance given by the High Court in its judgment, and the declaration made in the case of *Newcastle City Council v Berwick upon Tweed Council* [2008].

Applications for the grant of a new hackney carriage licence

- 1.1 Applicants for new licences will be expected to demonstrate a bona fide intention to ply for hire within the administrative area of Shropshire Council under the terms of the licence for which application is being made.
- 1.2 There will be a presumption that applicants who do not intend to a material extent to ply for hire within the administrative area of Shropshire Council will not be granted a hackney carriage licence authorising them to do so. Each application will be decided on its individual merits.
- 1.3 Even where the applicant intends to ply for hire to a material extent in the administrative area of Shropshire Council, if the intention is to trade in another authority's area also for a substantial amount of time (and it appears that the purpose of the legislation and public safety will be frustrated) then, subject to the merits of the particular application, there will be a presumption that the application will be refused.

Applications for the renewal of a hackney carriage licence

- 1.4 Applicants for renewals of licences will be required to inform the Council whether they have a bona fide intention to ply for hire within the administrative area of Shropshire Council under the terms of the licence for which application is being made.
- 1.5 There will be a presumption that applicants who do not intend to a material extent to ply for hire within the administrative area of Shropshire Council will not be granted a hackney carriage licence authorising them to do so. Section 60 of Local Government (Miscellaneous Provisions) Act 1976 gives the Council a broad discretion to refuse to renew a licence for any reasonable cause. Each application will be decided on its merits.
- 1.6 Even where the applicant intends to ply for hire to a material extent in the administrative area of Shropshire Council, if the intention is to trade in another authority's area also for a substantial amount of time (and it appears that the purpose of the legislation and public safety will be frustrated) then, subject to the merits of the particular application, there will be a presumption that the application will be refused.

Transfer of ownership – when a licensed vehicle is transferred from one person to another

- 1.7 Section 49 of the Local Government (Miscellaneous Provisions) Act 1976 requires that the proprietor of the licensed vehicle who transfers his interest to another must, within 14 days of the transfer, give written notice to the Council of the name and address of the transferee of the hackney carriage. The Council has no power to refuse to register the new proprietor: see *R v Weymouth Borough Council, ex p Teletax (Weymouth) Ltd* [1947] KB 583.
- 1.8 Provided requisite notice has been given in accordance with section 49 of the Local Government (Miscellaneous Provisions) Act 1976 the Council will register the transferee of a licensed hackney carriage as the new proprietor. This is a legal requirement.
- 1.9 The transferee of a licensed hackney carriage will be asked to inform the Council whether he has a bona fide intention to use the vehicle to ply for hire within the administrative area of Shropshire Council. In addition, where the transferee resides outside the administrative area of Shropshire Council, the transferee will be required to keep records of all pickups on the Shropshire Council approved record sheets and these records shall be made available for inspection upon request. Transferees should note the obligation under section 73 of the Local Government (Miscellaneous Provisions) Act 1976 to give to an authorised officer information which may reasonably be required by him for the purpose of carrying out his functions under the legislation. Where there is a failure to provide the requested information or to keep the records, the Council will give serious consideration to exercising its powers of suspension of the licence under section 60 of the 1976 Act until such information is forthcoming, in addition to its powers under section 73.
- 1.10 Transferees of existing licences will be expected to have a bona fide intention to ply for hire within the administrative area of Shropshire Council under the terms of the licence in respect of the vehicle being transferred.
- 1.11 Where the transferee of a licensed hackney carriage is found to have no intention to ply for hire to a material extent within the administrative area of Shropshire Council and/or intends to trade in another authority's area also for a substantial amount of time (and it appears that the purpose of the legislation and public safety will be frustrated) then, subject to the merits of the particular case, consideration will be given (either at renewal or earlier) to the suspension or revocation of the licence under section 60 of the 1976 Act. Where the transferee proposes to operate remotely from the administrative area of Shropshire Council there will be a presumption that his licence will be revoked. Each case will be decided on its merits.
- 1.12 The Council is required to register the name of the new proprietor of a vehicle. It seems to the Council also to open up an obvious route to circumvent the decision of the High Court referred to in paragraph 1.0 above, unless precautionary steps are taken. The paragraphs in this section are intended to put the Council in a position to respond responsibly to the transfer of a Shropshire hackney carriage into the name of someone who operates outside the administrative area of Shropshire Council or remotely from it.

- 1.13 Unless there has been a change in the proprietor's intentions with regard to plying for hire within the administrative area of Shropshire Council, there should be no reason why he should not be granted a licence for a replacement vehicle. On the other hand, an applicant who obtained his first licence on the expressed intention of plying for hire to a material extent within the administrative area of Shropshire Council, and who on application to replace that vehicle with another discloses that he no longer so intends, effectively engages the presumption against grant that is mentioned earlier.

Change of vehicle – when a proprietor replaces a licensed vehicle

- 1.14 Applicants seeking the grant of hackney carriage licence for a vehicle intended to replace another licensed vehicle will be asked to inform the Council of their intended use of the vehicle. There will be a presumption that applicants who no longer intend to ply for hire to a material extent within the administrative area of Shropshire Council will not have the new hackney carriage licence granted. Even where the applicant intends to ply for hire to a material extent in the administrative area of Shropshire, if the intention is to trade in another authority's area also for a substantial amount of time (and it appears that the purpose of the legislation and public safety will be frustrated) then, subject to the merits of the particular case, there will be a presumption that the application will be refused.

Revocation of licence

- 1.15 Where a licence has been granted under the terms that the applicant intends to ply for hire to a material extent within the administrative area of Shropshire Council but is subsequently found not to be plying for hire to a material extent in the administrative area of Shropshire Council and/or to be trading in another authority's area for a substantial amount of time (and it appears that the purpose of the legislation and public safety will be frustrated) there will be a presumption that the licence will be revoked.

Exceptional circumstances

- 1.16 Each application will be decided on its merits. However the presumptions that intended use is to ply for hire to a material extent within the administrative area of Shropshire Council will be rebuttable in exceptional circumstances. Whilst it is neither possible nor prudent to draw up a list of what might amount to exceptional circumstances, an applicant who claims that exceptional circumstances exist will be expected to be able to satisfy the Council that it would not frustrate the purposes of the legislation or compromise public safety if the licence were granted, renewed or if were not suspended or revoked as the case may be.
