### **1.0 Summary**

1.1 This paper presents the Communities Overview Committee's proposed work programme for the year ahead. The committee has based its programme on issues arising from Shropshire Council's Strategic Action Plan. During the course of its work programme, the committee will also

- scrutinise thematic priorities
- respond to emerging issues and
- follow up on previous work.

### **2.0 Recommendations**

2.1 Committee members to:

- agree the proposed committee work programme attached as **appendix 1**.
- suggest changes to the committee work programme and
- recommend other topics to consider

### **3.0 Background**

3.1 The Communities Overview Committee bases its work programme on issues arising from Shropshire Council's Strategic Action Plan. It also

- scrutinises thematic priorities
- responds to emerging issues
- follows up on previous work
- carries out cross-committee work through task and finish groups.

3.3 At a meeting of the Performance Management Scrutiny Committee, the committee requested that the Communities Overview Committee scrutinised the council's climate change draft action plan and quantified carbon budget in the Autumn of this year. As the committee's work programme already looks full in

2020, this item has been added to the agenda of the committee's meeting in January, subject to committee approval.

3.4 A refreshed overview and scrutiny work programme for this committee is attached as **appendix 1**.

#### **4.0 Next steps**

4.1 Overview and scrutiny updates this report on an ongoing basis and presents it to each overview and scrutiny committee. This will allow members the opportunity to contribute to its development at each committee meeting.
