### **1.0 Summary**

1.1 This paper presents the Health and Adult Social Care Overview and Scrutiny Committee's proposed work programme until May 2021.

### **2.0 Recommendations**

2.1 Committee members to:

- agree the proposed committee work programme attached as **appendix 1**
- note the current task and finish groups attached as **appendix 2**
- suggest changes to the committee work programme and
- recommend other topics to consider.

### **3.0 Background**

3.1 The ongoing Covid-19 pandemic caused Shropshire Council to suspend the operation of its overview and scrutiny committees in March 2020. Since then it has been gradually resuming the service, beginning with the Performance Management Scrutiny Committee in May 2020, the Health and Adult Social Care Committee in July 2020, and the Joint Health Overview and Scrutiny Committee (in partnership with Telford and Wrekin Council) in August 2020. The remaining overview and scrutiny committees will operate from September 2020.

3.2 As there will be an election of all elected members to Shropshire Council in May 2021, draft work programmes only considers items likely to be considered by committees before the elections take place.

3.3 A refreshed draft overview and scrutiny work programme for this committee is attached as **appendix 1**. A refreshed list of current task and finish groups is attached as **appendix 2**.

#### 4.0 Next steps

4.1 Overview and scrutiny updates this work programme on an ongoing basis and presents it at each committee meeting. This will allow committee members the opportunity to contribute to its development at each committee meeting.
