Responsible Officer James Walton

e-mail: James.walton@shropshire.gov.uk Tel: 01743 258915

1. Summary

Effective audit committees bring many benefits to an organisation, and to ensure that the Council continues to provide an effective Audit Committee, the Committee's Terms of Reference are considered and approved as appropriate by members on an annual basis. The Terms of Reference reflect guidance from the Chartered Institute of Public Finance and Accountancy (CIPFA) in their refreshed: Audit Committees, Practical Guidance for Local Authorities and Police 2018 Edition. The Terms of Reference are attached as an **Appendix A**; paragraphs 38 and 45 have been adjusted to reflect Constitutional changes permitting the Audit Committee to approve the Final Accounts Pack including the Statement of Accounts.

2. Recommendations

Members are asked to consider the revised Audit Committee Terms of Reference attached, provide appropriate comment and approve or otherwise the proposed amendments.

REPORT

3. Risk Assessment and Opportunities Appraisal

- 3.1 Audit Committee terms of reference are reviewed annually to ensure that they are fit for purpose and up to date. They clarify the role of the Audit Committee and ensure that the Council has robust internal control arrangements in place.
- 3.2 The recommendations contained in this report are compatible with the provisions of the Human Rights Act 1998. There are no direct environmental, equalities, consultation or climate change consequences of this proposal.

4. Financial Implications

There are no financial implications.

5 Climate Change Appraisal

This report does not directly make decisions on energy and fuel consumption; renewable energy generation; carbon offsetting and mitigation; or on climate change adaptation. Therefore, no effect to report.

6. Background

- 6.1 Part of the responsibility of this Committee is to review annually its Terms of Reference, making any recommendations for significant changes in them to Full Council.
- 6.2 CIPFA defines the purpose of an audit committee as being to provide those charged with governance an independent assurance on the adequacy of the risk management framework, the internal control environment and the integrity of financial reporting and annual governance processes. By doing this and overseeing both internal and external audit it makes an important contribution to ensuring that effective assurance arrangements are in place.
- 6.3 The Audit Committee satisfies the wider requirement for sound financial management, as set out in the Accounts and Audit Regulations, 'for ensuring that the financial management of the body is adequate and effective and that the body has a sound system of internal control which facilitates the effective exercise of that body's functions and which include the arrangements for the management of risk.' In addition, Section 151 of the Local Government Act 1972 requires the Council to, 'make arrangements for the proper administration of its financial affairs'. In discharging sound financial management, the Section 151 Officer requires an effective audit committee and an internal audit service which evaluates the effectiveness of its risk management, control and governance processes. Both elements are enshrined in the Public Sector Internal Audit Standards and the supporting Local Government Application Note.
- 6.4 Effective audit committees bring many benefits to the Council. They can:
- Increase public confidence in the objectivity and fairness of financial and other reporting;
 - Reduce the risk of illegal or improper acts;
 - Reinforce the importance and independence of internal and external audit and any other review processes that report to the Committee;
 - Provide a sharper focus on financial reporting, both during the year and at year end, leading to increased confidence in the objectivity and fairness of financial reporting;
 - Assist the co-ordination of sources of assurance and, in so doing, make management more accountable;
 - Provide additional assurance through a process of independent and objective review;
 - Raise awareness of the need for internal control and the implementation of audit recommendations.

- 6.5 It is therefore important that the Terms of Reference are reviewed to ensure that best practice guidance is incorporated.

Issues and Conclusion

- 6.6 At Council on the 24th September 2020 the Audit Committee was given responsibility for approving the Final Accounts Pack including the Statement of Accounts for the financial year 2019/20 onwards. To accommodate this, detailed changes were proposed and accepted for the Constitution, these are now reflected in the Audit Committee's Terms of Reference, paragraphs 38 and 45. The relevant text is in bold italics and underlined. The adjustment allows approval by this Committee of the Final Accounts Pack given the statutory changes to the Government's timetable for closing Local Authority Accounts. This approach is adopted at several other authorities and is recognised by the External Auditors. Audit Committee Members, at the meeting in February agreed to request this change to the Constitution to enable the responsibility to rest with them.
