REVIEW OF THE AUDIT COMMITTEE'S ANNUAL WORK PLAN AND FUTURE LEARNING AND DEVELOPMENT REQUIREMENTS 2020/21

Responsible Officer Ceri Pilawski
e-mail: ceri.pilawski@shropshire.gov.uk

Tel: 01743 257739

1. Summary

It is important that Audit Committee Members have an agreed plan of work for the year ahead and receive appropriate learning and development to deliver their responsibilities effectively. This report provides a proposed Audit Committee work plan and seeks discussion and agreement around a learning and development plan for Members to ensure that they are well informed and appropriately skilled to fulfil their role.

A key change proposed is for the Audit Committee to approve the Statement of Accounts in July. This is completed at several other authorities and is recognised by the External Auditors. Members are asked to consider this as part of the Audit Committee's future work plan and if in agreement, seek the necessary constitutional changes.

2. Recommendations

The Committee is asked to consider and approve, with appropriate comment:

- The Audit Committee work plan for 2020/21, **Appendix A**;
- A learning and development plan for Members of the committee taking in to account information in **Appendices A and B**.
- Delegation to the Director of Finance, Governance and Assurance to approve a revised Terms of Reference for the Audit Committee to incorporate approval of the Final Accounts Pack, including the Statement of Accounts for the financial year end with the Committee Chair and to seek formal delegation in the Constitution from Council for this activity.

REPORT

3. Risk Assessment and Opportunities Appraisal

- 3.1 By identifying the key topics to be considered at the Audit Committee meetings and receiving appropriate learning and development sessions in respect of their roles and responsibilities, Audit Committee Members can undertake their duties effectively and deliver them to a high standard, thereby adding to:
- the robustness of the risk management framework;
 - the adequacy of the internal control environment and
 - the integrity of the financial reporting and annual governance of the Council.
- 3.2 The recommendations contained in this report are compatible with the provisions of the Human Rights Act 1998. There are no direct environmental, equalities or climate change requirements or consequences of this proposal.

4. Financial Implications

- 4.1 The Audit Committee work plan and learning and development sessions for members will be met from within approved budgets.

5 Climate Change Appraisal

- 5.1 Energy and Fuel Consumption – This report does not directly make decisions on energy and fuel consumption. Therefore, no effect.
- 5.2 Renewable Energy Generation – This report does not directly make decisions on renewable energy generation. Therefore, no effect.
- 5.3 Carbon offsetting or mitigation – This report does not directly make decisions on carbon offsetting or mitigation. Therefore, no effect.
- 5.4 Climate Change Adaption – This report does not directly make decisions on climate change adaption. Therefore, no effect.

6 Background

- 6.1 The Chartered Institute of Public Finance and Accountancy (CIPFA) identifies the purpose of an Audit Committee, in its Practical Guidance for Local Authorities and Police 2018 Edition, as providing those charged with governance, independent assurance on the adequacy of the risk management framework, the internal control environment and the integrity of the financial reporting and annual governance processes. In local authorities, audit committees are necessary to satisfy the wider requirements for sound financial and internal control. Accounts and Audit (England) Regulations 2015 state 'the relevant authority must ensure that it has a sound system of internal control which; facilitates the effective exercise of its functions and the achievement of its aims and objectives; ensures that the financial and operational management of the authority is effective; and includes effective arrangements for the management of risk'. With a known work plan, and

appropriate and timely learning and development for Members, the committee will be well prepared and members will gain the knowledge and experience needed to carry out their role effectively.

Work Plan

6.2 The work plan in **Appendix A** continues to be presented in a format which demonstrates how reports to Audit Committee contribute to the delivery of the Committee's Terms of Reference and what assurances they provide.

6.3 There is only one proposed change for which member approval is sought. This is highlighted in **bold and underlined** in **Appendix A**. In considering the amendments the following information may be useful:

- a) It is proposed that the Audit Committee seek formal delegation from the Council to approve the final statement of accounts and accompanying documents at their meeting on the 31st July 2020.
- b) Research across other councils has found this to be the practice in Telford and Wrekin, Herefordshire and Worcestershire. The External Auditor, Grant Thornton, have also been consulted upon this and have no objections. If members agree a change to the Audit Committee's Terms of Reference will be agreed in consultation with the Director of Finance, Governance and Assurance and the Chair and a change to the Constitution sought.

Learning and Development

6.4 CIPFA identify a key characteristic of an effective Audit Committee as having a membership that is balanced, objective, independent of mind, knowledgeable and properly trained to fulfil their role. There is a range of knowledge and experience that audit committee members can bring to the committee which will enable it to perform effectively. No one committee member is expected to be an expert in all areas. There are however some core areas of knowledge which committee members need to acquire in addition to the need for regular briefings and training.

6.5 Members need to consider annually their learning and development plan to support them in delivery of their roles. During 2019/20 the Members have received four half day sessions covering several topics in detail. Training delivered included presentations and workshops on:

- Single person discount council tax review
- Programme assurance – what to look for
- Cloud service – what does this mean for Shropshire Council and the Audit committee
- New systems programme assurance for the Audit Committee;
- CIPFA Statement on the Head of Internal Audit
- Assurance on the process of identifying, monitoring and achieving savings to stay within identified budgets
- Challenging officers on the systems within their area to deliver against the financial strategy ...from a finance perspective and from a service perspective

- Strategic risks including children and adults safeguarding
- Treasury management

- 6.6 It is proposed that training is again provided in three half day sessions over the next twelve months. Sessions are planned for the 22nd June, the 8th September 2020 and the 11th February 2021.
- 6.7 **Appendix B** identifies training topics for Audit Committee Members to consider. Training topics are identified as core areas of knowledge that all Audit Committee Members should seek to acquire plus specialisms that can add value to the committee. Members may also want to hear from key officers of the Council where new or changing activities and risks are emerging and can request this as part of their training.
- 6.8 Whilst members are asked to endorse the initial sessions for learning and development, this will not prevent any additional items being added during the year or changes being made if these are felt to be of value.
