Please find	attached a plan of the site, I have marked the site i	in red, I have marked
the only ac	cess point we will use, there are no marked car par	king spaces on the
estate how	ever I have shaded in the only area we will park in ,	, we will never park
along the ro	ow where residents gardens back onto the car park	. It would be
extremely c	loubtful we would ever need 30 car spaces, howeve	er, this could easily
be obtained	d within the grid I have marked, away from residents	s gardens. My
	nostly car share or run to the gym, I will be very stric	•
