14 St Laurence CE Primary, Church Stretton	250		1	1		1		1		1		1			Pupil Growth - Would normally tick 'A' but as growth now has to be 15% it's a huge rise from 10% then I am going for 'b'. 15% is only likely to occur in smaller schools and large schools will foot most of the bill (£71,870 in our case) Head assumes if it is decided to go with 'B', schools will keep the money. Education Access Service - No answer selected) I do not think we are getting value for money. There is no Inclusion Officer since [name removed] and no GRT teacher since [name removed] left. EWO does attendance only and rarely gets involved in 'welfare' issues - should do more.
